### *MORE CONCLUSIVE PROOFS,*

*Of the efficacy of Dr. Harlich's celebrated Medicines*

DEAR SIR:—I was afflicted with a Hilious and nervious disease to a very alarming degree, with all the symptoms which so frequently effect a relaxed condition, viz: giddiness in the head, violent tremors chilliness, with a fixed pain in the right side, complexion bad, and restlessness; indeed I was in a most miserable condition. I had tried many remedies, but found no permanent relief until I had purchased *Dr. Harlich's compound Strengthening and German aperient Pills*, which in their superior virtues, I was completely cured, and am able to pursue my employment, free from pain and disease. ## Works of Nature.

IN order for her to the intestinal canal may be compared to a river whose waters flow over the adjoining land, through the channels nature or art has made, and improves their qualities; and to keep up the comporsion of the river, so long as it runs so exactly the channels are kept pure and healthy; but if by some cause the course of the river is stopped, then the water in the canals is no longer pure but often becomes stagnant. There is but one law of circulation in nature. When there is a superabundance of humeral fluid (or acrity) in the intestinal tube, and costiveness takes place, it re-enters into the blood vessels, and infiltrates itself into the circulation. To establish the free course of the river, we must remove the obstructions which deprive the vessels, and thus restore a healthy stream. With the body, (from the same natural principal) nature, by most valuable purgative medicine *Brandreth's Universal Vegetable Pills*, which operate in accordance with the wise laws of nature, the superabundance of humours in the intestinal canal. By the evening of this practice, the ways of the circulation will then be restored to the full exercise of their natural functions, and a state of health will be finally established. Remember, never suffer a drop of blood to be taken from you—Evacuate the humours as often and as long as they are degenerated, or as long as you are sick.

Dr. Brandreth's Office in Philadelphia, is at No. 8, NORTH EIGHTH street, where his pills can be had at 25 cents per box, with full directions.

## *TO THE COMMUNITY.*

THE success which has attended the use of *Dr. Harlich's German Aperient and Compound strengthening Tonic Pills*, is truly astonishing. It is no vain boast to say this medicine has proved by its happy effects in the cure of a variety of diseases to which the human frame is liable, to be vastly superior to the many preparations before the public. Many of these preparations are compounded by individuals who are positively ignorant of the mysteries of the human system, and more pretenders to medical knowledge. Dr. Harlich, however, is celebrated among the German faculty as a man of the highest scientific attainments, and equally distinguished throughout Europe, as a successful medical practitioner, spent most of the years of a useful life in the acquisition of such knowledge as might prove beneficial to his fellow creatures. In the pills which he invented, and which bear his name, the public are assured of an article that possesses more than ordinary virtues. From the acknowledged talents of this inventor, nothing less than a good article could be expected; and the experience of many years has all ready demonstrated the virtues of his medicine. In Germany and other parts of Europe, their reputation is established. In this country into which it has but lately been recently introduced, it is rapidly gaining the most substantial testimonies. The numerous certificates of cures of the most obstinate diseases effected by the use of Harlich's Pills, and the popularity is constantly increasing, is proof positive of their merit. Day after day he receives new certificates of the efficacy, and week after week adds to a demand for them. This is not publishing a few certificates of cures, which may be procured for any medicine, but the names of many who are known in the community, are continually coming forward, testifying that they make use of Dr. Harlich's Pills, and find them to be the most powerful proofs of safety.—*See Circular Before.*

### *PRINCIPAL REASONS*

Why Dr HARLICH'S Compound Strengthening and German Aperient Pills are used by all classes of people, in preference to other Medicines, because they are prepared from a pure extract of herbs, a wholesome medicine, mild in its operation and powerful in its effects,—the most perfect preserver of health, a sure and effectual cure of dyspepsy or indigestion, and in short a much complete, and effective system of purging for the whole system.

Because they strengthen the nerves of sensibility and by so doing the nerves of motion, improving the tone of the whole frame and its proper functions, thus giving strength and clearness of mind.

Because they never destroy the coats of the stomach and bowels, such strong purgatives do.

Because science and experience teach us that mild purgatives alone will cure the diseases of the stomach and nerves. Weakness is the primary cause of a host of diseases, and by a mildly assisting to *Invigorate* properties, you hasten the disease much sooner, than by violent purgatives.

Because Dr. Harlich's Medicines are put up upon the common sense principle, to "take nature and strengthen," which is the only course to pursue to effect a cure,—Lastly,

Because these Medicines really do cure the disease for which they are recommended. Principal office in the United States, is at No. 19 North Eighth street, Philadelphia.

### *THE CAUSE OF DISEASE.*

Nearly all cases of disease, are caused by some obstruction in the system, which prevent the regular and wholesome operation of the natural functions. This state of the system, in disease, is manifested in a variety of forms, more or less malignant in their character. To restore the system to a state of health, then, it is only necessary to remove the cause of disease, and the end is accomplished. The cause is obstruction somewhere. This can be removed by purgatives, which is the only means that should be resorted to, because, suggested by reason, and by nature. Dr. Harlich's Strengthening and German Aperient Pills, are allowed by all the wonders who have used them, to be the best purgative medicine in existence. Because, they not only remove all obstructions, and purge the system of its impurities, but, because, and which is extremely important, strengthen and give proper tone to the stomach and bowels to enable healthy action of all the parts. Besides, they are so mild and gentle in their operation, as to render them at all times a peculiarly safe and desirable remedy. The sufferer would do well, then, to purchase a box or two of this invaluable medicine, and give it a fair trial, instead of destroying their system with oft-repeated doses of calomel, and other drugs, so injurious to human life and happiness.

ALTOONEY, Jan. 8, 1840.

To Dr Harlich's Agents—Sir: I wish to state for the benefit of the afflicted, that Dr. Harlich's Pills have entirely cured me of Dyspepsia, of which I have been afflicted for many years. I used both kinds, the Aperient and Strengthening, and I am convinced to say, that they are valuable discovery, and are upon the system and last very effectually. I found the Tonic pills quicken the circulation and cause a determination to the surface, and to strengthen the weak tissues and increase its powers. The Aperient pills are the best cathartic I ever used. I am confident all Dyspepsias would do well to make immediate trial of Dr. Harlich's Pills. Any one can call at my house and satisfied of the above at pleasure.

### *LIVER COMPLAINT.*

THIS disease is characterized by a fixed obtuse pain in the right side over the short ribs, attended with heat, inflammation about the pit of the stomach there is in the right side also a distention; the patient loses his appetite, and becomes sick and troubled with vomiting. The tongue becomes coated and black, the countenance changes to a pale or sallow color, or yellow like the afflicted with jaundice, difficulty of breathing, cannot lie rest, attended with a dry cough, difficulty of laying on the left side, the body becomes weak, and finally the disease terminates into one of the more serious maladies which in all probability is far beyond the power of human skill. *Dr. Harlich's Compound Strengthening Tonic and German Aperient Pills*, if taken at the commencement of this disease, will check it, and by persisting in the use of the medicine a few weeks, a perfect cure will be performed.
