RINGWORMS, PIMPLES ON THE FACE, AND OTHER

The fullowing certificate describes one of the most extraordinary cures ever effected by any application.

PRILADELPHIA, February 10, 1838. FOR twenty years I was severely afflicted with Tarren on the Poce and Head: the disease commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the emption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst-the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a grea many as plications, (among them several celebrated preparations) as will as taking inward remedies. including a number of bottles of Swaim's Panacea Extract of Sarsaparilla, &c. In fact it would be impossible to enumerate all the medicines I used. I was also under the care of two of the most distinguished physicisms of this city, but without receiving much benefit, and I despaired of ever being In the fall of 1836, the disease at the time being very violent, I commenced using the Rose Ointmeed, (prepared by Vaughan & Davis.) In a few applications the violent itching crased, the swelling abated, the cruption began to disappear and before I had used a jar the disease was entirely cuted. It has now been nearly a year and a half since, and there is not a vestige of the disease to maining, except the scars from the deep juts formed by the disease. It is impossible for me to describe in a certaicate the severity of the disease and my suffering but I will be ple sed to give a fuller account to any person wanting further satisfaction. who will call on me. At the time I commerced using the R se Ointment I would have given bun dieds of dollars to be rid of the disease. Since u sing it, I have recommended it to several persons (among them my mother, who had the disease badly on her arm,) who were all cured by it.

WINSLOW'S BALSAM OF HOARHOUND

A N unparelleled remedy for common Colds, Coughs, Asthma, Influenza, Whooping Cough, Bronchitis, and all diseases of the Breast and Lungs. leading to consumption; composed of the concen-rated virtues of Horehound, Bonset, Blood Root, Liverwort and several other vegetable substances, Prepared only by J. M. Wissiow, Rochester, New

The imprence and universally admitted pectoral virtues of the Herbs from which the Balsam of Horehound is made, are too generally known to require recommendation; it is therefore only necessato observe that this Medicine contains the whole of their Medic tail properties, highly concentrated, and so happily combined with several other vege-table substances, as to render it the most speedy, mild and certain remedy, now in use, for the complaints above mentioned.

The Balsam removes all imflammation and soreness of the Lungs, toosens tough visid phlegm, enabling the patient to expectorate with ease and freedom, assuages cough, relieves athmatic and diffis cult respiration, heals the injured parts, opens the pores, and composes the disturbed nerves, and gives strength to the tender lungs, and thus produces a speedy and tasting cure.

INCRATITUDE IS THE BASEST CRIME IN MAN. We are not among that class of Editors who for a few dollars will, (at the expense of troth and hosnesty) "crack up" an article and bring it into rapid sale; neither are we willing to remain silent, after having tested the utility of an improvement or discovery in science or art.—Our readers will recollect we told them we were unwell with a sore throat and violent cold some few weeks ago. Well, we por-chased two bottles of WINSLOW'S BALSAM OF HOREHOUND, and so sudden was the cure, that we forgot we ever had a cold. Those who are afflicted, may try it upon our recommendation. -Lewiston Telegraph. For sale by HENRY YOXTHEIMER, Sunbury,
