TO THOSE WHO USE PILLS. OF all the medicine put for h in the world, none bas been regarded with such general favor by all who have used them, as the so well known offi cari us medicine called "D . SMITH'S IMPROVED INDIAN VESCTABLE PILL;" and perhaps no medieine ever possessed in its peculiar combination, such mysteri us power over disease. A lady of the first respectability in this city, (whose name we are permitted to give in private.) informed us this week, that she had long suffered the most violent headsiche, and that nothing had ever affirded her rel ef like these Pil's. She said that Dr. Hu tingdon advised her to try them, stating he knew them to be a good medicine. This case is not uncommon. Physicians do recommend them, and Dr. Smith has the proud satisfiction of being permitted to refer to more than one high in the profession. These Pills, besides their great efficacy, have a taste as pleasant as a sugar plumb, being coated with sugar, (a thing unheard of in the world, until Dr. Smith mide them, after more than a year's trial and great The public are informed that these Pills are not of the mushroom class, made of any thing merely to sell for a short time, as they are made of the purest materials, and they will bear the scrutiny of either Physician or Chemist. The public ought to remember that no Sugar Coaled Pills can be rehed upon unless the signature of Benj'n Smith, M. D., the sole inventor, is upon the side of every box,

CAUTION .- As a miserable imitation has been made, by the name of "Sugar Coated Pills," it is necessary to be sure that Du. G BENJ. SMITH's signature is on every box. Price 25 cents.

HAVING had the pleasure of trying the excellent Pisno Fortes manfactured by Mr. Meyer, and exhibited at the list exhibition of the Fr nklin Institute, I feel it due to the true merit of the maker to declare that these instruments are quite qual, and in some respects even superior, to all the Piano Fortes, I saw at the capitals of Europe, and

during a sojourn of two years at Paris.

These Pianos will be so'd at the manufacturer's lowest Philadelphia prices, if not something lower. Persons are requested to call and examine for themselves, at the residence of the subscriber, Sunbury, May 17, 1845. H. B. MASSER.
