WRIGHT'S INDIAN VEGETABLE PILLS North American College of Health,

Are now acknowledged to be the best Medicine in the World for the cure of EVERY VARIETY OF DISEASE. BECAUSE they completely cleanse the sto-mach and bowels from these billious and corrupt humors which are the cause not only of Headache, Giddiness, Palpitetion of the Heart, Pains in the Bones, Rheumstism and Gout, but every malady incident to man. SAID INDIAN VEGETABLE PILLS are a certain cure for intermittent, remitted, nervous, inflamatory and purrid Fevers, because they cleanse the pody frem those morbid humors, which, when confined to the circulation, are the cause of all kinds of FEVERS. So, also, when the same impurity is deposited on the membrane and muscle, causing pains, inflama-tions and swellings called RHEUMATISM, GOLT, &c. Wright's Indian Vegetable Pills may be relied on as always ertain to give relief, and it persevered with, according to directions will most assuredly, and without fail, make a perfect on e of the above painful maladies. From three to six of said Indiau Vegetable Pills taken every night going to bed, will in a short time so completely rid the body from every thing that is opposed to health, that Rheumatism, Gont, and pair of every description, will be literally DRIVEN FROM THE BO-DY. For the same reason, when, from sudden changes of atmosphere, or any other cause, the perspiration is checked, and the humors which should pass off by the skin are thrown inwardly, causing HEADACHE, GIDDINESS, nausea and sickness, pain in the bones, watery and inflamed eyes, sore throat, houseness, coughs, consumptions, rheumatic pains in various parts of the body, and many other symptoms of CATCHING COLD, Wright's Indian Vegetable Pills will invariably give immediate relief. From three to six of said Pills taken every night on going to bed, will in a short time, not only remove all the above unpleasant symptoms, but the body will, in a short time, be restored to even sounder health than before.

ASTHMA, OR DIFFICULTY OF BREATH-ING .- Wright's Indian Vegetable Pills will loose en and carry off, by the stomach and bowers, those tough phicgmy humors, which stop up all the air cells of the lungs, and are the cause, not only of the above distressing complaint, but when neglected, often terminates in that mo educadful malady called CONSUMPTION. It should be also remembered that Wright's Indian Vegetable Pills are a certain cure for PAIN IN THE SIDE, Oppression, nausen, and sickness, loss of appetite, costivenesa, a yellow tinge of the skin and eyes, and every other symptom of a torpid or diseased state of the liver; course they purge from the body those impurities which if deposited upon this important organ, are the cause of every variety of LIVER COM-PLAINT. When a nation is convulsed by not-, outbreaks and rebellion, the only means of preventing the drendful consequences of a CIVIL WAR. is to expel all traitors, and exil disposed ones from the country. In like manner, when pain or sickness of any kind, indicate that the body is struggling with interval foes, the true remedy is to EX PEL ALL MORBID HUMORS. (Traitors to

health and life.) Health will be the certain result. That the principle of curing disease by cleansing and purifying the body, is strictly in accordance with the laws which govern the animal conomy; and if properly carried out by the use of the above named WRIGHT'S INDIAN VEGETABLE PILLS, will certainly result in the complete Abo-I tion of Disease; we offer the following testimonials, from persons of the highest respectability in New York, who have recently been cured of the most obsticate complaints, solely by the us of Whighir's Indian Vegetants Piets, of the North American College of Health:

The best method for the Abolition of Disease ROSE OINTMENT, FOR TETTER.

RINGWORMS, PIMPLES ON THE FACE, AND OTHER CUTANEOUS ERUPTIONS.

The following errificate describes one of the must extraordinary cures ever effected by any application. PHILADELPHIA, February 10, 1838.

FOR twenty years I was severely afflicted with TETTER on the Face and Head: the discase commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst-the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many applications, (among them several celebrated preparations) as well as taking inward remedies, cluding a number of bottles of Swaim's Panacea, Extract of Sarsaparilla, &c. In fact, it would be appossible to enumerate all the medicines I used. I was also under the care of two of the most disinguished physicians of this city, but without rereiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis.) In a few applications the violent itching censed, the swelling abuted, the cruption began to disappear, and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half in a certificate the severity of the disease and my | labels. suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction. who will call on me. At the time I commenced using the Rose Ointment I would have given hundreds of dollars to be rid of the disease. Since using it. I have recommended it to several pursons, among them my mother, who had the discase badly on her arm,) who were all cured by it.

Rose Gintment, for Tetter. A PROOF OF ITS EFFICACY.

PHILADELPHIA, May 27th, 1839. PHIS is to certify that I was severely afflued with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a number of physicians, and used a great many applications without effecting a core. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years. RICHARD SAVAGE, Eleventh, below Spruce Street.

MEDICAL APPROBATION Of the ROSE OINTMENT, for Tetter.

LTHOUGH the superiority of the preparation over all others is fully established, the proprieors take pleasure in laying before the public the ollowing certificate from a respectable physician. graduate of the University of Pennsylvania, Dr. Baugh, having found in this remedy that relief for within the range of his profession faded to afford. has not hesitated to give it his approbation, although | ed to apply to the rulectillet. the prejudices and interests of that protestion are apposed to secret Remedies.

PRILADELPHIA, Sept. 19, 1836. I was recently troubled with a tedious herpetic eruption, which covered nearly one side of my face, or of the Rose Ointment, observing my lace, insteted on my trying his preparation, of which he hatided me a jar. Although in common with the members of my prefession, I discountenance and disapprove of the numerous nostrums palmed upon the ublic by ignorant pretenders, I feel in justice bound to except the Rose Ointment from that class of melicines, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications.
