Five companies of the 2d regiment U.S. Infantry passed through Albany on Wednesday on their way to the lines. They are commanded by Col. Riley, and are as brown almost as the Seminoles whom they had been among. They are destined for Buffalo, Plattsburg and Oswego.

BREACH OF PROMISE.—At Lockport, N. Y, last week, a Miss Webster, of Hartford, Ct. obtained a verdict of \$2,000 damages against a young man of the former place for a breach of marriage promise.

IN ADVANCE OF THE MAIL -- A Wisconsin paper says, "We learn from a foot passenger just arrived, that the mail may be expected in the course of next week.

An Irishman observed of Alsace, where excellent wine costs only twenty sous the bottle, that "it was just the place where a prudent man might drink himself rich!"

Some love Strong Rum. AIR- Some love to roam. Some love strong Rum or the Ale's white foam, When the bung-hole whistles free: And for right good cheer some tipple beer, But the limpid stream for me. To the forest shade or the mountain glade, So cheerfully forth I go. To drink my fill at the gurgling rill, When the sun is sinking low.

In the stream I did dip my glowing lip, And the cooling draught pour in I ask no spring of brandy sling, Or toddy made of Gin-For what nature gave I only crave The fount that gurgles free:

The greenwood trees, a cooling breeze, And a limpid stream for me. Begone, Vile Rum.

Atu-Begone, dull care.' Begone, vile rum, I prithee begone from me, Begone, vile rum, thou and I shall never agree, Long time hast thou destroyed my home, And fain thou wouldst me kill, But, thou monster, demon rum, Thou never shalt have thy will.

Too much wine will make a young man run mad, And too much gin an old man nely and sad The pledge is signed, my wife shall sing, And happy pass the day : Cold water is one of the sweetest things To banish grief away.

LIFE IS MOTION, AND DEATH IS STAGNATION. -The Ocean remains pure so long as the winds continue to agitate and promote a circulation throughout its component parts: but in protracted calms, the mighty deep has been known to putrify from stagnation, emitting affluvia sufficiently noxious to destroy animal life. Such is the state of the humors of the human body that is deprived of exercise, and nothing can restore to a state of purity its stagment and corrupt fluids save powerful evacuations with a medicine that shall act as an assistant of Nature, and consequently in accordance with the human constitution. And such a medicine is Brandreth's Vegetable Universal Pills : experience proves it; because these pills are known by the experience of thousands, to perfectly cleanse the bload from all foulness, remove every morbid tions to perfect health and vigor.
