During the long period that I was afflicted with the disease, I used a great many at plications, (among them several celebrated preparations) as well as taking inward remedies. including a number of bottles of Swaim's Panacca. Extract of Sarsaparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis.) In the body from every thing that is opposed to health, a few applications the violent itching crased, the swelling abated, the cruption began to disappear. and before I had used a jar the disease was entirely cutod. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the scars from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my ness, cain in the banes, watery and inflamed eyes, suffering, but I will be ple sed to give a fuller account to any person wanting further satisfaction, who will call on me. At the time I commence ! using the Rose Ointment I would have given hundieds of do late to be rid of the disease. Since using it, I have recommended it to several persons, (among them my mother, who had the disease badon her arm,) who were all cured by it,

PHILADELPHIA, May 27th, 1839. THIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a cations without effecting a cure. About a year since, I applied the Rose Ointment, which entirely arely cured the disease, which there has been no return of, although I had never been rid of it at

Eleventh, below Spruce Street. The Rose Ontment is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sunbury. by H. B. MASSER, May 14th, 1842.

Of the ROSE OINTMENT, for Tetter. over all others is fully established, the proprietors take pleasure in laying before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania. Dr. Baugh, having found in this emedy that relief for a tedious and disagreeable affection which the means within the range of his profession failed to afford, has not hesitated to give it his approbation, although the prejudices and interests of that profession are opposed to secret Remedies.

PHILADELPHIA, Sept. 19, 1836. I was recently troubled with a tedious herpetic tot of the Rose Ointment, observing my face, insteted on my trying his preparation, of which he handed me a jar, Although in common with the members of my prefession, I discountenance and disapprove of the numerous nostrums palmed upon the public by ignorant protenders, I feel in justice bound to except the Rose Ointment from the class of med cines, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications. M. Wisslow, Rochester, New

The innocence and universally admitted pectoral virtues of the Herbs from which the Balsam of Horehound is made, are too generally known to require recommendation; it is therefore only necessary to observe that this Medicine contains the whole of their Medicinal properties, highly concentrated, and so happily combined with several other vegetable substances, as to render it the most speedy, mild and certain remedy, now in use, f r the complaints above mentioned.

The Balsam removes all imflammation and soreness of the Longs, loosens tough visid phlegm, enabling the patient to expectorate with ease and freedom, assurges cough, relieves athmatic and difficult respiration, heals the injured parts, opens the pores, and composes the disturbed nerves, and gives strength to the tender lungs, and thus produces a

s, eedy and tasting cure.
