

Correspondence of the Tribune.

LONDON, Nov. 18th, 1845.

Since the 1st inst. there has been little or no speculation in Corn, and the trade left to its usual course of supply and demand. The market has been in a very dull and inactive state, with declining prices for most articles, except Indian Corn, of which there has been considerable enquiry, as it is not only looked upon as an excellent substitute for Potatoes, and has for some years been used for human food in Ireland, but there is a strong expectation that Government may relax the restrictive system with regard to this article, by admitting it free of duty; and as it is not grown in this country, such a measure would not meet with much opposition. Its present value is about 36s. a 38s. per qr. in bond—but as the duty on it is governed by that of Barley, and this latter article is now receding in value, we do not expect to see a lower duty than 3s. or 4s. per qr. at present. The check which has been given to Oats will also most likely prevent the duty falling below 3s. per qr. on this article, and that on Wheat to 12s. a 13s. per qr., in consequence of the inferior quality of the new crop, a considerable portion of which is now selling in Lincolnshire below 50s. per qr.; good quality of new English Wheat 60 a 61 lbs. per bus can now be purchased in London at about 60s. per qr., and as this is considered cheaper than bonded, which is still held for high prices, it has begun to attract the notice of speculators.

We see no reason to alter the opinion we have before expressed that we are not likely to have any immediate advance in the value of grain, and as money is getting scarce, and will most likely become more difficult to obtain, it will have a depressing effect upon its value in diminishing speculation.

We quote fine Danzig Wheat 60s., red Baltic 52s. a 56s., Mediterranean 50s. a 53s. per qr. Baltic Barley 27s. a 30s., Mediterranean 19s. a 22s. Heavy Oats 25s. a 28s. Arranged 24s. per qr. Fine White Peas 50s. per qr., all in bond on the spot. Egyptian Beans 36s. a 37s. per qr.; the value of this article is not likely to be much affected by the prohibition of their export from Egypt, of which advice were yesterday received, as our own crop is large, and will soon come to market freely. Good Rye is worth 30s. a 32s. per qr. in bond. New Spring Tares 42s. a 44s., large 48s. per qr., free of duty. Fine Linseed 50s. per qr., Rape Seed 56s. per qr., Linseed Cake £10 per ton. Canada Flour 35s. per bbl., United State 20s. for sour, 30s. a 31s. for sweet in bond.

The Mormons.

Mrs. Smith, the widow of the Mormon prophet, has addressed a letter to the New York Sun, declaring that it is not her intention to go to California, or any other remote place, with the Mormons. She says:

"The laws of the United States are quite good enough for me and my children, and my settled intention is to remain where I am, take care of my property, and if I cannot educate my children here, send them to New York or New England for that purpose. Many of the Mormons will, no doubt, remove in the spring, and many more will remain here; and nothing would give me greater pleasure than to have a mixed society in Nauvoo, as in other cities, and all exclusive religious distinctions abolished.

"I must now say, that I never for a moment believed in what my husband called his apparitions and revelations, as I thought him laboring under a diseased mind; yet, they may all be true, as a prophet is seldom without credence or honor, excepting in his own family or country; but as my conviction is to the contrary, I shall educate my children in a different faith, and teach them to obey and reverence the laws and institutions of their country."

She also says:

"I am left here, sir, with a family of children to attend to, without any means of giving them an education, for there is not a school in the city, nor is it intended there shall be any here, or at any other place, where the men who now govern this infatuated, simple-minded people, have sway. I have not the least objection that these petty tyrants remove to California, or any other remote place, out of the world if they wish, for they will never be of any service to the Mormons, or the human family, no matter where they go. Their object is to keep the people over whom they rule in the greatest ignorance, and most abject religious bondage, and if these poor, confiding creatures remove with them, they will die in the wilderness."

THE NUMBER OF PASSENGERS which arrived in New York from foreign ports during November was 4099.

THOSE WHO ARE SUFFERING FROM REMITTING or intermitting Bilious Complaints, should read the following, and be guided thereby:

Cause of Pain.—Pain is the consequence of the exertion of the organ or part where it is present to throw off morbid or corrupt humors, or no pain can exist but from the presence of those matters which are of an unhealthy character. When we have pain in the head, in the bowels, or in any part of the body, it only proves the presence of matters which the blood is trying to remove, and it is this struggle which is the occasion of pain. To be relieved only relieves the anguish in proportion as the amount of life is reduced, and the same may be said of all lulling or soothing remedies. Not so with Brandreth's Pills; they at once go to the assistance of the blood in aiding it to discharge bad humors, to conquer the Death Principle. To relieve pain in this way does not leave any bad effects. The Life Principle is not reduced, nor are the teeth destroyed; but all the organs are cleansed and their health insured.

Pauses Reader!!!

This good advice comes from a friend, an educated physician, and one who has been cured of protracted illness, by "THE IMPROVED INDIAN VEGETABLE PILLS" (See Covert's) which are at this moment effecting some of the most remarkable cures on record, and they will continue to heal the sick as long as they are resorted to by them. This is no nostrum, made merely to sell irrespective of its qualities, but a valuable medicine, made by a well informed Physician, of Vegetable Ingredients, pure, efficacious, and harmless. In a few days, we shall make a public report of several more cases of cures (for we note no others) and the public may know on what medicine to rely in time of need.

CAUTION.—As a miserable imitation has been made, by the name of "Sugar Coated Pills," it is necessary to be sure that Dr. G. B. NEALE'S signature is on every box. Price 25 cents.

Principal Office, 179 Greenwich st. New York. Sold by JOHN W. FRIELING, Sunbury, WM. FORTSMEYER, Northumberland. December 13th, 1845.

The following is a recommendation from CASE DIXER, a celebrated performer, and himself a manufacturer:

HAVE had the pleasure of trying the excellent Piano Parties manufactured by Mr. Meyer, and exhibited at the last exhibition of the Franklin Institute, I feel it due to the true merit of the maker to declare that these instruments are quite equal, and in some respects even superior, to all the Pianos I saw at the capitals of Europe, and during a sojourn of two years at Paris.

I BEG leave to inform the public that I have left Philadelphia, and am now located in Harrisburg, the seat of the Executive and legislative Government of Pennsylvania, where I now occupy the spacious Hotel, recently kept by Mr. Matthew Wilson.

This spacious building, having been purposely planned and erected for a Hotel of the first class, is not surpassed if equalled, by any similar establishment in Pennsylvania; and having undergone a thorough renovation, the parlors, rooms and chambers are now fitted up in a style that combines elegance with comfort and convenience.

My TABLE is pledged to be supplied with the best fare the Markets can produce: the charges at the same time being as moderate as any of the best regulated establishments elsewhere. In short, no exertions shall be spared on my part, or on the part of every member of my household, to make it what it should be, in the Capital of one of the most populous and interesting States of the Union.

With these promises, accommodations and facilities, and the fact that the Hotel is most elegantly situated, I with confidence, most respectfully solicit the patronage of the Public.
