

THE PEOPLE of Northumberland county, and especially our democratic friends, have presented to them for their support, a ticket composed of unwavering friends of their best interests—men of long and well tried respectability of character. These men they are asked to support. They are honest, efficient and trustworthy; and because they are the nominees of the REGULAR DEMOCRATIC county convention.

Do not permit the cry of corruption in the delegate system; because the candidates who are out as volunteers, are those who submitted their claims before the people, and before the delegates who assembled in the county convention in the borough of Sunbury, for the county of Northumberland, for the purpose of forming a county ticket. Those volunteer candidates, who offer themselves and are now the candidates before the people of Northumberland county, are no other than the candidates who asked from the county convention a nomination at their hands, and not having a majority of the delegates assembled in the convention, were not nominated. This is the disorganizing conduct of three or four of the unsuccessful candidates, heretofore priding themselves on their democracy—offering themselves to the Democratic convention for nominations on account of that Democracy—boasting in all high places of their devotion to its cardinal principles, and then suddenly taking it into their wise heads to break down or reform the delegate system, because they were not nominated by the delegates who represented the wishes of the People. Then let the Democratic voters of Northumberland county refuse to countenance Volunteer Candidates. We must rely upon Democratic Candidates and Democratic PRINCIPLES, and support the Democratic CANDIDATES FOR OFFICE. We elected our delegates—they met in county convention—they have nominated a County TICKET—and, as Democrats, we are bound to go for THE WHOLE TICKET. If this be not a fair expression of the will of the party, how is it to be obtained from an election? Then Democrats of Northumberland county, will you shun at your posts? The entire support of the regularly nominated candidates will insure the triumph of Democracy. Every candidate upon our county ticket is an unflinching Democrat.

TO THE POLLS! We Democrats of Northumberland county. We have hung our banner on the outward walk, and we are sorely called upon to rally and protect the principles inscribed upon it. Then let us move in solid column to the coming election, and vote the Ticket—the whole Ticket—and EVERY MAN ON THE TICKET!

AN OLD DEMOCRAT.
Sept. 27th, 1842.

Extract of a letter
From a Friend in Turbot Township.
DEAR SIR—The Democrats in this township are determined to stick to the ticket. We have had so much disputing among us lately, that we think the only way to end the quarrel is to stick to the ticket formed by the Delegates. Lake was up here a few days since, electioneering; but he did not make many friends among the Democrats, and a great many whigs won't support him. We all know he had got delegates instructed for him, and the others he got by bargain and sale, and because he could not bargain for enough votes to nominate him, he says he was cheated out of the nomination. He is a queer sort of a Democrat, a man of principle according to his interest. But he will not get such a Democrat but get but very little support among the Democracy of Turbot. Maurer will get upwards of 200 majority here, and the hole ticket will run as high. Mr Jordan has made an excellent and obliging Prothonotary, and we will give him a strong vote. Mr Bright is well known through our township. When he was Prothonotary he made a good officer. He is capable and obliging, and the Democrats here will support him almost unanimously.
Yours, &c.

Extract of a letter
From an old Democrat in Upper Mahony.
UPPER MAHONY, Sept. 22d 1842.
MR. MASSER—We hear that it is reported up to you, that we are not going to support our ticket for Sheriff, Felix Maurer. Now I think it is for you to know that this is not true. We saw him well, for he was raised among us, and had confidence in him. He is a german, to sure, but he speaks and writes English, well, and is commending and obliging, and such a man want. We want a man that can speak English and German both; for we like to do business with a man that talks German, for he understands us. We have never had a high officer from Mahony in the county, and now we have given you a ble and good man, and we want to elect him. few days I have seen a good many people in part, and I can't find one opposed to Maurer, much as I know, he will get 600 majority in Mahony townships.
So much from yours.

DELEGATION DECIDEDLY SUPERIOR TO BLEND—When the properties of Brandt's Vegeto-Universal Pills have been appreciated, bleeding no longer be thought of as a remedy for disease, for in violent inflammation, eight or ten of them take, in the course of two or three hours, more he impure humors from the body, by the stomach and bowels, than bleeding to the extent of five ounces could possibly have done; and it should be remembered that the Pills remove only the parts from the blood which were the cause of inflammation; whereas bleeding removes the vital parts also. How great the preparation of the copious powers after a copious bleeding, the contrary, what agility and strength is felt after a dose of this medicine; the body is indeed vitiated humors with vegetable medicine of this kind, which eighty four years have proved never to injure, but always good. Is the pulse too high? one of these pills will bring it down. Is it too low?—The same means will increase it to a standard. Is it tremulous, showing nervous temperament? The Pills, by soothing the system, allay it.

If you wish to retain the richest blessing, attend early to yourself, whenever you find that your appetite becomes impaired, your bowels constipated or your stomach is affected. Remember—Dr. Harlich's celebrated Medicines. Procure them immediately, and use them according to directions, they will immediately remove these primary symptoms from the system. But if you neglect yourself they will form a host of maladies, such as dyspepsia, liver complaint, indigestion, pain in the side, bilious affections, fevers, &c., which are more obstinate to cure, besides attended with pains and much distress. Dr. Harlich's Medicines will certainly cure all forms of the above mentioned diseases. The patient must, however, not conceive in the latter stages a cure can be performed in a few days or a week. If the medicine had been used at the very first attack, the disease could have been eradicated in much shorter time. The medicine must therefore be used strictly for a fortnight before much decided benefit will be realized. A RELIEVED SUFFERER, Philadelphia, Sept. 31, 1840.
