

HURRAH FOR MAINE.

Hurrah! hurrah! hurrah for Maine ! List to the thunder-cry That from her everlasting hills Comes fraught with victory ' A thousand cheers for glorious Maine ! A thousand guns to tell How nobly she has fought the fight. Aye-and has won it well ! Assweep her foaming waters From hill to vale below ; As sweep her noble rivers on Resistless in their flow;

As strike her mountain thunder-bolts With paralyzing blow. So have her democratic sons Descended on the foc.

From height to height the signal light The glorious tale shall speed, Till every eye against the sky Its fiery joy shall read-And our shouts shall carry terror through The Federal army-For as Maine has won the battle Will the Union win the day.

An Animated Warming Pan.

In Ireland a warming pan is called a friar. Not many years ago an unsophisticated girl took service in a hotel in the town of -----Poor thing, she had never heard of a warming pan in her life, though she regularly confessed to a friar once a year.

It so happened on a cold and drizzly night that a priest took lodgings in the inn. He had traveiled far, and being weary, retired at an curly hour. Soon after the mistress of the house called the servant girl.

"Betty, put the friar into No. 6. Up went Betty to the poor priest. "Your reverence must go to No. 6, my mistress says." "How ! What !" asked he, annoyed at being disturbed. "Your reverence must go into No. 6."

There was no help for it, and the priest arose.

"Put the friar into No. 4."

Betty said something about disturbing his reverence which her mistress did not understand. So she told the girl in a sharp voice to do as she was directed, and she would always do right. Up went Betty, and the unhappy priest, despite his angry protestations, was obliged to turn out of No. 6 and go to No. 4. But a little time elapsed ere the girl was told to put the friar into No. S, and the poor priest, thinking that everybody was mad in the house, and sturdily resolved to quit it the next morning, crept into the damp sheets of No. S. But he was to enjoy no peace there. Betty was again directed to put

OAKLEY'S DEPURATIVE SYRUP.

THE valuable properties of Oakley's Depura-tive Syrup of Sarsaparilla, as a purifier of the The following list shows the current value of all blood, is so well known to the public generally, that it is unnecessary to occupy much space in setting forth the advantages to be derived from its use ; wherever the medicine has once been intraduced, it takes precedence over all others : every one that has taken it, have derived so signal beneficial results from it, that it is recommended by them with the u most confidence. Physicians of the highest standing in the profession, prescribe it to patients under their care ; containing nothing deliterious, but being composed of the most mild, yet efficacious vegetable materials, it is offered with confidence, as the cheapest and most efficient purifier of the blood now known. The use of a few bottles, especially in the spring months, will be attended with a most decided improvement in the general strength of the system, eradicating any seeds of disease that may have been generated, besides giving health and vigor to the body .- For the cure of Scrofula or Kings Evil, Rheumatism, Tetter,

Pimples or eruptions of the Skin, White Swelling. Fostula, Chronic Cough Asthma, &c. The nupar merous certificates in the possession of the subscriber and his agents, from physicians and others, are par sufficient to convince the most skeptical of its superiority over all preparations of Sarsaparilla.

S.dd whole-ale and retail, by the proprietor, GEORGE W. OAKLEY, North 5th street, Reading, Berks County, and to be had of the following persons :

In Northumberland County.-H. B. Masser, Sanbury; Ireland & Mixel, McEwensville; D. Krauser, Milton.

In Union County .- J. Gearbart, Sclinegrove: A. Gutelius, Mifflinburg.

In Columbia County .- R. W. McCay, Wash ington. Reading, March 14, 1843.

Mn. OAKLEY :- I believe it the uty of every one to do whatever in their power lies, for the benefit of their fellow man, and having had positive proof in my own family, of the wonderful properties of your Depurative Syrup of Sarsaporilla, I most conscientiously recommend it to the afflicted. We had the misfortune to lose two of our children, by the breaking out of ulcerous sores that covered the face, head and neck, although we had some of the most scientific physicians to attend them and had tried all the known remedies, including Swaim's Panacea, without avail. Another of my children was attacked in the same manner, her face and neck was completely covered; the discharge was so offensive, and the disease at such a height, that we despaired of her life. Seeing the wonderful effects of your Depurative Symp of Sarsaparilla, we were induced to make trial of it, as the last resort ; it acted like a charm; the ulcers commenced healing immediately, a few bottles entirely restored her to her health, which she has enjoyed uninterruptedly ever since. As a purifier of the blood, I verily believe it has not its equal.

JOHN MOYER, Tailor, Walnut street, near Fourth, Reading.

Douglassville, April 19th, 1843.

MR. OAKLEY :- My son Edmund Leaf, had the scrofela in the most dreadful and distressing manner for three years, during which time he was deprived of the use of his limbs, his head and neck were covered with ulcers. We tried all the different remedies, but to no effect, until recommended by Dr. Johnson of Noriistown, and also Dr. Isaac Hiester, of Reading, to use your Depurative Syrup of Sarsaparilla, of which I obtained several bottles. the use of which drove the disease entirely out of his system, the sore healed up, and the child was restored to perfect health, which he has enjoyed uninterruptedly ever since, to the astanishment of many persons who seen him during his affliction. I have thought it my duty, and send you this certificate that others who have a like affliction in the family may know where to obtain so valuable a medicine. Yours truly.

ROSE OINTMENT. FOR TETTER.

RINGWORMS, PIMPLES ON THE FACE, AND OTHER CUTANEOUS ERUPTIONS. OF The following certificate describes one of the most extraordinary oures ever effected by any

application. PHILADETPHIA, February 10, 1838. FOR twenty years I was severely afflicted with TETTER on the Face and Head: the disease commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if i would burst-the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many at plications, (among them several celebrated preparations) as will as taking inward remedies, including a number of bottles of Swaim's Panacea. Extract of Sarsaparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. I was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis.) In

a few applications the violent itching ceased, the swelling abated, the eruption began to disappear, and before I had used a jar the disease was entirely cuted. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the scars from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction, who will call on me. At the time I commenced using the Rose Ointment I would have given hundreds of dollars to be rid of the disease. Since using it, I have recommended it to several persons, (among them my mother, who had the disease badon her arm,) who were all cured by it.

JAMES DURNELL, No. 156, Race St. The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race streets, Philadelphia, and sold on agency in Sunbu-H. B. MASSER. ry, by May 14th, 1813. Agent.

Rose Ointment, for Tetter. A PROOF OF ITS EFFICACY.

PHILADELPHIA, May 27th, 1839.

PHIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a number of physicians, and used a great many applications without effecting a cure. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years. RICHARD SAVAGE, Eleventh, below Spruce Street.

MEDICAL APPROBATION

Of the ROSE OINTMENT, for Tetter. A LTHOUGH the superiority of the preparation over all others is fully established, the proprietors take pleasure in laying before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania. Dr. Baugh, having found in this remedy that telief for a tedious and disagreeable affection which the means within the range of his profession failed to afford, has not hesitated to give it his approbation, although the prejudices and interests of that profession are opposed to secret Remedies.

PRILADELPHIA, Sept. 19, 1836. I was recently troubled with a tedious herpetic eruption, which covered nearly one side of my face,

MARRIAGE FROM & WINDOW .- An Eastern paper has a very clever story of a young coupic who, after a long courtship, determined to be married in "short order." They proceeded to the house of their minister, and wakened him from eleep. The parson, who had just arrived from a journey, was tired and sleepy, and, M as it was a bitter cold night, refused to come down. The young couple were determined M not to be so put off, but thundered away till the parson again raised the window, when they repeated their domand that the knot be immediately tied.

It so happened that all the minister's family were paying a visit to some triends in a neighboring village and the old man was alone. What was to be done ? It would not do to have them break the door in, and he did not like the idea of travelling down stairs in the cold. At last an idea struck him, and he took advantage of it. He told the young couple to stand out before the window, and join their hands together, which they did. He then proceeded thus

"Out of the window, this stormy weather, from this man and woman together; None but He who rules the thunder, Shall break this man and woman asunder !

The lovers immediately made themselvescarce, saying that they would name their firstborn after the pious old man.
