How brightly beams each starry sphere,

EXTRACT OF A LETTER FROM A POST MASTER DATED

PENNSYLVANIA, Washington Co., Meigs, Apr. 29, 1844. MR. ISAAC BUTTS, Dear Sir: At the request of many of my friends in this place and vicinity who are afflicted with consumption and liver complaints, I take the liberty of asking you to appoint some one in this county as agent to sell WISTAR'S BALSAM OF WILD CHERRY, and to send him a few dozen, as there is none of it for sale within 200 miles from this.

A TRULY WONDERFUL CURE.

WATERVILLE, Maine, N. Y., Sept. 15, 1843. Dear Sir:—I owe it to the afflicted to inform you that in January last I was attacked by a very violent cold, caused by working in the water, which settled on my lungs. It was accompanied by a very severe pain in my breast and sides, and also a distressing cough. I had in attendance all the best medical aid in our village; but after exhausting all their skill to no avail, they pronounced my disease a confirmed consumption, and they one and all gave me up to die.

NO OTHER CAN BE LIKE IT.

Address all orders to ISAAC BUTTS, No. 32 Ann St., New York. Agents, JOHN W. FRILING, Sunbury, Pa.; D. BRAFFINGTON, Northumberland, Pa.; J. K. MOYER, Bloomsburg, Pa.; J. WAGGONSLEDER, Selinsgrove, Pa.; BROWN & CREASY, Millburg, Pa. Feb. 23, 1845.—ly

Medicated Syrup of Sarsaparilla.

Mr. JOHN A. CANTRELL, Philad. Sept. 14, 1843. Having been afflicted for upwards of two years with ulceration of the throat, destroying the whole of the soft palate, then through the upper part of my mouth into my nose, from which several pieces of bone came out, which partially destroyed my speech, through a kind Providence and your Medicated Syrup of Sarsaparilla, I am now restored to perfect health, and my sight, which was so much impaired, is as strong as when a boy.

THE MOST REMARKABLE CURE EVER RECORDED.

HARRISBURG, N. J., April 20, 1843. On or about the 13th day of October, 1841, I was taken with a violent pain in the side near the liver, which continued for about five days, and was followed by the breaking of an ulcer, or abscess, inwards, which relieved the pain a little, but caused me to throw up a great quantity of offensive matter and also much blood. Being greatly alarmed at this, I applied to a physician, but he said he thought he could do but little for me, except give me some Mercury Pills, which I refused to take, feeling assured that they could do me no good; and many other remedies were then procured by my wife and friends, but none did me any good—and the discharge of blood and corruption still continued every few days, and at last became so offensive that I could scarcely breathe. I was also seized with a violent cough, which at times caused me to raise much more blood than I had done before—and my disease continued in this way, still growing worse, until February, when all hope of my recovery was given up, and my friends all thought I would die of a Gall-bladder Consumption. At this moment, when my life was apparently drawing near its close, I heard of DR. WISTAR'S BALSAM OF WILD CHERRY, and got a bottle which I received IMMEDIATELY; and by the use of only three bottles of this medicine, all my pains were removed—my cough and spitting of blood and corruption entirely stopped, and in a few weeks my health was so far restored as to enable me to work at my trade, (which is a carpenter), and up to this time I have enjoyed good health.

BRANDRETH, M.
