The best method for the Abolition of Disease ROSE OINTMENT, WEAVER'S HOTEL, FOR TETTER.

RINGWORMS, PIMPLES ON THE PACE, AND OTHER CUTANEOUS EXCIPTIONS

The following certificate describes one of the most extraordinary cures ever effected by any

application. PRILABELERIA, Pebruary 10, 1838. FOR twenty years I was severely afflicted with TETTER on the Face and Head: the disease commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst-the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many at plications, (among them several celebrated preparations) as well as taking inward remedies. neloding a number of bottles of Stenim's Panacca. Extract of Sarsaparilla, &c. In fact it would be impossible to enumerate all the medicines I used. was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despitted of ever being the above painful maladies. From three to six of cured. In the fall of 1836, the disease at the time said Indian Vegetable Pills taken every night go-being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis,) a bew applications the violent itching ccased, the swelling abased, the cruption began to disappear. and before I had used a jar the disease was entirely DY. For the same reason, when, from sudden cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the sears from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction. who will call on me. At the time I commenced using the Rose Ointment I would have given hundreds of dollars to be rid of the disease. Since using it, I have recommended it to several persons, (among them my mother, who had the disease badly on her arm,) who were all cured by it.

JAMES DURNELL, No. 156, Race St. The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race streets, Philadelphia, and sold on agency in Sunbu-H. B. MASSER, May 14th, 1842.

Rose Gintment, for Tetter. A PROOF OF ITS EFFICACY.

PHILADELPHIA, May 27th, 1839. INIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I spplied to a carious without effecting a core. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years. MEDICAL APPROBATION
Of the ROSE OINTMENT, for Tetter. A LTHOUGH the superiority of the preparation over all others is fully established, the proprietors take pleasure in laying before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania. Dr. Baugh, having found in this remedy that relief for a tedious and disagreeable affection which the means within the range of his profession failed to afford, has not hesitated to give it his approbation, although the prejudices and interests of that profession are

proced to secret Remedies. PHILAUELPHIA, Sept. 19, 1836. I was recently troubled within tedious herpetic eruption, which covered pearly one side of my face, and extended over the ear. Mr. Vaughan, propriefor of the Rose Ointment, observing my face, mais ted on my trying his preparation, of which he handed me a jar. Although in common with the members of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the public by ignorant pretenders, I feel in justice bound to except the Rose Ontment from that class of medicines, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications. WINSLOWS BALSAMO HOREHOUND

Prepared only by J. M. WINSLOW, Rochester, New

The innocence and universally admitted pectoral virtues of the Herbs from which the Balsam of Harehound is made, are too generally known to require recommendation; it is therefore only necessary to observe that this Medicine contains the whole of their Medicinal properties, highly concentrated, and so happily combined with several other vegetable substances, as to render it the most speedy, mild and certain remedy, new in use, for the complaints above mentioned

The Balsam removes all imflammation and soreness of the Lungs, loosens tough visid phlegm, enabling the patient to expectorate with ease and freedom, assuages cough, reheves athmatic and difficult respiration, heals the injured parts, opens the pores, and composes the disturbed nerves, and gives strength to the tender lungs, and thus produces a

speedy and tasting cure.

INDRATUTUDE IS THE BASEST CRIME IN MAN. We are not among that class of Editors who for a few dollars will, (at the expense of truth and honesty) "crack up" an article and bring it into rapid sale; neither are we willing to remain silent, after having tested the utility of an improvement or discovery in science or art .- Our readers will recollect we told them we were unwell with a sore throat and violent cold some few weeks ago. Well, we pur-chased two bottles of WINSLOW'S BALSAM, OF HOREHOUND, and so sudden was the cure. that we forgot we ever had a cold. Those who are afflicted, may try it upon our recommendation.

More Proofs Of Dr. Harlich's Compound Strengthening To-

nie and German Aperient Pills. R. JOHN ROBERTSON, of Columbia county Ohio, is happy to state to the afted the great benefits be received from the use of these invaluable medicines. Being afflicted for five or six years with a Bilious and Nerrous affection and its natural consequences, during which time I procured many in digines, but always found them to aggravate the diseases in a greater measure. Seeing these medicines performing cures on many of my friends, I was induced to give them a trial. Happy am I to say that the good results were soon visible which entirely cared me of that dreadful and peace-de-traying disease. I really hope that those similarly affected will see the necessity of quitting the use of such vile and drastic compounds as some that appear in the public prints, which I am fully persuaded almost cost my life, besides bringing on the piles, which far nove increased my diseas. These medicines are tru-

Important Warning,

To those who neglect a Cold. I T is as dent, and decided by the most experienced physicians, that Consumerion is mostly suconraged by a neglect of a Cold at the first attack, How many persons are there that put off from time to time procuring a suitable medicine, until the disease begins to assume a serious character, when in all probability they are past the p wer of medical aid. May these lines prove a warning to those afflicted with the first symptoms of Consumption, that they may immediately use Dr. Descan's Ex-PECTORANT, REMEDY, which is expressly for diseases of the Respiratory System. It is certain to remove a Cough in a few days, at the same time relieving the pain in the side and breast, and arresting the progress of that fatal disease - Consumption ? The Expectorant Remedy has a decided advantage over all other preparations. It is entirely free from Opium, and all other violent Narcotics. It regus
