So much having been said about the contracts made by the Canal Commissioners for conveying passengers on the Columbia Railroall, it will perhaps be as well to state the truth of the case, failly. in figures, showing a compatison in parallel columns between the did and new arrangement. The public can then judge more fully the advantages or disadvantages the Commonwealth is likely to experience under the present contract.

The old system of checks Wm. Dewart, dec'd. as a store-room. WILLIAM L. DEWART. and collection has been preserved. The state incurs no additional expense. The contractors are bound to pay over toll error in two weeks, instead of four; and bond has been taken to protect the Commonwealth against contingencies. In a word, whilst this contract reduces 'the liste to 'the travelling public, it produces one third more revenue to the Commonwealth, except on through passengers; and this exception is made to secure travel upon our own state improvements in competition with the Lakes on one side, and the Cumberlant road

on the other, Until this change was made, the charge upon a passenger between Harrisburg and Philadelphia was \$5-new it is reduced to \$3.75, and in a few days the same passenger cars will run through, between the seat of government and Philadelphia, without changing passengers. As guarkisms of the public interest, it was not only proper, but right in the Canal Commissioners to reduce the fare on the Columbia road, and thus induce travel upon it, when so much exettion has made all around us to stap our improvements, and take the travel from us. Jacob Krain, the applicant for the license, is a minu Keyslone.

JUDICIAL OPINION .- Judge Banks, at Reading, has just decided, in the case of George Hassler vs. Daniel Easterly, Sheriff of Berks county, that under the law disslishing imprisonment for debt, no defendant in a case more excepted by the act, can be taken, surrendered and held in imprisonment by virtue of a ball piece, grantell by a Justice of the Peace, though a bait piece is not mentioned in the llaw, its title spirit embraces it.

DESTRUCTION THE TEX SCOOK .- Many persons are in the babit of using German Silver Tea and Table spoons without being aware of their poisonous composition. Some friend of humanity has anounced it composed of emper, precine and mickel, and that it oxydises very espidly in comet with my aecid, and that small particles are taken sinto the stomach, which imperceptibly ast as a clow that sure poison .- Nashville Banner.
