OAKLEY'S

DEPURATIVE SYRUP. THE valuable properties of Oakley's Depura-tive Syrup of Sarsaparilla, as a purifier of the blood, is so well known to the public generally. that it is unnecessary to occupy much space in setting forth the advantages to be derived from its use; wherever the medicine has once been introduced, it takes precedence over all others; every one that has taken it, have derived so signal beneficial results from it, that it is recommended by them with the utmost confidence. Physicians of the highest standing in the profession, prescribe it to patients under their care; containing nothing deleterious, but being composed of the most mild, vet efficacious vegetable materials, it is off-red with confidence, as the cheapest and most efficient purifler of the blood now known. The use of a few bottles, especially in the spring months, will be attended with a most decided improvement in the general strength of the system, eradicating any seeds of disease that may have been generated, besides giving health and vigor to the body .- For the cure of Scrofula or Kings Evil, Rheumatism, Tetter, Pimples or cruptions of the Skin, White Swelling, Fistula, Chronic Cough Asthma, &c. The numerous certificates in the possession of the subscriber and his agents, from physicians and others, are sufficient to convince the most skeptical of its superiority over all preparations of Sarsaparilla.

Reading, March 14, 1843. Mn. OARLET :- I believe it the duty of every one to do whatever in their power hes, for the bonefit of their fellow man, and having had positive proof in my own family, of the wonderful properties of your Deparative Syrup of Sarsaparilla, I m st conscientiously recommend it to the afflicted. We had the misfortune to lose two of our children, by the breaking out of ulcerous sores that covered the face, head and neck, although we had some of the most scientific physicians to attend them and had tried all the known temedies, including Swaims' Panacea, without avail. Another of my children was attacked in the same manner, her face and neck was completely covered; the discharge was so offensive, and the disease at such a height, that we despaired of her life. Seeing the wonderful effects of your Deparative Syrup of Sarsaparida, we were induced to make trial of it, as the last resort; it acted like a charm; the ulcers commenced healing immediately, a few bottles entirely restored her to her health, which she has enjoyed uninterruptedly ever since. As a purifier of the blood, I verily be-

lieve it has not its equal. JOHN MOYER, Tailor, Walnut street, near Fourth, Reading.

We tried all the different remedies, but to no effect, until recommended by Dr. Johnson of Norristown, and also Dr. Isaac Hiester, of Reading, to use your Depurative Syrup of Sarsaparilla, of which I obtained several buttles the use of which drove the doese entirely out of Proth'y. his system, the sore healed up, and the child was restored to perfect health, which he has enjoyed I have thought it my duty, and send you this certi-Yours truly, AMELIA D. From years' experience in hotel business, we trust, by strict assiduity to business, to make the house a desirable stopping place. Our table will always be supplied with the very best our market can afford, and our bar with the best liquors and wines of the most approved brands.

P. S. There are first rate stabling and curriage houses attached to the hotel, attended by careful and sober hostlers, and our charges will be low, to accordance with the present hard times.
