Works of Nature. IN a state of health the intestinal canal may be

compared to a river whose waters flow over the adjoining land, through the channels nature or art has made, and improves their qualities; and to keep up the comparison of the river, so long as it runs on smoothly the channels are kept pure and healthy; but if by some cause the course of the river is stop-ped, then the water in the canals is no longer pure, but soon becomes stagnant. There is but one law of circulation in nature. When there is a super-abundance of humorial fluid (serocity) in the intestinal tubes, and costiveness takes place, it flows back into the blood vessels, and infiltrates itself into the circulation. To establish the free course of the river, we must remove the obstructions which stop its free course, and those of its tributary stream. With the body, follow the same natural principal; n move, by that valuable purgative medicine Bran-dreth,s Universal Vegetable Pills, which are an effectual assistance of nature, the superabundance of humors in the intestine canal. By persevering in this practice, the ways of the circulation will then be re-tored to the full exercise of their natural functions, and a state of health will be firmly establish-Remember, never suffer a drop of blood to be ed taken from you -- Evacuate the humors as often and as long as they are degenerated, or as long as you are sick.

Dr. Brandreth's Office in Philadelphia, is at No. 8. NORTH EIGHTH street, where his pills can be had at 25 cents per box, with full directions. (1) Only agent in Sunbury, is H. B. Masser Esqr. Sunbury, Sept, 9, 1840.

LIVER COMPLAINT, Cured by the use of Dr. HARLICH's COMPOUND

STENGTHENING AND APERIENT PILLS. Mr. WILLIAM RICHARDS, Pittsburgh, Pa., entirely cured of the above distressing disease : His symtoms were, pain and weight in the left side, can be substantiated by the testimonies of various loss of appetite, vomiting, acid eructations, distention of the stomach, sick headache, furred tongue, countenance changed to a citron color, difficulty of breathing, disturbed rest, attended with a cough, great debility, with other symtoms indicating great derangement of the functions of the liver. Mr. RICHARDS had the advice of several physcians, but received no relief, until using Dr. HARLICH's Medicine, which terminated in effecting a perfect cure. Principal Office, 19 North Eighth Street, Philadelphin. Also for sale at the drug store of HENRY YOXTHEIMER,

#### TO THE COMMUNITY.

THE success which has attended the use of Dr. Harlich's German Aperient and Compound strengthening Tonic Pills, 1s truly estonishing. It is no vain boast to say this medicine has proved by its happy effects in the cure of a variety of diseases to which the human frame is liable, to be vastly superior to the many preparations before the public. Many of these preparations are compounded by in-dividuals who are positively ignorant of the mysteries of the human system, and mere pretenders to medical knowledge. Dr. Harlich, however, is celebrated among the German faculty as a man of the highest scientific attainments, and equally distinguished throughout Europe, as a successful medical practitioner, spent most of the years of a useful life in the aquisition of such knowledge as might prove beneficial to his fellow creatures. In the pills which he invented, and which bear his name, the public are assured of an article that possesses more than ordinary virtues. From the acknowledged talents of this inventor, nothing less than a good article could be expected; and the experience of many years has afforded demonstration of the virtues of his medicine. In Germany and other parts of Eu-rope, its r putation is established. In this country into which it has but been recently introduced, it is rapidly gaining the most substantial reputation. The numerous cert ficates of cures of the most obstinate discusses effected by the use of Harlich's Pills, which the proprietor is constantly receiving, is proof of the fact. Day after day he receives new testimonials of their efficacy, and week after week increases the demand for them. This is not mere assertion ; in-numerable certificates are open for the inspection of the public, and the doubts of any who are skeptical, can be removed by examining them at the office of the proprietor.

We take the liberty, then, of suggesting to every family, that they make use of Dr. Harlich's Pills. Let them keep a supply constantly on hand, to be used when occasion demands, and they will receive the most unequivocal proofs of utility.-Medical Definer.

HEPATITIS, OR LIVER COMPLAINT. Liver complaint is described to be of two forms, viz ; Acute and Chronic, which are different in their seat and character, and are produced from ulcers on the Liver, which is deseased on the surface or in the centre. In the former, the patient is attacked with sudden pain, in the region of the Liver, so severe tient cannot bear to turn or lay on his left side from the pressure exerted in that position of the inflamed organs. The latter may go on in such a manner that the first symtoms of Liver Complaint are those which mark the occurrence of suppuration. The Acute and Sub-acute varieties, slmost always commence with some chilly feelings succeeded by heat of the skin, fevered tongue, having a yellowish appearance. Irregular state of the bowels, costiveness, countencance changes to a pale or citron color, or yellow like those afflicted with jaundice, difficulty of breathing, disturbed rest, attended with cough, feverish symtoms, a dry and parched skin, difficulty of lying on the right side, urine scanty and high colored, the patient passes many bad nights and is frequently troubled with Diarrhosa, Tenasmus and Piles, nauses and vomiting, and has a considerable thirst. When the inflammation affects the peritoneal cost of the Liver the pain is much more intense and the fever higher than when confined to the Liver. In chronic affections it is uncertain in its termination ; the pain is intense, attended occasionally with feverish symtoms, a dry and parched skin, rregular bowels, sallow countenance. frequent attacks of juandice, the tongue is scarcely ever free from yellow fur, the appetite bad, and a corruption attacks the face and back, behind the shoulders, &c. DR. HABLICE's Compound Strengthening Tonic and Aperient German Pills, will, in a majority of cases, produce a perfect cure, and if used at the very onset of affliction will in every case arrest the disease. This is not merely theory but fact, which

May 1, 1841. Agent THE CAUSE OF DISEASE.

Nearly all classes of disease, are caused by some obstruction in the system, which prevent the regular and wholesome operation of the animal func-tions. This state of the system, is disease, which is manifested in a variety of forms, more or less malignant in their character. #### PRINCIPAL REASONS

Why Dr HARLICH'S Compound Strengthening and German Aperient Pills are used by all classes of people, in preference to other Medicines, because they are prepared from a pure extract of herbs, a wholesome medicine, mild in its operation and pleasant in its effect—the most certain preserver of health, a safe and effectual cure of Dyspepsia or Indigestion, and all stomach complaints, a preserver. and putifier of the whole system.

Because they southe the nerves of sensibility and fortify the nerves of motion, imparting to their most subtle fluid its pristine tone, thus giving strength and clearness of mind.

Because they never destroy the coats of the stomach and bowels, as all strong purgatives do.

Because science and experience teach us that no mere purgative alone will cure the disease of the stomach and nerves. Weakness is the primary cause of a host of diseases, and, by continually resorting to Drastic purgatives, you make the disease much worse, instead of 'setter. Because Dr. Harli n's Medicines are put up up-

on the common sinse principle, to "cleanse and strengthen," which is the only course to pursue to effect a cure .- - Lastly,

Because these Medicines really do cure the discase for which they are recommended. Principal Office for the United States, is at No. 19 North Eirjath street, Philadelphia.
