LIVER COMPLAINT.

THIS disease is discovered by a fixed obtuse pain in the right side under the short ribs, attended with heat, uncasiness about the pit of the stomach; there is in the right side also a distention ; the patient loses his appetite, and becomes sick and troubled with vomiting. The tongue becomes rough and black, the countenance changes to a pale or scitron color, or gellow like the e offlicted with jaundice, difficulty of breething, disturbed rest, attended with a dry cough, difficulty of laying on the left aide, the body becomes weak, and finally the disease terminates into ano her of a more serious nature, which in all probability is far beyond the power of human skill. Dr. Harlich s ! ompound Si ragthning Tonic and German Aperient Pills, if we ken at the commencement of this disease, will sheck it, and by con inuing the use of the medicine i few weeks, a perfect cure will be performed. Thousands can testify to this fact.

Certificates of many persons may daily be seen of the efficacy of this invaluable medicine, by applyng at the Medical Office, No. 19, NORTH EIGHTH street, Philadelphia. HENRY YOXTHEIMER.

Works of Nature. IN a state of health the intestinal canal may be compared to a river whose wate a flow over the adjoining land, through the channels nature or art eas made, and improves their qualcies; and to keep up the comparison of the river, so long as it runs on smo taly the channels are kept pure and healthy; but if by some cause the course of the river is stop-ped, then the water in the rands is its longer pure. out soon becomes stagnant. There is but one law of circulation in nature. When there is a superabundance of humorial fluid (s r city) in the intertinel tubes, and co-tiveness takes place, it flows back into the blood vessels, and infiltrates itself into the circulation. To establish the free course of the river, we must remove the obstructions which stop its free course, and tho e of its tributary stream. With the body, follow the same natural principal; ti move, by that valuable purgative medicine Bran-dreth's Universal Vegetable Pills, which are an effectual assistance of nature, the superatundance of humors in the intestine caual. By per evening in this practice, the ways of the circulation will then be restored to the full exercise of their natural functions, and a state of health will be firmly establish. ed Remember, never suffer a drop of blood to be taken from you - Evacuate the humors as often and as long as they are degenerated, or as long as

THE CAUSE OF DISEASE. Nearly all classes of disease, are caused by some obstruction in the system, which present the regular and wholes me operation of the animal functions. This state of the system, is disease, which is manifested in a variety of forms, more or le a mal grant in their character. To restore the system to a state of health, then, it is only nor save to re-move the cause of discuse, and the by second pished. The cause is obstruction some which i has can be removed by purgation, which is the only meens that shou'd be resured to, because, suggested by reason, and by nature. Dr. Harlich's Strengthening and German Aperient Pills, are allowed by the thousands who have used them, to be the best purgetive medicine in existence. Because, they not only remove all obstructions, and purge the system of its impurities, but, because, and which is extremely important, strengthen and give proper tone to the stomach, and produce a healthy action of all the parts. Besides, they are so mild and gentle in their operation, as to render them at all times a perfeetly safe and desirable remedy. The affected would do well, then, to purchase a box or two of this invaluable medicine, and give it a fair trial, instead of destroying their systems with oft-rejeated

domes of catamet, und other drugs, so injuri us to human life and happiness. The above medecine for sale at the Drug store of
