

PRESERVING FOOD FOR YEARS.—There is an establishment in Boston, which puts up food to be sent to all quarters of the world. A case containing the food, is set in a vessel of boiling water and made to boil. In this state, while the steam excludes all the air, the operator instantly closes the orifice by soldering on a small tin button provided for the purpose. In this state it may be preserved for years. In a similar way fruits may be preserved in bottles without sugar, for an indefinite time. Green corn, green peas, &c., may be had in winter in absolute freshness and perfection by this process.

SEASONABLE ADVICE.—"Take time by the forelock," says the adage. Take medicine at the proper time, say we. It is a matter of less difficulty to ascertain the proper time to seek relief from medicine, than it is to discover the proper medicine which is to administer comfort to the afflicted patient. Brandreth's Vegetable Universal Pills, which have obtained a celebrity in the "Annals of Physic," unequalled in ancient and modern times, have performed such astonishing cures, that thousands of people, in justice to Dr. Brandreth, have publicly recorded their opinions of their wonderful and extraordinary health-restoring qualities.

WISTAR'S BALSAM OF WILD CHERRY.

A Compound Balsamic Preparation from Wild Cherry Bark and Tar.

The best remedy known to the world for the cure of coughs, colds, asthma, croup, bleeding of the lungs, whooping cough, bronchitis, influenza, shortness of breath, pain and weakness in the breast or side, liver complaint, and the first stages of CONSUMPTION.

We will not assert that this Balsam will cure Consumption in its worst form, but it has cured many after all other means of relief had been tried in vain. And why not? It seems that the WILD CHERRY was destined by Nature to be our PANACEA for the ravaging diseases of this cold latitude. Let not the despairing invalid waste his money and lose TIME, to him so all important, in experimenting with the trashy nostrums of the day, but use of once a medicine that will cure, if a cure be possible—a medicine that science approves, and many years of experience have demonstrated that it always relieves.

"There is no such thing as a free lunch" in the history of this wonderful Balsam. Evidence the most convincing—evidence that no one can doubt, fully establish the fact. For the sake of brevity we select the following from thousands.

Isaac Platt, Esq., Editor of the Pokesippie Eagle, one of the most influential journals in the State of New York, states under the authority of his own name, that a young lady, a relative of his, of very delicate constitution, was attacked in Feb. 1842, with severe cold which immediately produced spitting of blood, cough, fever, and other dangerous and alarming symptoms. Through medical treatment and care she partially recovered during summer. But on the return of winter she was attacked more violently than at first, she became acutely sick, walk and was troubled with cough, chills and fever every day, and appeared to be going rapidly with consumption; at this time, when there was no sign of improvement, Mr. Platt procured a bottle of WISTAR'S BALSAM OF WILD CHERRY, which she took, and it was amazingly restored her. She got a second, and before it was half taken she was restored to perfect health, which she has enjoyed to the present time, without the slightest symptom of her former disease.

Mr. Platt says "the cure came under my own observation and I cannot be mistaken as to the facts."

EXTRACT OF A LETTER FROM A POSTMASTER DATED PENNSYLVANIA, Washington Co., Maine, Apr. 29, 1844.

MR ISAAC BUTTS.—Dear Sir: At the request of many of my friends in this place and vicinity who are afflicted with consumption and liver complaints, I take the liberty of asking you to appoint some one in this county as agent to sell WISTAR'S BALSAM OF WILD CHERRY, and to send him a few dozen as there is none of it for sale within 200 miles from here. I have no doubt that it would meet with a ready sale if it were where it could be procured without too much expense and delay.

My wife was attacked about six months since with what the physicians called the first stage of consumption—a complaint very prevalent in this section of country. Having seen the Balsam advertised in August.

200 MILES FROM HERE, I took the pains to send her a bottle of it, which she took, and which helped her so much, and she is now as well as she has ever been since six years ago she does at this time. All those who have inquired of me and ascertained what effect the Balsam had, are anxious to have some for sale in this vicinity, which is the cause of my writing you.

Please inform me by return of mail whether you conclude to send some, and if so to whom, in order that it may be known where it can be had.

I am with respect yours, etc.

P. G. FARNSWORTH, P. M.

The whole country is fast learning that no medicine—no physician—no preparation of any kind whatever—can equal DR. WISTAR'S BALSAM OF WILD CHERRY.

A TRULY WONDERFUL CURE.

WATERVILLE, OREGON CO., N. Y., Sept. 15, 1843.

Dear Sir—I owe it to the afflicted to inform you that in January last I was attacked by a very violent cold, caused by working in the water, which settled on my lungs. It was accompanied by a very severe pain in my breast and sides, and also a distressing cough. I had in attendance all the best medical aid in our village; but after exhausting all their skill to no avail, they pronounced my disease a confirmed consumption, and they one and all gave me up to die. After much persuasion I got the consent of my physician to use the Balsam of Wild Cherry prepared by Dr. Wistar. I purchased the Agent in our place one bottle, before using half of which I began to gain strength, and it was very evident my cough was much better and my symptoms in every way improving. I have now used three bottles, and am restored to perfect health. This result is alone owing to the use of DR. WISTAR'S BALSAM OF WILD CHERRY; and I take this method of giving you the information, partly to pay you the debt of gratitude I owe you and partly that others similarly afflicted may know where to apply for relief.

V. I. truly yours, JAMES SAGE.

MR. PALMER, Druggist, under date of Waterville, Sept. 24th, 1843, writes:

The state ment given you by Mr. James Sage is well known to be true by this whole community. It certainly was a most remarkable cure. The sale of the Balsam is very good, and its success in cures truly flattering.

Yours respectfully, D. D. PALMER.

THE MOST REMARKABLE CURE EVER RECORDED.

HARDSDENFIELD, N. J., April 20, 1843.

On or about the 12th day of October, 1841, I was taken with a violent pain in the side near the liver, which continued for about five days, and was followed by the breaking of an ulcer, or abscess, inwardly, which relieved the pain a little, but caused me to throw up a great quantity of offensive matter and also much blood. Being greatly alarmed at this, I applied to a physician, but he said he thought he could do but little for me except to give me some Mercury Pills, which I refused to take, feeling satisfied that they could do me no good; many other remedies were then procured by my wife and friends, but none did me any good—and the discharge of blood and corruption still continued every few days, and at last became so offensive that I could scarcely breathe. I was also seized with a violent cough, which at times caused me to raise much more blood than I had done before—and my disease continued in this way, still growing worse, until February, when all hope of my recovery was given up, and my friends all thought I would die of a GALLING CONSUMPTION. At this moment, when my life was apparently drawing near its close, I heard of DR. WISTAR'S BALSAM OF WILD CHERRY, and got a bottle which I received IMMEDIATELY; and by the use of only three bottles of this medicine, all my pains were removed—my cough and spitting of blood and corruption entirely stopped, and in a few weeks my health was so far restored as to enable me to work at my trade, (which is a carpenter), and up to this time I have enjoyed good health.

THOMAS COZENS, GLENCENTER COUNTY, N. J., ss.

Personally came before me, the subscribers, one of

the Justices of the Peace in and for the said county. Thomas Cozens, and being duly affirmed according to law, said the above statement is in all things true.

Affirmed before me, on the 20th of April, 1843. J. CLEMENT, J. P.

Such is the unprecedented success of this BALSAM.

"NATURE'S FAVORITE PRESCRIPTION," a prescription congenial to our wants, as it is prepared from chemical extracts from substances which the author of nature has placed in our own land for wise purposes, that many who know nothing of the mode of its preparation are endeavoring to reap pecuniary benefits by selling an article similar in name, or in appearance, or by representing their own trash as superior to this BALSAM, or by putting up a mixture and solemnly asserting that it is imported from a foreign country, which is not the case. All these deceptive arts go to show that WISTAR'S BALSAM is known to the world to be "THE GREAT REMEDY," and that to sell any mixture it must be like this in name, or purpose to be like it in substance.

Believe not the cunningly wrought fabrications—and take only the original and genuine WISTAR'S BALSAM OF WILD CHERRY.

NO OTHER CAN BE LIKE IT.

Address all orders to ISAAC BUTTS, No. 32 Ann St., New York.
