PIANOS.

THE SUBSCRIBER has been appointed agent for the sale of CONRAD MEYER'S CELEBRATED PREMIUM ROSE WOOD PIANOS, at this place. These Pianos have a plain, massive and beautiful exterior finish, and for depth and sweetness of tone, and elegance of workmanship, are not surpassed by any in the United States. The following is a recommendation from CARL DIERX, a celebrated performer, and himself a manufacturer:

A CARD.

HAVING had the pleasure of trying the excellent Piano Fortes manufactured by Mr. Meyer, and established by the late exhibition of the Franklin Institute, I feel it due to the true merit of the maker to declare that these instruments are quite equal, and in some respects even superior, to all the Piano Fortes I saw at the capitals of Europe, and during a sojourn of two years at Paris.

These Pianos will be sold at the manufacturer's lowest Philadelphia prices, if not some thing lower. Persons are requested to call and examine for themselves, at the residence of the subscriber.

GREAT DISCOVERY

In the Healing Art!

Important to Invalids and Friends of the Sick
MEDICINE, however efficacious, has always been taken with dissatisfaction by the sick, owing to its unpleasant nature. Hence it has ever been the study of all great physicians to disguise its nauseous taste. But their efforts have never been crowned with a complete success. It was left for Dr. Smith to accomplish. Having given the subject his unremitting attention for nearly two years, he has, after spending a considerable sum of money, produced a medicine which, while it is every way agreeable to the palate, is sure to triumph over DISEASE and all opposition, and to repay him for his devotion to the improvement of the medical science.

DR. G. BENJ. SMITH'S Sugar-Coated "Improved Indian Vegetable Pills" are the result of this labor. Their effects, and the general favor with which they have been received in all parts of the United States, warrant the proprietor in the declaration that they are the greatest improvement in medicine ever known. Unlike all other pills, these neither grip, produce nausea, nor any other unpleasant sensation, while they are as powerful, as it is possible for a medicine to be, and are harmless. PARENTS cannot be too cautious of mineral medicines which exert such all powerful influence upon the system as to supersede every thing else; and when administered to children, they should be given with care, and often constituting a greater and more grievous disease, which shall weigh upon them through life. SICKNESS IN CHILDREN requires the certain effects of a mild and agreeable purgative medicine, like these pills. Worms are instantly expelled from the system by their use. For Stomach and Fortified Tongue find a positive antidote in these "Sugar-Coated Pills." For all morbid circumstances, may take them, and they will promote regular action, and preserve health and strength of body and vivacity of mind. For certain diseases, we refer the invalid to a pamphlet to be had of the agents. But he will merely refer to a few who have been cured by the use of these Pills.

R. Thompson, 56 North Moore street, (nephew of the late Judge Thompson) cured of periodical Headache and pain in the breast.

R. M. Park, U. S. Navy, fever and sciola, Mrs. S. A. Gould, (Matron of the U. S. Naval Hospital) cured of headache and bilious affections.

Jas. M. Turner, late of the U. S. Navy, 5-1 Greenwich st., cured of weakness in the breast, costiveness and difficulty of breathing.

James J. Brown, deputy sheriff, has seen them used in the detention prison with astonishing results.

CAUTION.—The pills should be genuine, unless Dr. G. BENJ. SMITH'S signature is on the side of every box. This is important, as miserable medicine may be enveloped with sugar.—These Pills are made of the very purest materials, and they will bear the scrutiny of either physician or chemist. But a worthless imitation has been made, which has no recommendation but the sugar which covers up a vile mix of aces and colchicum. Beware of such imposition.

PATENT OFFICE.

Received this 17th day of June, 1844, from Dr. G. Benj. Smith by Col. J. D. Stevenson, the fee of Thirty Dollars payable on his application for a Patent for a Pill—Coated with Sugar.

VALUABLE FARM FOR SALE.

BY VIRTUE of the power vested in me, by the will of the late THOMAS GRANT, dec'd., will be sold at public sale on Wednesday, the 23d day of July next, at the Mansion House, upon the premises of the Mansion Farm of the late Thomas Grant, dec'd., in Augusta township, Northumberland county, Pa., situate on the east side of the River Susquehanna, equidistant, and about a mile from the Boroughs of Sunbury and Northumberland, all that valuable estate, late the Mansion Farm of said Thomas Grant, dec'd., adjoining the farm of Samuel Hunter on the south, land of Thomas Robins on the east, other land of the late Thomas Grant on the north, and the Susquehanna River on the west, containing, together, two hundred and twenty six acres and seventy perches, more or less, of which about two hundred and fifteen acres are cleared and about one hundred and fifteen acres are first rate River bottom land.

The improvements consist of a two story double farm house, 40 feet front by 30 feet in depth, with frame back building and frame kitchen, and stone milk house and oven attached, and a pump and well of excellent water in the kitchen, a stone smoke house, a large bank barn, 1st story stone, 2d do. frame, 80 feet long by 36 feet in depth, a 2 story wagon house, with granary above and corn crib attached, a frame carriage house and granary, and a large log barn and stable, with a new and improved cider press, with shingled roof over the same.

Also, A two story brick dwelling house, containing in front 26 feet and in depth 27 feet, 10 inches, and brick two story kitchen, 20 feet in front by 14 feet, 6 inches in depth. There are upon the premises two apple orchards in excellent order, of the most valuable fruit, one containing about eight and the other about nine acres.

This Farm is one of the most valuable and productive in the State, in the highest state of cultivation, and located in the heart of a district, which, for salubrity of climate and picturesque scenery, is unsurpassed. It is situate on the pool of the Shamokin dam at the eastern termination of the Northumberland and Bridge. Its proximity to the thriving boroughs of Sunbury and Northumberland, and the probability that the hills contain valuable facilities of iron, and in addition, its location in the heart of the iron and coal regions of Pennsylvania, to which there is a heavy and increasing emigration, gives this property an additional value, and renders it well worthy of the attention of capitalists and farmers.

WISTAR'S BALSAM OF WILD CHERRY,

A Compound Balsamic Preparation from Wild Cherry Bark and Tea. The best remedy known to the world for the cure of coughs, colds, asthma, croup, bleeding of the lungs, whooping cough, bronchitis, influenza, shortness of breath, pain and weakness in the breast or side, liver complaint, and the first stages of CONSUMPTION.

We will not assert that this BALSAM will cure Consumption in its worst form, but it has cured many after all other means of relief had been tried in vain.—And why not? It seems that the WILD CHERRY was destined by Nature to be our PANACEA for the ravaging diseases of this old latitude. Let not the despairing invalid waste his money and lose TIME, to him so all important, in experimenting with the trashy nostrums of the day, but use at once a medicine that will cure, if a cure be possible—a medicine that science approves, and many years of experience have demonstrated that it always relieves.

"There is no such thing as a fall" in the history of this wonderful BALSAM. Evidence the most convincing—evidence that no one can doubt, fully establish this fact. For the sake of brevity we select the following from thousands.

Isaac Platt, Esq., Editor of the Pakenope Eagle, one of the most influential journals in the state of New York, states under the authority of his own name, that a young lady, a relative of his, of very delicate constitution, was attacked in Feb. 1842 with severe cold, which immediately produced spitting of blood, cough, fever, and other dangerous and alarming symptoms. Through medical treatment and care she partially recovered during summer. But on the return of winter she was attacked more violently than at first, she became scarcely able to walk and was troubled with chills and fever every day, and appeared to be going rapidly with consumption; at this time, when there was no sign of improvement, Mr. Platt procured a bottle of Wistar's Balsam of Wild Cherry, which she took, and it soon restored her. She got a second, and before it was half taken she was restored to perfect health, which she has enjoyed to the present time, without the slightest symptom of her former disease.

Mr. Platt says "the cure was under my own observation and I cannot be mistaken as to the fact."

EXTRACT OF A LETTER FROM A POST MASTER, DATED

PENNSYLVANIA, Washington Co., Maine, Apr. 29, 1844.

MR. ISAAC BUTTS, Dear Sir:—The request of many of my friends in this place and vicinity, who are afflicted with consumption and liver complaints, I take the liberty of asking you to appoint some one in this county as agent to sell Wistar's Balsam of Wild Cherry, and to send him a few dozen as there is none of it for sale within 200 miles from this. I have no doubt that it would sell with a ready sale if it were where it could be procured without too much expense and delay.

My wife was attacked about six months since with what the physicians called the first stage of consumption—a complaint very prevalent in this section of country. Having seen the Balsam advertised in August.
