EUROPE, ASIA, AFRICA AND NEW HOLLAND.

My whole is a proverb, frequently quoted, but seldom practiced.
CORRUPTION.—Pain cannot exist but from corrupt particles being seated on the identical part where the pain is experienced. These corrupt particles, when in great quantity, are the positive cause of death.
It is a solemn truth that corruption terminates the existence of all created beings and the importance of its speedy removal from the body is of incalculable value. The most sure and speedy way to remove corruption or any other infirmities to which the human frame is liable, no medicine has been found so effectual as Brandreth's Universal Vegetable Pills.
They will, if used during the prevalence of any cause for disease, entirely prevent fatal results,—because they remove from the stomach and bowels any morbid matters generated from any cause whatsoever, whether those causes be from impure air, or food which disagrees with the body.
Purchase of H. B. Masser, Sunbury, or of agents published in another part of this paper.

FOR THE AMERICAN.
Assembly.
Mr. Masser.—The Democracy of Northumberland county will soon be called upon to make choice of a candidate for the next Legislature, and as there have been several worthy men presented for their consideration, permit us through the medium of your valuable paper, to offer EDWARD Y. BURNETT, of the Borough of Sunbury, as a candidate for that important situation. In presenting Mr. Bright to the Democracy of Northumberland county, we have no hesitation in saying, that among the best of candidates that will be brought into the field, one to whom the interests of the people could more safely be confided, cannot be found. Mr. Bright has resided for a long time among us, and is well acquainted with the wants and wishes of the people. He is a man of excellent business habits, industrious and capable—possessing a sound knowledge of the Internal Improvement System, and if elected will fearlessly and faithfully perform his duty.
MANY.

FOR THE AMERICAN.
Assembly.
Mr. Editor.—Seeing that candidates for the different offices are being brought forward, we would offer Mr. PETER PURSEL, of Sunbury, for the Legislature. Mr. Purse is favorably known to the citizens of this county. He has long labored in the ranks of Democracy, never failing to render every assistance to further the interests and welfare of our party. Should our fellow citizens think proper to elect him to be their representative, we are certain he will not give them cause to regret their choice.
