On a banner in a whig convention, teld comewhere "out west," was the following :--K. K. K. K. K.

Kinderhook Kandidate Kant Kome it Kwite.

The Whigs behave very well about their victory-they were as polite and good-natured yesterday as gentlemen need be, and the democrate evinced that cheerfulness which ever accompanies a conscientious discharge of duty

TWe wonder if Mr. Davis will make a Colonel of the Major 1 Men with spectacles have risen to that dignity. All is, Haughton, if you should ever wear sputs, be careful how you step, or you will tear your pantaloons to a dead certainty-it requiros some practice to place " de right foot fus" in true military style. Observe us in our last grand march in January next.

Tr We had two whigs washed yesterday, and put a new suit of clothes on each of them, and hope the rascals will go to meeting next Sunday and ask forgiveness for having bet. We shall have to clothe about a dozen of the scamps for a year to come, and some of them in pretty costly style

ELECTION RETURNS .- It isn't worth while to fill our columns with indefinite returns from various quarters. If we should hear of a state going for us any where off South or West, we will mention it:

Those who think they can aid a cause by gnawing crab apples and spitting vinegar from one year's end to another, are welcome to their " caperiment." All we have to say is, " heaven save us from such friends." Faith produces cheerful

Works of Nature.

IN a st te of hea th the intestinal canal may be

compared to a river whose waters flow over the ad-

joining land, through the chantels mature of art

has mide, and improves their qualities; and to keep

up the comparison of the river, so long as it cans on smoothly the chantiels are kept pute and beaking;

but if hy some cause the course of the river is stop-ped, then the water in the causis is no longer ; are,

ut soon becomes stagnant. There is but one law

f circulati n in thatd e. When ther is a super-

abundance of humorial fluid (s rocity) in the intes-

t nal tubes, and co-tiveres takes place, it fl wa

back into the bloo | vessels, and infil rates it-elt in-

to the circulation. To establish the free course of

the river, we must remove the oustructions which stop its free course, and the e of its tributary stream. With the body, follow the same natural proceipsi ;

m ve, by that aluable pures ve medicine Bran-

diethe Universal Vegetable Pills, which are an ef-

f coal as-istance of nature, the oper dundance of

homors in the intestine canal. By per evering in

this practice, the ways of the circulation will then

be re-tored to the full exercise of their natural funce

tions, and a state of health will be firmly establish.

#### SICKNESS.

THERE are many persons that we daily behold whose countenances and frail limbs denote affliction' which we find has principally originated from neglect of proper remadics at the commencement of sickness. At first the patient complains of bile on the stomach attended with sickness, costinencas, &c., he neglects to procure proper m dicine ; at lenth he complains of pain in the side and somach with sour eructations; his appetite becomes impaired, his rest troublesome, his mind harassed, and all things around him appear not in their proper station. He still neglects himself, when in all probability the disease may at leath be so fist scated that no medical aid will replace him again. At the first attack of sickness there should be "no time lost" in procuring Dr Harlich's COMPOUND STRENGTH-ENING APERIENT PILLS, which immediately removes b'le from the stomach, obviate costiveness, remove disorders in the head' invigorate the mind, strengthen the body, improve the memory, and enliven the imagina ion ; thus restoring the body again to its proper functions.

mal grant in their character. To restore the system to a state of heal h, then, it is only nece sary to remove the cause of disease, and the end is accom p ished. The cause is obs ruction somewhere. This can be removed by purgation, which is the only means that should be resorted to, because, suggested by reason, and by nature. Dr. Harlich's Strengthening and German Aperient Pills, are allowed by the thousands who have used them, to be the best purgative medicine in existence.
