ington. Reading, March 14, 1843, Mn. OARLEY :-- I believe it the duty of every one to do whatever in their powerlies, for the binefit of their fellow man, and having had positive proof in my own family, of the wonderful properties of your Deparative Syrup of Sassaparille, I m. st. conscientiously recommend it to the afflicted. We had the misfortune to lose two of our children, by the breaking out of ulcerous sices that covered th face, head and neck, sithough we had some of the most scientific physicians to attend them and had tried all the known remedies, including Swaim's Panacea, without avail. Another of my children was attacked in the same manner, her face and neck was completely covered; the discharge was so offensive, and the disease at such a height, that we despaired of her life. Seeing the wonderful effects of your Deporative Syrup of Sarsaparilla, we were induced to make trial of it, as the last resort; it acted like a charm; the ulcers commenced healing immediately, a few bottles entirely restored her to her bealth, which she has enjoyed uninterruptedly

Mn. Oakter :- My son Edmund Leaf, had the scrofula in the most dreadful and distressing manper for three years, during which time he was deprived of the use of his limbs, his head and neck were covered with ulcers. We tried all the different remedies, but to no effect, until recommended by Dr. Johnson of Norristown, and also Dr. Isaac Hiester, of Reading, to use your Depurative Syrup of Sarsaparilla, of which I obtained several bottles, the use of which drove the disease entirely out of his system, the sore healed up, and the child was restored to perfect health, which he has enjoyed uninterruptedly ever since, to the astonishment of many persons who seen him during his affliction. I have thought it my duty, and send you this certificate that others who have a like affliction in the family may know where to obtain so valuable a Yours truly. AMELIA D. LEAF.

ROSE OINTMENT. FOR TETTER.

RINGWORMS, PIMPLES ON THE FACE, AND OTHER CUTANEOUS PRUPTIONS.

The following certificate describes one of the t extraordinary oures ever effected by any opplication.

PHILADELPHIA, Pebruary 10, 1838. FOR twenty years I was severely afflicted with TETTER on the Face and Head: the disease commenced when I was seventeen years old, and continued until the Pall of 1836, varying in vislence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst-the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many at plications, (among them as veral celebrated preparations) as will as taking inward remedies, including a number of battles of Steelin's Panacea Extract of Sarraparilla, &c. In fact it would be impossible to enmouste all the medicines I used. I was also under the care of two of the most distinguished physicians of this city, but without reevering much benefit, and I despaired of ever being cured. In the f-fl of 1836, the disease of the time being very violent, I commenced using the Ruse and done at an expense of over \$2,000 .- Therefore | Ointment, (prepared by Vaughan & Davis.) In it will be seen that the only thing necessary to pro- a few applications the violent itching ceased, the ore the medicine in its purity, is to observe these swelling abated, the cruption began to disappear, and before I had used a jar the di-case was entirely cured. It has now been nearly a year and a half -ince, and there is not a vestige of the disease remaining, except the scars from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person warting further satisfaction, who will call on me. At the time I commenced using the Rose Ointment I would have given hundeeds of declars to be cid of the disease. Since using it. I have recommended it to several persons, (among them my mother, who had the disease hadly on her arm,) who were all cured by it,

Rose Cintment, for Tetter. A PROOF OF ITS EFFICACY.

PHILADELPHIA, May 27th, 1839. 'HIS is to certify that I was severely afflicied with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a number of physicians, and used a great many applications without effecting a cure. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years. RICHARD SAVAGE, Eleventh, below Spruce Street.

MEDICAL APPROBATION

Of the ROSE OINTMENT, for Tetter. LTHOUGH the superiority of the preparation over all others is fully established, the proprietors take pleasure in laying before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania. Dr. Baugh, having found in this remedy that relief for a tedious and disagreeable affection which the means within the range of bis profession failed to afford, has not hesitated to give it his approbation, although the prejudices and interests of that profession are opposed to secret Remedies,

Donnel, opposite the Court and extended over the ear. Mr. Vaughan, proprieouse. He will attend to business in the Courts tot of the Rose Ointment, observing my face, instead ed on my trying his preparation, of which he handed me a jar. Although in common with the members of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the sublic by ignorant pretenders, I feel in justice bound to except the Rose Ointment from that class of medicines, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications.
