TO THOSE WHO USE PILLS.

OF all the medicine put for h in the world, none has been regarded with such general favor by all who have used them, as the so well known efficacious medicine called "Da. Surra's Impaovan INDIAN VEGETABLE PILL;" and perhaps no medieine ever possessed in its peculiar combination. such my-terious power over disease. A lady of the first respectability in this city, (whose name we are permitted to give in private.) informed us this week. that she had long suffered the most violent headache, and that nothing had ever aff eded her rel ef like these Pills. She said that Dr. Hu tingdon advised her to try them, staring he knew them to be cost ining 68 acres, adj ining I nds of Abraham Physicians de recommend them, and Dr. Smith has the proud satisfiction of being permitted to refer to more than one high in the profession. These Palls, besides their great efficiery, have a taste as pleasant as a sugar plumb, being conted with sugar, (a thing unheard of in the world, until D. Smith m de them, after more than a year's tr al and great The public are informed that there Pills are not of the mushroom class, made of any thing merely to sell for a short time, as they are made of the purest materials, and they will bear the scruting of ci her Physician or Chemist. The public ought to remember that no Sugar Confed Pills can be re i d upon unless the sign state of B nj'n Smith, M. D., the sole inventor, is upon the side of every box, also beware of counterfet's. This is impurtant, as to Henry M oser, and respectfully requests all those muserable medicine may be enveloped in sugar .-

Fellow citizens, at the ensuing election, for the
for the sale of CONRAD MEYER'S CEL-ANOS, at this place. These Pianos have a plain, massive and brautiful exterior finish, and, for depth and sweetness of tone, and elegance of workmanship, are not surpassed by any in the United States. The following is a recommendation from Cant. Diges, a celebrated performer, and himself a manufacturer :

A CARD.

HAVING had the pleasure of trying the excel-lent Pisno Fortes manfactured by Mr. Meyer, and exhibited at the last exhibition of the Franklin Institute, I feel it due to the true merit of the maker to declare that these instruments are quite equal, and in some respects even superior, to all the Piano Fortes, I saw at the capitals of Europe, and

during a sojourn of two years at Paris.

These Pianos will be sold at the manufacturer's lowest Philadelphia prices, if not something lawer. Persons are requested to call and examine for themselves, at the residence of the subscriber. Sunbury, May 17, 1845. H. B. MASSER.
