Conservation of this medicine.

Depot for the Unias at No. 19 North Eighth Sergel, Philawhere all communications for Agencies the ing and Medicines must be addressed (post 1 sid.) which will meet with immediate attention. HENKY YOXTHEIMER,

May 1, 1841. Agent. PRINCIPAL REASONS

Why Dr HARLICH'S Compound Strengthening or a German Approprial Phile are used by all class ses of ymple, in preference to other Medicines, becarry they are prepared from a pure extract of larbe, a waveless the medicine, mild in its operation and pleasate to its clied - the most certain preserver of issued as the band officerual cure of Dyspensia or and positive whole sy, to. because they south the nerves of sensibility and

facility the nerves of motion, imparting to their most so tale field its cristine Line, thus giving strength not charness of mind.

Persuse they never destroy the costs of the sto-

much and bowels, as all strong purgatives do. Because science and experience teach us that no tacte par, alive alone will cure the disease of the tomach and nerves. Weakness is the primary "huse of a host of diseases, and, by continually re-Third to Drastic purgatives, you make the disease and worse instead of cetter.

il -- use Dr. Hadich's Medicines are put up upon the connuon tense principle, to "cleanse and originen," which is the only course to pursue to a cure.-Lastly, evalue these Midleines really do cure the dis-

or for which they are recommended. Principal for the United States, is at No. 19 North it street, Philadelphia.

BENKY YOXTHEIMER. May 1, 1841.

CLEANSE AND STRENGTHEN.

The only sure and best course to pursue in cua collect, of whatever nature they may be, is: sie is gently specients; secondly, to give strength and turn to these turder organs by the use of proper torics. This mode is always pursued by regular planetane, which they well know to be the only

result to, to effect a speedy and permanent Dr. Hablich's Compound Strengthening and Apprient tills, are a sure medicine to class this grand effect. The German Aperient are to cleause the st much and incestines, afare used, to give afreight and tone to those or-: 1 which require tender treatment. Nearly twothe of the discusses which we daily behold, the reseases of the nervous system, and by continua y using crashe mineral purgatives the sufferer at soon find himself a being too much refined or main long in existence. Full and explicit directions both in English and German, accompany

THE CAUSE OF DISEASE.

Nearly all clarses of discase, are caused by some obstruction in the system, which prevent the regular and wholesome operation of the animal functions. This state of the system, is disease, which is manifested in a variety of forms, more or less malignant in their character. To restore the system move the cause of disease, and the end is accomplashed. The cause is obstruction somewhere. This can be removed by purgation, which is the only means that should be resorted to, because, suggested Inorgestion, and all it much complicates, a preserver by reason, and by nature. Dr. Harlich's Strengthening and German Aperient Pills, are allowed by the thousands who have used them, to be the best purgative medicine in existence. Because, they not only remove all obstructions, and purge the system of its impurities, but, because, and which is ex- tion in the world. tremely important, strengthen and give proper tone to the stomach, and produce a healthy action of all the parts. Besides, they are so mild and gentle in their operation, as to render them at all times a perfeetly asie and desirable remedy. The afflicted would do well, then, to purchase a lox or two of this invaluable medicine, and give it a fair trial, in- \$5 two copies will be forwarded one year, or one stend of destroying their systems with off-repeated doses of calomel, and other drugs, so injurious to human life and happiness

SICK HEADACHE.

Is a very common affection. Its attacks are very severe, and characterized by spannodic peins, shifting from one part of the head to the other, ficquently commencing in the morning, attended with rangement of the stomach and digestive organs. PEMALES are most subject to this affection, par- touch upon the opinions of any party in relgion of ticularly those who lead a sedentary life. Dr. Har- pointies, lich's Compound Strengthening Tonic and German Aperient Pilts, are warranted to arrest this troublesome disease : first by cleansing the stomach | people delights to follow, the Brother Jonathan and bowels, purifying the blood, and removing all diseased and excrementuous humors from the liver and intestines. By the uce, first, of a few Joses of the Aperient German Pills, afterwards two or three dozen of the Strengthening Tonic Pills, which | in all the world will stann reflected. It shall conare used to strengthen and invigorate the nervous system, give tone to the stomach and organs of digestion, thus imparting to their subtile fluid its pristine vigor, this afflicting disease may be entirely semoved. This is the only mode of treating this annoying complaint, and has been attended with success in thousands of cases.

Pumplets giving general directions, may be ob-The above medicine for sale at the Drug Store of teined grates, at No. 19 North Eighth street, Phila-HENRY YOXTHEIMER, delphia. HENRY YOXTHEIMER. May 1, 1841.

GRAHAM'S MAGAZINE.

Ladles' and Gentlemen's World of Literature and Fashion.

(The Casket and the Gentleman's United.)

NEW Volume, under the above title, of the well established and fashionable Mugazine, iron, &c., will receive a despotch by this line, which | The Philadelphia Casket in conjunction with the Gentleman's Magazine, which has been every where pronounced the most readable and popular of the day, will be opened on the First of January, 1841, of talent and fame, which no periodical in the counnumber will, however, be a spicimen of the new volume. The Volume will be opened with a new and beautiful type, the finest white paper, and with the first of a series of embellishments unsurpassed by any which have yet appeared in any Magazine, The style of elegance, the beauty and finish of these illustrations, and the extensive improvements which above all, the tone of its literary department, by the | in the Union. brilliant array of contributors, whose articles have enriched the pages of each number, will give it character, second to no Magazine in the Union. The character of the articles which shall appear in its pages, will be equally removed from a sickly sentimentality, and from an affectation of morality, but while a true delineation of human nature in every variety of passion is nimed at, nothing shall be found in its pages to cause a blush upon the cheek

of the most pure. The Literary character will be sufficiently guaranteed by the reputation of both Magazines thus of circulation in nature. When there is a super- united, for years post, Writers of the first rank number, variety and excellence of its Illustrations, have been regular Contributors to their pages, and tinal tubes, and contineness takes place, it flows the tales and sketches published in them have been widely copied and read, and the firm and independent tone of the criticisms, upon the current literathe river, we must remove the obstructions which ture of the day, has been every who e approved and names of most of the principal winers in America, with a respectable number of English authors.

The series of well known nautical papers, entitled "Cruizing in the last War," have had a run, unequalled by any series published in any Magazine for years .- The author promises to open the first of a new series of Tales of the Sea, and from his known abilities as a depicter of sea scenes and life, much may be relied upon from him in maintaining the popularity of the Magazine Papers may be expected during the volume, also from the author of the well known articles, entitled "The Log of Oid Iron-The author of "Syrian Letters," will also lend his powerful and grateful pen, to sustain and increase the reputation of the work .- The valuable aid of the au hor of "Leaves from a Lawver's Port Folio," has also been secured, and we may expect something still more thrilling from the capacious stores which a long life in the profession has ennbled him to amass. An occasional Chit-Chat with "Jemmy Short," and "Oliver Oldfellow," is also promised; with a variety of choice articles in prose and verse, from various writers of celebrity, as contributors to the prominent Magazines of the country. The editors of both Magazines continue their services under the new arrangement. With such an array of talent a Magazine of unrivalled attractions, may safely be promised the coming volume.

FASHIONS AND ENGRAVINGS.

In compliance with the almost unanimous wish of our lasty subscribers, we shall the ensuing volume furnish them with a beautiful and correct plate of Fashions Monthly, a feature, it is believed, that full of meaning, and so interwoven with the estabwill neither be unwelcome nor unpopular. The Fashion plates shall be drawn from original designs from Paris and London, and may always be depended upon as the prevailing style in Philadelphia and New York, for the month in which they are issued.

Time of publication .- The work will be published on the first of the month in every quarter of the Union. The most distant subscriber will consetirely cured of the above distressing disease : His quently receive it on that day, as well as those who | pages. These dimensions will enable the publisher syntoms were, pain and weight in the left side, reside in Philadelphia. In all the principal cities, to draw largely upon the most popular periodicals This is not merely theory but fact, which loss of appetite, vomiting, and enverage loss have been established, to whom the Maga- of the day, both American and Foreign; and as the tral in politics, and that as news and literary jourzine is forwarded, prior to the time of issuing it, so crosses who have witnessed the astonishing effects countenance changed to a curon color, difficulty of that they may be delivered to resident subscribers by the first of the month.

Tr Postmasters disposed to act as Agents for the Ocean, will receive five copies weekly, per annum, for five dollars. Payment always to be made in advance. Address BULL & TUTTLE, Printers, Baltimore, Md.

ASTONISHING INCREASE.

FOUR THOUSAND NEW SUBSCRIBERS IN TWO MONTHS!!! Wazz we first purchased the old and

known establishment of the Saturday Evening Post,

we stated that the paper circulated so widely a-mong the steady, reading portion of the United States, that we entered upon our libers with full confidence of the future. Our success has since been beyond our most sanguine expectation, as our weekly receipts overbalance those of any cotemporary paper. Our list has continued to swell up. with unexampled rapidity, and we have the confi dence, that at the present rate of increase, we shall be enabled in a few months to boast of more than 35,000 subscribers! When we commenced our labors, we announced distinctly, that the tone of the paper should be decidedly moral, and that nothing should be admitted into our columns, which the most fastidious father could disapprove of, and determined that as an approved Family Paper, it should not contain a paragraph, with the spirit of which a parent would not wish to have a daughter familiar, and we therefore, with this view, announced that no theatrical notices should appear in our columns, and that we should be opposed to theatres as things calculated to injure the healthy action of an honest mind, -as creative of exhibitions demoralizing in tendency, and fearfully permicious in of that paper,) and will contain eight columns fact. There were not wanting blusterers, who made a great parade of opposition, and Croskers, ourselves upon the sober, rational and experienced portion of the people of the United States for sup-

port, and we have been nobly sustained. We thought and expressed the opinion, that however careless many might be upon this subject, seven by fifty-two inches. It will be filled entirely | that few, even if they did not entirely disapprove of such entertainments, cared about having the gross details forever paraded before the eyes of their children, and the sickening and nauseating Editors: those relative to the buisness dep eulogy of all kinds of characters made familiar to their minds.

We determined also, that while the paper continued under our control, it should be strictly neudetermination has been strictly and rigidly adhered to, and while we shall continue to give our renders such public document as may be deemed of interest to all, and such a history of the progress of political events, as are strictly in keeping with our duty, and the character of the paper, we shall studiously and thoroughly avoid any contamination of

The paper is now printed in a new and beautiful type, -has received the praise of many editors of taste, as the handsomest family sheet in the Union." Our efforts have been directed to the combining of beauty and simplicity with utility and taste.

partizen politics.

The Post is printed on a stout white paper, rendering it neat and durable for filing.

In addition to these efforts toward perfection in the mechanical department, and exterior of our paper, no labor, and no cost been spared in the developement of intellectual strength. The present variety of interesting tales, original, from foreign and domestic magazines, together with the valuable contributions of our own circle of literary while everything important and worthy of note that nappens in the Old World or the New, shall be collected and collated for the taste of our readera.

The Ladies' Department shall always be choice and select, and shall receive strict attention, while such things as may interest our juvenile readers, and that important and large class of our readers, the Farmer will not be overlooked. In order to gratify, as much as possible, the laudible desire of our country readers, a portion of our attention will be devoted to the collection and diffusion of such News, Memoranda, Tables, Facts, Hints, &c. as may seem important to agriculturists, and the population resident without the confines of our great cities. The state of the markets and the fluctuatious in the prices, will be regularly and what is of more moment, correctly given.

We have ever been opposed to the constant bluster and parade made by some editors, about the excellence of their papers, and have resolved that the Saturday Evening Post, shall be conducted, as to speak for itself,

Our readers will always find in its columns the earliest and mest authentic information, as well as say from \$225 to \$450. With these facts we the most choice and entertaining literary matter. We have totally discarded the system of filling the paper with quack advertisements, but prefer giving our readers from week to week, entertaining reading matter.

And we feel assured that we shall be no losers thereby, as but few readers care about having a paper filled with descriptions of these nauseating compounds. The Saturday Evening Post, will be furnished

for \$2 per annum in advance, or one copy three years for \$5. To those who wish to subscribe for a Philadelphia Magazine, we will furnish a copy of the Philadelphia Carket, and two copies of the

No New Subscriber received without the Money. To those who wish to subscribe, we would say,

that the safest plan is to enclose the money in a letter and direct to us. Most postmasters will frank their letters if relating to nothing but the business of the office, and all postmasters who will be kind enough so to do, we shall be pleased to acknowledge as agents. Address

GEORGE R. GRAHAM & CO. No 36 Carter's Alley, Philadelphia. Lane for the two years.

THE NEW WORLD.

THE LARGEST, CHEAPEST, HANDSOM-EST, AND MOST COMPREHENSIVE NEWSPAPER IN THE UNITED STATES.

EDITED BY PARK BENJAMIN AND EPES SARGENT

NEW WORLD more valuable than ever as a compendious newspaper and repository of elegant literature, we enter upon the second volume (folio) on the 24th of October, dressed in a beautiful garb of new type, cast expressly for the purpose. It will therefore be a fitting time to commence new subscriptions, as well as for the renewal of those which may then expire.

During the first year of the existance of the NEW WORLD, it has acquired a reputation and circulation superior to any weekly paper in the country; and has furnished to its subscribers, during hat period, (besides all the current news of the day domestic and foreign) new and valuable works by l'alfourd, D'Israeli, Thomas Moore, Miss Mitford Mrs. Jameson, C. Dickens, Ainsworth, Knowles Bulwer, Marryat, and others-works, which in Lor don could not be purchased for fifty times the amount of the subscription price of the Ne World. In addition to works of interest by thes eminent authors, it has contained the cream of th periodical literature of the day, as well as origin articles from the pens of some of the most popula writers of America, among whom we may mentio Miss Sedgwick, Orville Dewey, Professor Longle low, the author of "Yankee Notions," Simm Street, &c. &c.

In politicks we shall, as hitherto, maintain a armed neutrality.-Our columns as heretofore w be unobjectionable in a moral point of view. I criticism we shall, in justice to the public, manta perfect independence, even though we incur the vengence of all the dunces. We shall, in conclu sion, earnestly strive to render our sheet not on worthy of the unparalleled favour it has experience but of a continually extending circulation. Wh we continue to furnish with all possible promittue the most attractive literature of the day, we sha as our means enlarge, afford that compensation native authors, which may induce them to mil the New World the medium for presenting to the public their best productions. Our excellent Lo don correspondent will be continued, and due a tention will be paid to the comercial, agricultur and news departments of our paper.

A QUARTO EDITION

PROSPECTUS

OF THE JOURNAL OF THE AMERICAN SILK

CIETY, AND RURAL ECONOMIST. EDITED BY GIDEON B. SMITH. THIS Journal was established by the Amer Silk Society, for the purpose of diffusing pracinformation on the CULTURE OF SILK in the Ur

States. It has now been published one year

may be considered a work of standard characte

The first year's publication, comprising the volume, containes a mass of valuable informs and it will be the object of the editor to I the second equal in all respets, if not superior the first. The important fact is now estal lishe yand any question, that the people of the U. States can make silk CHEAPER and BETTER any other nation upon earth. It has been p; by unimpeachable testimony, that the entire of producing silk ready for market, does not ex TWO DOLLARS AND TWENTY-FIVE CENTS POUND, and its lowest value is FOUR DOLLARS FIFTT CENTS; also, that one ACRE of ground ; ed in morus muiticaulis, will produce the first the trees are planted, roughrestear rough SILK, leaving a clear profit to the producer o SUNDRED AND EIGHT DOLLARS! It has also proved that the children and females of any far family can, with the greate-t possible ease, pro from fifty to a hundred pounds of silk every without any cost whatever to the expenses farm after the trees are planted; and therefore the whole amount of silk will be so much clear mit to an intelligent people wether it is not a and important object for them to introduce the ture of silk in every farmer's family in the I To enable all our farmers to make silk, the 'J NAL OF THE AMERICAN SILE SOCIETE' WAS lished; it contains plain practical directions for TIVATING THE TREES, PEEDING and REARING wound, REELING THE SILK, and preparing market, &cc. besides all other information the be required to enable any person to enter upo business, either on a large or small scale. friend of his country, into whose hands this may fall, will be doing a patriot and philanthro work by inducing his friends and neighbours

ter their names upon the list of subscribers. The Journal of the American Society is pub monthly, in pamphlet form; each number cor thirty-two octavo pages, prirted on new typ handsome paper, with a printed colored-cover

TERMS :- Two dollars a year, or six copiten dollars, always to be paid before the w sent. All subscriptions to begin with the first ber of the year, and in no case will the work b to any subscriber longer than it shall have paid for.

NEW SUBSCRIBERS, who take the fir second volumes, will be charged only Takes
