D. 1841, in pursuance of an act entitled "An act to seitle the estates of John Nichelson and Peter Baynton," passed April 16th, A. D. 1840. Upon the petition presented and filed in our court by Robert Orr, John Dungan and William Primrose Esqs, Commissioners appointed as provided in the act aforesaid-representing "that whereas it appears from the records in the office of the Secretary of the Land Office in Pennsylvania, that William P. Harlich's German Aperient and Compound strengthening Tonic Polls, is truly astonishing. It is no vain boast to say this medicine has proved by its happy effects in the cure of a variety of diseases to which the human frame is lia le, to be vasily su-perior to the many preparations before the public. Many of these preparations are compounded by individuals who are positively ignorant of the mysteries of the Luran system, and mere pretentive to medical knowledge. Dr. Hartich, however, is cele-brated among the German faculty as a man of the highest scientific attainments, and equally distinguished throughout Europe, as a successful medical practitioner, spent most of the years of a useful life in the aquisition of such knowledge us might prove beneficial to his fellow creatures. In the pil's which he invented, and which bear his name, the public are assured of an article that posses as more than ordinary virtues. From the acknowledged talents of this inventor, nothing less than a good article could be expected; and the experience of many years has afforded demonstration of the virtues of his medicine. In Germany and other parts of Europe, its r putation is established. In this country into which it has but been recently introduced, it is rapidly gaining the most substantial reputation. The numerous cert ficates of cures of the most obstica a diseases effected by the use of Harlich's Pills, which the proprietor is constantly receiving, is proof of the fact. Day after day he receives new testimonials of their efficacy, and week after week increases the demand for them. This is not mere assertion; innumerable certificates are open for the inspection of the public, and the doubts of any who are skeptical, can be removed by examining them at the office of

the proprietor.
We take the liberty, then, of suggesting to every family, that they make use of Dr. Harlich's Pills, Let them keep a supply constantly on hand, to be used when occasion demands, and they will receive the most unequivocal proofs of utility .- Medical
