MERCHANTS' HOUSE.

No. 257, North Third, above Callowhill St., PHILADELPHIA.

JOHN DUNCAN, late from the Pennsylvania Hotel, Columbus, Ohio, takes pleasure in acquainting their friends and the public generally that they have taken the large and commodious Hotel, recently built by the Messrs. Hart, on the same site once occupied by the old established Hotel known as the Bull's Head, in Third street above Callowhill St.

This Hotel is finished in the very best possible manner, and of the best materials. Its location is very desirable, particularly for country merchants; the arrangements for heating and ventilating each room is such as to secure any temperature. The bedrooms are all light and airy, all furnished in the best style, so as to insure comfort.

The receiving parlors are also furnished in a superior style, the windows are on the French style, forming an entrance to a balcony in front, which makes a pleasant recess. Particular attention has been given to the beds and bedding, which, with the furniture, are entirely new.

From years' experience in hotel business, we trust, by strict assiduity to business, to make this house a desirable stopping place. Our table will always be supplied with the very best our market can afford, and our bar with the best liquors and wines of the most approved brands.

P. S. There is first rate stabling and carriage houses attached to the hotel, attended by careful and sober horses, and our charges will be low, in accordance with the present hard times. Philadelphia, Oct. 7th, 1842.

The best method for the Abolition of Disease is to cleanse and purify the Body.

WRIGHT'S INDIAN VEGETABLE PILLS

OF THE North American College of Health, Are now acknowledged to be the best Medicine in the World for the cure of

EVERY VARIETY OF DISEASE.

BECAUSE they completely cleanse the stomach and bowels from those bilious and corrupt humors which are the cause not only of Headache, Giddiness, Palpitation of the Heart, Pains in the Bones, Rheumatism and Gout, but every malady incident to man. SAID INDIAN VEGETABLE PILLS are a certain cure for intermittent, remitted, nervous, inflammatory and putrid Fevers, because they cleanse the body from those morbid humors, which, when confined to the circulation, are the cause of all kinds of FEVERS. So, also, when the same impurity is deposited on the membrane and mucous, causing colds, inflammations and swellings called BRONCHITIS, GOUT, &c. Wright's Indian Vegetable Pills may be relied on as always certain to give relief, and if persevered with, according to directions will most assuredly, and without fail, make a perfect cure of the above painful maladies. From three to six of said Indian Vegetable Pills taken every night going to bed, will in a short time so completely rid the body from every thing that is opposed to health, that Rheumatism, Gout, and pain of every description, will be literally DRIVEN FROM THE BODY. For the same reason, when, from sudden changes of atmosphere, or any other cause, the perspiration is checked, and the humors which should pass off by the skin are thrown inwardly, causing HEADACHE, GIDDINESS, nausea and sickness, pain in the bones, weary and inflamed eyes, sore throat, hoarseness, coughs, consumptions, rheumatic pains in various parts of the body, and many other symptoms of CATCHING COLDS, Wright's Indian Vegetable Pills will invariably give immediate relief. From three to six of said Pills taken every night on going to bed, will in a short time, not only remove all the above unpleasant symptoms, but the body will, in a short time, be restored to even greater health than before.

ASTHMA, OR DIFFICULTY OF BREATHING.

Wright's Indian Vegetable Pills will loosen and carry off by the stomach and bowels, those tough phlegmy humors, which stop up all the air vessels of the lungs, and are the cause, not only of the above distressing complaint, but when neglected, often terminate in that mortal and fatal malady called CONSUMPTION. It should be also remembered that Wright's Indian Vegetable Pills are a certain cure for PAIN IN THE SIDE, Oppression, nausea, and sickness, loss of appetite, costiveness, a yellow tinge of the skin and eyes, and every other symptom of a torpid or diseased state of the liver, because they purge from the body those impurities which if deposited upon this important organ, are the cause of every variety of LIVER COMPLAINT. When a nation is convulsed by riot, outbreaks and rebellion, the only means of preventing the dreadful consequences of a CIVIL WAR, is to expel all MORBID HUMORS. (Tensions to health and life.) Health will be the certain result.

That the principle of curing disease, by cleansing and purifying the body, is strictly in accordance with the laws which govern the animal economy; and it properly extends to the use of the celebrated, WRIGHT'S INDIAN VEGETABLE PILLS, will certainly result in the complete Abolition of Disease; we offer the following testimonials, from persons of the highest respectability in New York, who have recently been cured of the most obstinate complaints, solely by the use of WRIGHT'S INDIAN VEGETABLE PILLS, of the North American College of Health:

JAMAICA, L. I., June 9th, 1841. Doctor William Wright—Dear Sir—It is with great satisfaction I inform you of my having been entirely cured of Dyspepsia, of five years standing, by the use of your INDIAN VEGETABLE PILLS.

Previous to meeting with your celebrated medicine, I had been under the hands of several Physicians, and had used various remedies; but all to no effect. After using one 25 cent box of your Pills, however, I experienced so much benefit, that I resolved to persevere in the use of them according to directions, which I am happy to state, has resulted in a perfect cure. Ingrateful to you for the great benefit I have received, and also in the hope that others similarly afflicted may be induced to make trial of your extraordinary medicine, I send you this statement with full liberty to publish the same, if you think proper. Yours, &c. New York, June 19th, 1841. G. C. BLACK.

Mr. Richard Dennis, agent for Wright's Indian Vegetable Pills. Dear Sir—I have been afflicted for several years with inward weakness and general debility, accompanied at times with pains in the side and other distressing complaints. After having tried various medicines without effect, I was persuaded by a friend to make trial of Dr. Wright's Indian Vegetable Pills, which I am happy to state, have relieved me to a most wonderful manner. I have used the medicine, as yet but a short time, and have no doubt, by a persevering use of the medicine according to directions, that I shall in a short time be perfectly restored.

I most willingly recommend said Pills to all persons similarly afflicted, and in the full belief that the same beneficial results will follow their use, I remain yours sincerely, HENRY A. FOOTE, Waivassing, Ulster co. N. Y.

New York, Sept. 29, 1841. This is to certify, that I have used Watson's Indian Vegetable Pills with the greatest benefit; having entirely cured myself of the frequent attacks of SICK HEADACHE, to which I had previously been subject. ANN MARIA THOMPSON, 392 Greenwich street, N. Y.

To Mr. Richard Dennis, Agent for Wright's Indian Vegetable Pills.

CAUTION. As there are at this time many wicked persons busily engaged in selling a counterfeit medicine under the name of the Indian Vegetable Pills—and as these desperate men are so utterly reckless of consequence, that many valuable lives may be lost in consequence of using their deadly compounds, the public are cautioned against purchasing any Pills, unless on the sides of the boxes the following warning is found:

WRIGHT'S INDIAN VEGETABLE PILLS. (Indian Purgative.) OF THE NORTH AMERICAN COLLEGE OF HEALTH. And also to be especially careful against purchasing said medicine of any person except the regular advertised agents.

ROSE OINTMENT, FOR TETTER.

RINGWORMS, PIMPLES ON THE FACE, AND OTHER CUTANEOUS ERUPTIONS.

The following certificate describes one of the most extraordinary cures ever effected by any application.

PHILADELPHIA, February 10, 1838. FOR twenty years I was severely afflicted with Tetter on the Face and Head; the disease commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst—the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many applications, (among them several celebrated preparations) as well as taking various remedies, including a number of bottles of *Sarsaparilla*, *Extract of Sarsaparilla*, &c. In fact, it would be impossible to enumerate all the medicines I used. I was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, I commenced using the *Rose Ointment*, (prepared by Vaughan & Davis). In a few applications the violent itching ceased, the swelling abated, the eruption began to disappear, and before I had used a jar of the ointment was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the scars from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a full account to any person wishing further satisfaction.

As the *Rose Ointment* is a greasy body, given in handfuls of dollars to be rid of the disease. Since using it, I have recommended it to several persons, (among them my mother, who had the disease badly on her arm) who were cured by it.

JAMES DURNELL, No. 126, Race St. The *Rose Ointment* is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sunbury, by May 14th, 1843. H. B. MASSER, Agent.

Rose Ointment, for Tetter. A PROOF OF ITS EFFICACY. PHILADELPHIA, May 27th, 1839.

THIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a number of physicians, and used a great many applications without effecting a cure. About a year since, I applied the *Rose Ointment*, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years. RICHARD SAUSAGE, Eleventh, below Spruce Street.

The *Rose Ointment* is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sunbury, by May 14th, 1843. H. B. MASSER, Agent.

MEDICAL APPROBATION OF THE ROSE OINTMENT, for Tetter.

ALTHOUGH the superiority of the preparation over all others is fully established, the proprietors take pleasure in having before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania, Dr. Baugh, having found in this remedy that relief for a tedious and disagreeable affection which the means within the range of his profession failed to afford, has not hesitated to give it his approbation, although the prejudices and interests of that profession are opposed to secret Remedies.

PHILADELPHIA, Sept. 19, 1836. I was recently troubled with a tedious herpetic eruption, which covered nearly one side of my face, and extended over the ear. Mr. Vaughan, proprietor of the *Rose Ointment*, observing my face, insisted on my trying his preparation, of which he handed me a jar. Although in common with the members of my profession, I desecrated and disappointed of the efficacy of the medicine, and disappointed of the efficacy of the medicine, I tried in justice to him, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications. DANIEL BAUGH, M. D.

The *Rose Ointment* is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sunbury, by May 14th, 1843. H. B. MASSER, Agent.
