BON DEFENDE PIANOS.

THE SUBSCRIBER has been appointed agent, for the sale of CONRAD MEYER'S CEL-EBRATED PREMIUM ROSE WOOD PI-ANOS, at this place. These Pianos have a plain, massive and beautiful exterior finish, and, for depth and sweetness of tone, and elegance of workmanship, are not surpassed by any in the United States. The following is a recommendation from Cana Dikes, a celebrated performer, and himself a manufacturer:

A CARD.

HAVING had the pleasure of trying the excellent Piano Fortes manfactured by Mr. Meyer, and exhibited at the last exhibition of the Franklin Institute, I feel it due to the true merit of the maker to declare that these instruments are quite equal, and in some respects even superior, to all the Piano Fortes, I saw at the capitals of Europe, and during a sejourn of two years at Paris.

These Pianos will be sold at the manufacturer's lowest Philadelphia prices, if not something lower, Persons are requested to call and examine for themselves, at the residence of the subscriber. Sunbury, May 17, 1845. H. B. MASSER,
