E B mach and howels from the se billious and cor-Hendache, Giddinesa, Palpitation of the Heart, lence, but without ever disappearing. During most Pains in the Bones, Rheumatism and Gout, but every malady incident to man, SAID INDIAN par VEGETABLE PILLS are a certain cure for in- ing; my head swelled at times until it felt as if it par termittent, semitted, nervous, inflamstory and purid Fevers, because they cleanse the pady from those scarcely get my hat on. During the long period par morbid humors, which, when confined to the circupar Istion, are the cause of all kinds of FEVERS. So, also, when the same impurity is deposited on the per membrane and muscle, consing pains, inflamations and swellings called RHEUMATISM, GOI T, & c, Wright's Indian Vegetable Pills may par be relied on as always ertain to give relief, and if persevered with, according to directions will most tinguished physicians of this city, but without reassuredly, and without full, make a perfect cu e of ceiving much benefit, and I despaired of over being the above painful maladies. For the sime reason, when, from sudden cured. It has now been nearly a year and a half changes of atmosphere, or any other cause, the perspiration is checked, and the humors which should es off by the skin are thrown inwardly, causing HEADACHE, GIDDINESS, namea and sick- in a certificate the severity of the disease and my ness, pain in the bones, watery and inflamed eyes, soft ring, but I will be pleased to give a foller sesore throat, hoarsenes, coughs, consumptions, rheumatic pains in various parts of the body, and many other symptoms of CATCHING COLD, Wright's Lodian Vegetable Pills will invariably give immediate relief. From three to six of said Pills taken every night on going to hed, will in a short time, not only remove all the above unpleasant symptoms, but the body will, in a short time, be restored to even sounder health than before.

It should be also remembered that Wright's Indian Vegetable Pills are a certain

cure for PAIN IN THE SIDE, Oppression, nausig, and sickness, loss of apprine, costivenesa, a yellow tinge of the skin and eyes, and every other symptom of a torpid or diseased state of the liver; because they purge from the body those impurities which if deposited upon this important organ, are the cause of every variety of LIVER COM-PLAINT. When a nation is convulsed by riot. outbreaks and rebellion, the only means of preventing the dreadful consequences of a CIVIL WAR. is to expel all traitors, and evil disposed ones from the country. In like manner, when pain or sickness of any kind, indicate that the body is struggling with internal foes, the true remedy is to EX PEL ALL MORBID HUMORS, (Traitors to health and life,) Health will be the certain result. That the principle of curing disease, by cleansing

and purifying the body, is strictly in accordance with the laws which govern the animal economy; and if properly carried out by the use of the abov named WRIGHT'S INDIAN VEGETABLE PILLS, will certainly result in the complete Abolition of Disease ; we offer the following testimonials, from persons of the highest respectability in New York, who have recently been cured of the most obstinute complaints, selely by the use of WRIGHT'S INDIAN VEGETABLE PILLS, of the North American College of Health :

CUTANEOUS ERUPTIONS. () The following certificate describes one of the most extraordinary cures ever effected by any application.

PRILIDELENIA, February 10, 1838. FOR twenty years I was severely afflicted with TETTER on the Face and Head: the disease humors which are the cause not only of continued until the Fall of 1836, varying in vio of the time, great part of my fice was covered with the eruption, frequently attended with violent itchwould burst-the swelling was so great, that I could that I was afflicted with the disease, I used a great many at plications, (among them soveral celebrated preparations) as will as taking inward remedies. including a number of bottles of Swaim's Panacea. Extract of Sarsoparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. I was also under the care of two of the most discured. In the fall of 1836, the disease at the time swelling abated, the cruption began to disappear, since, and there is not a vestige of the disease remaining, except the sears from the deep pits formed by the discuss. It is impossible for me to describe const to any person wanting further satisfaction, who will call on me. At the time I commenced using the R-se Ointment I would have given hundreds of dollars to be rid of the disease. Since using it. I have recommended it to several persons. (among them my mother, who had the disease badly on her non.) who were a leared by it. JAMES DURNELL, No. 156, Race St.

> Rose Ointment, for Tetter. A PROOF OF ITS EFFICACY.

PHILADLLPHIA, May 27th, 1839. PHIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a number of physicians, and used a great many applications without effecting a cure. About a year since, I applied the Rose Olutment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years. MEDICAL APPROBATION

Of the ROSE OINTMENT, for Tetter. A LTHOUGH the superiority of the preparation over all others is fully established, the proprietors take pleasure in laying before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania. Dr. Baugh, having found in this remedy that tolief for a tedicus and disagreeable affection which the means within the range of his profession failed to afford has not hesitated to give it his approbation, although the prejudices and interests of that profession are opposed to secret Remedies.

PHILADELPHIA, Sept. 19, 1836. I was recently troubled with a tedious herpetic cruption, which covered nearly one side of my face, and extended over the ear. Mr. Vaughan, propriefor of the Rose Ointment, observing my face, inst ted on my trying his preparation, of which he handed me a jar. Although in common with the members of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the public by ignorant pretenders, I feel in justice bound to except the Rose Ointment from that class of medicines, and to give it my approbation, as it entirely cured the eruption, while ough it had resisted the usual applications.
