**WORLD IN A MINUTE  
HOREHOUND**

AN unparelleled remedy for common Colds, Coughs, A-thous, Influenza, Whooping Cough, Bronchitis, and all diseases of the Breast and Lungs, leading to consumption; composed of the concentrated virtues of Horehound, Bonset, Blood Root, Liverwort and several other vegetable substances. Prepared only by J. M. WINSLOW, Rochester, New York.

The Innocence and universally admitted peculiar virtues of the Herbs from which the Balm of Horehound is made, are too generally known to require recommendation; it is therefore only necessary to observe that this Medicine contains the whole of their Medicinal properties, highly concentrated, and so happily combined with several other vegetable substances, as to render it the most speedily and certain remedy, now in use, for the complaints above mentioned.

The Balm removes all inflammation and soreness of the Lungs, loosens tough viscid phlegm, enabling the patient to expectorate with ease and freedom, assuages cough, relieves asthmatic and difficult respiration, heals the injured parts, opens the pores, and composes the disturbed nerves, and gives strength to the tender lungs, and thus produces a speedy and lasting cure.

**LOOK HERE! THIS MACHINE AGAINST THE WORLD.**

**IMPORTANT TO FARMERS.**  
DAVENPORT'S Improved Patent Threshing Machine and Horse Power, which threshes and cleans at the same time—an invention for which Farmers have long looked in vain, and which renders the above machine perfect and past further improvement. Those who have been waiting for something better than heretofore offered for sale, will find this to be the article. Come see it and judge for yourselves.

Such is the superiority of the Horse Power, that three horses can thresh as much with it as four can with any other.

**RECOMMENDATION.**  
THRESHING & WINNOWER MACHINE  
Having had in use one of Davenport's Patent Threshing and Winnowing Machines, and being repeatedly called upon for our opinion in regard to their value, durability and advantages, we make, free to state, that they exceed in our opinion, any other Threshing Machine we ever before witnessed in use.

**TO THE COMMUNITY.**

THE success which has attended the use of Dr. Harlich's German Aperient and Compound Strengthening Tonic Pills, is truly astonishing. It is no vain boast to say this medicine has proved by its happy effects in the cure of a variety of disease to which the human frame is liable, to be vastly superior to the many preparations before the public.

The Innocence and universally admitted peculiar virtues of the Herbs from which the Balm of Horehound is made, are too generally known to require recommendation; it is therefore only necessary to observe that this Medicine contains the whole of their Medicinal properties, highly concentrated, and so happily combined with several other vegetable substances, as to render it the most speedily and certain remedy, now in use, for the complaints above mentioned.
