

stones." The main thing is, the McKinney men and the Horton men are disappointed, and rather than see Montgomery, the man who was fairly nominated, elected, they would sacrifice Capt. John McKinney, divide the Democratic party, and elect Gen. H. Frick. All those who are friendly to D. R. Porter, should consider the consequence before they leap. A SNUFFTOWN DEMOCRAT.

#### THE NOMINATION.

A writer who signs himself "A Republican" is pouring forth most piteous lamentations through the columns of the "Ledger," and the "Gazette," about the nomination of David B. Montgomery for the Legislature. He charges the candidate with treachery, and the convention with a dark and wicked plot to secure his nomination!! Let us inquire briefly into the truth of these ridiculous charges, and the object in thus magnifying so small an affair into one of serious importance. There were four candidates before the convention, neither of them having a majority when the convention met, but a large majority of the delegates came to Sunbury with a firm determination that Jesse C. Horton should not be nominated, and willing to yield their preferences for their particular candidate, in order to secure this object. In this one purpose there was a perfect union of sentiment. Among the majority, however, they differed as to the person who should be finally nominated. With this understanding the balloting commenced, and the friends of Gearhart and McKinney, finding after six ineffectual ballots that the majority would not unite on either of these gentlemen, cast their votes for Mr. Montgomery, and thus effected his nomination. Is there anything in this that deserves the name of "a dark and wicked plot?" Was it not done in the presence of a crowd of lookers on, and has not the same thing been done over and over again by our county conventions? Was not Gov. Porter nominated in 1838 by the friends of some twenty other candidates uniting upon him! Who thought of calling that transaction a dark and wicked plot? The man who applies such language to the proceedings of the late county convention, either does not understand the meaning of terms, or deserves to be treated as a simpleton.

But, says the writer, Mr. Montgomery has expressed himself in favor of Mr. McKinney. So he had, and so he did at the convention, but the delegates did not choose to nominate him. Were they on that account to be prevented from uniting on Montgomery? McKinney, however, told the Turbot delegates just before the balloting began, that he would as lief see Montgomery nominated as himself, and if they could not get him nominated, they should go for Montgomery, and to go for any body rather than have Horton nominated. They did do just as he wished, and yet these newborn and pretended friends of McKinney cry, "oh, the horrid treachery of Montgomery!" What ridiculous nonsense this is. The real object of all this outcry is to divide the party and elect Gen. Frick, and comes from the very persons who opposed McKinney, and endeavored to cajole the people, and bribe the delegates to nominate Horton. I told the people last fall that the object of Horton in getting himself elected, was to vote money into his own and the pockets of active friends, who were chiefly contractors, to launch the State into the further expenditure of millions, and thus afford them the opportunity for more plunder; that to secure this object, he would vote for giving the banks more time, or any other project. My predictions have been verified by his acts. These same men wished to elect Horton again for the same purpose, and failing in that, they turn their eyes upon Gen. Frick as a fit person to accomplish their object. But to elect him they must contrive to distract and divide the democratic party. Hence all this talk about treachery in Montgomery and fraud in the delegates. They have imposed upon McKinney, who is a simple hearted, honest old man, and a few of his neighbors. Further than this, their endeavoring to elect Frick and their treachery to the party, has not, and will not have any effect.

#### PLAIN TRUTH.

**Democratic Meeting.**  
In accordance with public notice, a meeting of the Democratic party of Shannock township, was held at the house of Felix Lerch, Esq., in Snufftown, on Saturday, the 4th of September, inst., for the purpose of expressing the opinion of the democrats of said township, on the approaching election.

The meeting was called to order by H. H. Teats, Esq., when the following gentlemen were appointed officers, viz: GEORGE MILLER, President, JOHN SMITH, PETER SCROLL, SR., ABRAHAM KLAKE, and PETER SCHWENK, Vice Presidents. F. P. Schertz, Secretary, Matthias Lewis, and Alexander Watts, Assistant Secretaries.

The object of the meeting being stated by the President, when, on motion, the following gentlemen were appointed a committee to draft resolutions for the consideration of the meeting, viz: H. H. Teats, Esq., Jonathan Woolverton, Jacob Hass, Michael Taylor, Felix Lerch, Esq., D. N. Lake, Emanuel Zimmerman, Jacob Scholl, Christian Bauschling, Lewis Taylor, Conrad Yost, Reuben Snyder, Charles E. Alexander, Jacob Miller, Isaiah Miller, Jr., John Hafer, Jonathan Kerchner and Michael Diminich.

The committee, after an absence of half an hour, returned and reported the following resolutions, which were read, separately, by the Secretary, and unanimously concurred in by the meeting, viz:

**Resolved,** That we are now, as heretofore, deeply impressed with the conviction, that our well tried Democracy, is the only safe-guard of American Independence.

**Resolved,** That it is the sincere belief of this meeting, that the election of David R. Porter, as Governor of the Commonwealth, is indispensable to the future welfare of the "Keystone State," and that we will support him with as much real satisfaction as some of us, and our forefathers did the good SIMON SNYDER.

**Resolved,** That we, unhesitatingly, denounce the McEwensville meeting as a sly, underhanded trick of one or two disappointed politicians, to create a division in the democratic ranks, for the dark pur-

pose of securing the election of Gen. Frick, the whig candidate.

**Resolved,** That last fall some of us did support the McEwensville nominee, and he was elected; but this fall a convention of delegates from every township in the county met, were duly organized, and formed a TICKET to be supported by the Democratic party, which was not the case last fall; for at that time the convention adjourned without making a nomination for member of Assembly.

**Resolved,** That we view with feelings of sincere regret, the move made to divide the Democratic party. That the meeting at McEwensville was unwise, unjust and impolitic; and that it meets with our unqualified disapprobation.

**Resolved,** That we will use our utmost exertions to secure the re-election of Gov. PORTER; because he has firmly adhered to the principles of Democracy; and because we believe the liberty of the people would not be safe in the hands of Banks, Stevens, Burrows, Penn and others, heroes of the BECKSTON WAR.

**Resolved,** That we believe it to be the duty of all true and genuine democrats, to support the nominations of the party! And any attempt to disorganize and divide the party, is the business of federalists only, with a view to the election of one of their men; which "lurking serpent" ought not to be even thought of in the staunch democratic county of Northumberland.

**Resolved,** That the Democrats of good old SHAMOKIN will stand firm and united in the support of David B. Montgomery, the democratic candidate for Assembly, against the candidate of the federalists and the volunteer candidate of a few canal officers and contractors; Bank-suspension and Shipplaster Democrats.

**Resolved,** That the effort to let a federalist into the Legislature from this county, by means of running a volunteer candidate, will end in nothing but the defeat and mortification of the volunteer and his supporters.

**Resolved,** That the delegates who pledge themselves to support the nominations, and then fly the handle, are not to be trusted!

**Resolved,** That we cannot, nor will we, countenance any measure, which may in any manner whatever, have a tendency to disturb the harmony of the Democratic party.

**Therefore, firmly Resolved,** That we will support the ticket, the whole ticket, and nothing but the TICKET.

And further **Resolved,** That JOHN TYLER, President of the United States, deserves the thanks and plaudits of this independent nation, for his veto on CLAY'S "Fiscal Agent."

**Resolved,** That the proceedings of this meeting be signed by the officers, and published in the "Sunbury American," "Sunbury Gazette," and "Danville Intelligencer."

GEORGE MILLER, President.

JOHN SMITH, PETER SCROLL, SR., ABRAHAM KLAKE, PETER SCHWENK, V. Presidents.

Of the efficacy of Dr. Harlick's Celebrated Medicines.

The following certificate was sent by Mr. E. B. Hinman, agent at Cincinnati, Ohio. There can be no mistake in it, as the parties are well known.

Mr. Ezekiel Rigdon, of Anderson township, Hamilton county, Ohio, was several days troubled with bilious affections, acidity of the stomach, attended with the usual symptoms of dyspepsia, and having made trial of various medicines without finding relief, was cured by the above medicines.

Attest,

Cincinnati, June 30th, 1840.

**YET LATER.**—Mr. Vance, of Washington county, writes as follows:—Dear Sir—Dr. Harlick's pills are performing some of the most wonderful cures in this vicinity ever heard of. By one of my neighbors, who bought a half dozen packages from the Pittsburg office. I am aware of four cases in this place where complete cures have been performed, one of severe rheumatism, two of dyspepsia, and one of a most shocking and aggravated nervous complaint, of ten or twelve years standing. I send you enclosed five dollars; please to forward pills for that amount by the bearer, William Ward.

Attest,  
JOHN VANCE.

#### WINSLOW'S BALSAM OF HOREHOUND.

AN unparalleled remedy for common Colds, Coughs, Asthma, Influenza, Whooping Cough, Bronchitis, and all diseases of the Breast and Lungs, leading to consumption; composed of the concentrated virtues of Horehound, Balm, Blood Root, Liverwort and several other vegetable substances. Prepared only by J. M. WINSLOW, Rochester, New York.

The innocuous and universally admitted medicinal virtues of the Herbs from which the Balsam of Horehound is made, are too generally known to require recommendation; it is therefore only necessary to observe that this Medicine contains the whole of their medicinal properties, highly concentrated, and so happily combined with several other vegetable substances, as to render it the most speedy, mild and certain remedy, now in use, for the complaints above mentioned.

The Balsam removes all inflammation and soreness of the Lungs, loosens tough viscid phlegm, enabling the patient to expectorate with ease and freedom, assuages cough, relieves asthmatic and difficult respiration, heats the injured parts, opens the pores, and composes the disturbed nerves, and gives strength to the tender lungs, and thus produces a speedy and lasting cure.

INGRATITUDE IS THE BASEST CRIME IN MAN.—We are not among that class of Editors who for a few dollars will, (at the expense of truth and honesty) "crack up" an article and bring it into rapid sale; neither are we willing to remain silent, after having tested the utility of an improvement or discovery in science or art.—Our readers will recollect we told them we were unwell with a sore throat and violent cold some weeks ago. Well, we purchased two bottles of WINSLOW'S BALSAM OF HOREHOUND, and so sudden was the cure, that we forgot we ever had a cold. Those who are afflicted, may try it upon our recommendation.

#### LOOK AT THIS MACHINE AGAINST THE WORLD.

**IMPORTANT TO FARMERS.**  
DAVENPORT'S Improved Patent Threshing Machine and Horse Power, which threshes and cleans at the same time—an invention for which Farmers have long looked in vain, and which renders the above Machine perfect and fast further improvement. Those who have been waiting for something better than heretofore offered for sale, will find this to be the article. Come see it and judge for yourselves.

The subscribers have purchased the right of the above Machine and Horse Power, for the counties of Northumberland and Lycoming, Cameron, and Union—and also, the privilege of vending them in any other places for which the right has not been previously sold.

The advantages which this Machine has over all others invented are many and obvious. One boy and three men can do all the thrashing and cleaning of 150 bushels of wheat in one day—and this usually takes seven hands one day and three the next. For field thrashing it takes the lead of anything in this world—no grain is scattered or lost.

Such is the superiority of the Horse Power, that three horses can thresh as much with it as four can with any other.

The Machines and Horse Power will be sold together or separate, to suit purchasers. Made and sold in Milton, by the subscribers.

WM. H. POMP,

#### RECOMMENDATION.

THRESHING & WINNOWER MACHINE.

Having had in use, one of Davenport's Patent Threshing and Winnower Machines, and being repeatedly called upon for our opinion in regard to their value, durability and advantages, we make free to state, that they exceed in our opinion, any Threshing Machine we ever before witnessed in use. They will thresh and clean, fit for market 200 bushels of Wheat per day, and this with the aid of three hands besides the driver. The Straw is passed off from the grain on an incline plane, extending about 12 feet from the Machine. Scarcely a grain is lost. What is of some importance and greatly so, is the fact that no dust passes from the Machine to the man who feeds it. The Horse power seems to be perfect itself—three horses may work it with ease and their fastest gait need only be the ordinary plough gait. We most cheerfully recommend the Machine to Farmers; they are manufactured in Milton, by Messrs. Welch, Pump and Frick.
