

To the Democratic Electors of the 12th Senatorial District.

FELLOW CITIZENS:—We the undersigned citizens of Centre county, although we should have preferred the nomination of Centre county man, yet believing that the nomination of Jesse C. Horton, made in fairness and he received the same, without solicitation or pledge, think him entitled to the untroubled support of the whole Democratic party, of this district.

We will therefore give him our hearty support. JOHN HESSEN JOHN HESS GEO. SHENBERGER GEORGE JACK JNO. GILLILAND H. N. McALLISTER CHARLES RANNEY ISAAC RANNEY JONA. SHAPPER CHARLES KURTZ.

To the Democratic party of the 12th Senatorial District. It is certain that we fought and contended for the senatorial nomination in this county. We have been disappointed, but that disappointment will not prevent us from supporting the regularly nominated candidate.

Jesse C. Horton having received the nomination, we will support that nomination heartily and affectionately, and we assure the Democracy of the other counties of the District that "Old Centre" will be found at her usual post, in the front rank of the battle, for regular nominations.

J. W. BURNSIDES W. W. HOUSTON J. M. BENNER WM. PARSONS C CARPENTER T. W. BURNSIDES. H. N. McALLISTER

LOCK HAVEN, Sept. 30, 1842. WILLIAM FORSYTH Esq.—Dear Sir:—The undersigned having a friendly feeling towards you; and among those who desired your nomination by the democratic conferees, after Mr. Crawford should be found unopposed to a nomination, feel that their duty now, that the conferees have selected another individual, especially as there are reports in circulation hereabouts, that you will be a candidate in opposition to the ticket. To state to you explicitly though respectfully, that they feel bound to support the election of Mr. Horton, believing that his nomination was fair and perhaps necessary under the circumstances. We therefore most respectfully request you to abandon all hopes of an election, at this time, and magnanimously to withdraw your name, if you have not already done so, from before the public, as the interests of the party require untroubled exertions in support of the ticket. We also believe candidly that no democrat will not support you in opposition to Mr. Horton.

WM. MORRISON, A. S. FLEMING, JOHN MOORHEAD, JOB W. PACKER, JACOB A. PFOUZZ, ALISON WHITE, THO. P. SIMMONS, B. W. MORRISON, JOHN W. WILBUR, J. W. QUIGGLE.

Jesse C. Horton, of Northumberland county, is the regularly nominated candidate for the Senate. There will be no opposition to him except by the enemies of democracy who may seek to divide the party that a whig may be elected. But democrats are not to be guided by these means if they should be attempted.—Lycoming Gazette.

CENTRE COUNTY.—The staunch and unwavering democracy of Centre county, will give the same support to Jesse C. Horton as they would have done had Col. Burnside—their first choice—been the successful nominee. Nothing for men, every thing for the party, and its underlying principles, is their motto. Mr. Horton's majority in Centre county, over all competitors, will be between six and eight hundred—probably more: but at least that.

THE DEMOCRACY of Clinton County have responded to the Senatorial nomination with great unanimity and enthusiasm. In Mr. Horton they recognize a man every way deserving of their support and confidence. A tried and approved democrat—an honest man—talented, capable, and efficient. Clinton has promised to give him a majority at least two hundred, and nobly will she keep her pledged faith.—Lycoming Gazette.

CERIOUS CALCULATION.—The New Orleans Bulletin has quit political speculation, and has taken to mathematics. The last number contains the following calculation: "The number who have lived upon the earth has been estimated at about 27,000,000,000,000,000. This sum when divided by 27,864,000, the number of square miles of land, gives 1,314,522,976, to a square rod, and five to a square foot! Suppose a square rod capable of being divided into twelve grains, each grain would contain a hundred persons, so that the whole earth has been 100 times dug over to bury its inhabitants, supposing they had been equally distributed. Were the bodies laid upon the surface they would cover the land to the depth of 100 feet." The Bulletin asks, where are all these bodies? We answer that they are all existing somewhere, in new modifications of matter, or under new forms. The same particles which formed a portion of the brain of the brightest philosophers, may now compose the substance of a turnip, or be imprisoned in the scarce animated body of a tadpole.

To Sarsaparilla.—Why do Sarsaparilla Men and women use Dr. Brandt's Vegetable Universal Pills in preference to any, and all other medicines? For the following good and substantial reasons: Reason 1st. They are entirely vegetable. 2d. As a purifier of the blood, and cleanser of the stomach and bowels, they stand pre-eminent. 3d. They are the most innocent and invigorating purgative in use. 4th. No care required in using them. 5th. No Change of diet; eat and drink what you please. 6th. The body less liable to cold after than before a dose. 7th. May be taken morning, noon or night, with a certainty of good results. 8th. Time nor climate effect them not. 9th. They give universal satisfaction. All who use them speak in the highest terms of them. Call for them and be converted. Remember, there are genuine sold by Druggists, Doctors, or Apothecaries. Purchase in Sunbury, of H. B. Masser, and the agents published in another part of this paper.

OSAGE WHEAT.—A letter in the Pittsburg Chronicle speaks of a valuable kind of wheat called Osage or many headed wheat, originally produced from the Osage Indians. Mr. Kelly, a practical farmer of Jackson Co. Ohio, has had such experience of its hardy and prolific qualities that he thinks it will yield two hundred bushels to the acre. From Fifty to eighty heads have sprung up from a single grain which he planted, each head containing from one hundred to one hundred and seventy seeds.

Colds, Coughs and their Fatal Consequences. WHEN the vast number that die of that fell destroyer Consumption, we cannot but feel for those who mourn their loss, when we know that regular demonstrations are daily made visible to the public, that Dr. Duncan's Expectorant Remedy will in nine cases out of ten completely eradicate the first symptoms of that fatal disease. Will patients or their nearest friends any longer delay procuring this medicine, with the expectation that the disease will naturally remove itself? The vast number that die annually of Consumption, and the very many of our friends and acquaintances who are dangerously afflicted that must ere long pay the debt of nature, should convince all afflicted that it is best to be rid of the evil and evil seeds as soon as possible, before they take root and "destroy the life," when in the bloom and beauty of health. Always ask for Dr. Duncan's Expectorant Remedy, and let us see you obtain it, as there are some persons base enough to palm some other medicine on those who are not on their guard, which they buy at a very trifling price, at the same time sell it at full price, thus fleeing the afflicted of their money and health. Principal Office, 19 North Eighth street, where the medicine is sold wholesale and retail. For sale at the store of HENRY FOXHEIMER, Oct. 8th, 1842.
