## The best method for the Abolition of Disease ROSE OINTMENT, FOR TETTER.

RINGWORMS, PIMPLES ON THE FACE, AND OTHER OUTANEOUS ERUPTIONS.

The following certificate describes one of the most carraordinary oures over effected by any application.

PRILADELPRIA, February 10, 1838. OR twenty years I was severely afflicted with TETTEN on the Face and Head: the disease nmenced when I was seventeen years did, and ortinued until the Fall of 1836, varying in violence, but without ever-disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst-the swelling was se great, that i could senseity get my hat on. During fire long period that I was afflicted with the disease, I used a great many applications, (among them several celebrated preparations) as well as taking inward remedies, including a number of bottles of Swoim's Panacea. Extract of Sarsoparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. I was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being curod. In the fall of 1836, the diarase of the time being very violent, 1 commenced using the Rose Dintment, (prepared by Vaughan & Davis.) In a f-w augheritons the wislest itching crased, the swelling aimed, the cruotion began to disappear. and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the scars from the deep pits formed by the dilease. It is impossible for me to describe in a comficate the severity of the disease and my suff ring but I will be pleased to give a fuller mecount to any person wanting further satisfaction, who will call on me. At the time I commenced using the Rose Ointment I would have given hundreds of dollars to be rid of the disease. Since a sing it, I have recommended it to several persons. (among them my mother, who had the disease badly on her arm,) who were aff cured by it.

JAMES DURNELL, No. 156, Roce St. The Rose Outment is prepared by E. B. sughan, South East corner of Third and Race streets, Philadelphia, and sold on agency in Sunbu-H. B. MASSER, TV. by May 14th, 1842. Agent.

#### Rose Ointment, for Tetter. A PROOF OF ITS EFFICACY.

PRILADILPHIA, May 27th, 1839.

HIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I spplied to a number of physicians, and used a great many applicanons without effecting a core. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediandy cured the discase, which there has been no return of, sithough I had never been rid of it at any time for forty years. RICHARD SAVAGE, Eleventh, telow Spince Street. The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sunbu-H. B. ## WINSLOW'S BALSAM OF HOREHOUND

A N unparelleled remedy for common Oolda, Coughs, Astima, Inituenza, Whooping Cough, Dronchitis, and all diseases of the Breast and Lungs, leading to consumption; composed of the concer-trated virtues of Herchound, Bonset, Blood Root, Liverwort and several other vegetable substances. Prepared only by J. M. Wansuow, Rochester, New York.

The innocence and universally admitted pectoral virtues of the Heros from which the Balsam of Horchound is made, are too generally known to require recommendation ; it is therefore only necessar ry to observe that fin Medicine contains the whole of their Medicinal properties, highly concentrated, and so happily combined with several other vege-table substances, as to render it the most speedy, mild and certain remedy, now in use, for the complaints above mentioned.

The Balsam removes all imilammation and sote ness of the Lungs, lossens tough visid phlegm, enabling the parient to expectorate with ease and free-dom, assuages cough, relieves athmatic and difficult respiration, treats the injured parts, opens the pores, and composes the disturbed nerves, and gives strongth to the tonder lungs, and thus produces a speedy and mating cure.

INGRATITUDE IS THE BASEST CRIME IN MAN-We are not among that class of Editors who for a few dollars will, (at the expense of truth and ho-nessy) "orack up" an article and bring it into rapid sale ; peither are we willing to remain silent, after having tested the utility of an inq rovement or discovery in science or art .- Our readers will recollect we told them we were unwell with a sore throat and violent cold some few weeks ages. Well, we pur-chased two bottles of WINSLOW'S BALSAM OF HOREHOUND, and so sudden was the cure, that we forgot we ever had a cold. Those who are afflicted, may try it upon our recommendation.
