In poverty or in wealth; Where is affliction? (where not ?) In the balls of the rich and proud, In the regal palace and humble cot, In earth's most distant and barren spot, In forest and city crowd.

Whence is Affliction? See 'Tis thy Father's gracious hand, That fills thy cup up with agony, The cup he has tasted once for thee; To him surrendered stand.

Why is Affliction? To wean Our hearts from earthly love, To teach us on Him alone to lean, And strive for joys as yet unseen Prepared for us above.

Then, mourner, weep no more Thou shalt thy loved ones meet, When a few days or years are o'er, And with them worship and adore Around thy Saviour's feet.

The King and the Bird-Catcher,

A few years before his death, a dealer in singing birds, from the Prussian part of the Hartz mountains, came to Berlin, and called at the palace, to express in what he thought the best way, his thanks for the kindness which had been shown his sons, who were soldiers, namely, by presenting to the king a so-called piping bullfinch, which, with enduring patience, he had taught to pipe the national air of 'Hail, Frederick William! &c., throughout and correctly, this being the only instance of perfect success. The king smiled, and ordered the b rd-fancier to be shown up, who, having placed the cage containing the interesting songster on the table, the bird, after some kindly words from its music-master, went through the practised air with all the solemnity of a cathedral priest, to the surprise and amusement of the king, whose delight increased when, on his saying, 'De Capo, the bird piped the air again. To the question, 'What's the price !' the pleased l'apogeno replied, 'I won't take money for him; but if my dear king will accept the bird, and love him, the bare thought of his piping in the king's chamber will make me the happiest man of our Hartz, and the first bird-catcher in the world.' The king felt good will towards the honest fellow, who stood before him unabashed in his linen jacket; and Timm, who had been summoned, received his Majesty's commands to have a room prepared for the birdfancier in adjoining wing of the palace, and was more than once summoned into the king's presence who inquired minutely as to the localities of his part of the Hartz, and was amazed at his sensible and frank replies. During this Bank of Swatara stay Timm adroitly obtained such knowledge of his private circumstances and views as contented the king. When the time for the man's departure came, Timm tranked him by the diligence. Arrived at home he found to his utter astonishment, that the mortgage of \$500 on his house had been payed off by command of his Majesty. Thus his unhoped for but highest earthty desire accomplished whilst he was enjoying the sights in Berlin .- Life of the late King of Prussia.

CHANCES OF MARRIAGE.—The following curious statement of Dr. GRANVILLE, is taken from an English paper, It is drawn from the registered cases of 876 women, and derived from their answers to the age at which they respectively married. It is the first ever constructed to exhibit to females their chances of marriage at various ages. Ot 876 females, there mar-

HERR'S HOTEL. HARRISBURG, PA.

BEG leave to inform the public that I have left Philadelphia, and am now located in Harrisburg, the seat of the Executive and State Government of Pennsylvania, where I now occupy the spacious Hotel, recently kept by Mr. Matthew Wilson.

This spacious building, having been purposely planned and erected for a Hotel of the first class, not surpassed if equalled, by any similar establishment in Pennsylvania; and having undergone a thorough renovation, the parlors, rooms and chambers are now fitted up in a style that combines elegance with comfort and convenience.

My TABLE is pledged to be supplied with the best fare the Markets can produce: the charges at the same time being as moderate as any of the best regulated astal lishments elsewhere. In short, no exertions shall be spared on my part, or on the part of every member of my household, to make it what it should be, in the Capital of one of the most populous and interesting States of the Union.

With these promises, accommodations and faci-lities, and the fact that the Hotel is most eligibly situated, I with confidence, most respectfully solicit the patronage of the Public.

OAKLEY'S

DEPURATIVE SYRUP.

HE valuable properties of Oakley's Depure L tive Syrup of Sarsaparilla, as a purifier of the blood, is so well known to the public generally. that it is unnecessary to occupy much space in set ting forth the advantages to be derived from its use; wherever the medicine has once been introduced, it takes precedence over all others; every one that has taken it, have derived so signal beneficial results from it, that it is recommended by them with the u most confidence. Physicians of the highest standing in the profession, prescribe to patients under their care; containing nothing deleterious, but being composed of the most mild, yet efficacious vegetable materials, it is offered with confidence, as the chespest and most efficient purifier of the blood now known. The use of a few bottles, especially in the spring months, will be attended with a most decided improvement in the general strength of the system, eradicating any seeds of disease that may have been generated, besides giving health and vigor to the body. - For the cure of Scrofula or Kings Evil, Rheumatism. Tetter, Pimples or eruptions of the Skin, White Swelling, Fistula, Chronic Cough Asthms, &c. ROSE OINTMENT WM. HEILMAN & CO.,

FOR TETTER. RINGWORMS, PIMPLES ON THE FACE, AND OTHER

The following certificate describes one of the most extraordinary ourse ever effected by any application. PRILADELPHIA, February 10, 1838. FOR twenty years I was severely afflicted with TETTER on the Face and Head: the disease

commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst—the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many as plications, (among them several celebrated preparations) as well as taking inward remedies. cluding a number of bottles of Swaim's Panacea, Extract of Sarsaparilla, &c., In fact, it would be mpossible to enumerate all the medicines I used was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis.) In a few applications the violent itching ceased, the swelling abated, the cruption began to disappear, and before I had used a jar the disease was entirely cured. It has now been nearly a year and a hulf since, and there is not a vestige of the disease remaining, except the scars from the deep pits formed the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction. who will call on me. At the time I commenced using the Rose Ointment I would have given hundreds of dollars to be rid of the disease. Since using it, I have recommended it to several persons among them my mother, who had the disease badon her arm.) who were all cured by it.

JAMES DURNELL, No. 156, Race St. The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race streets, Philadelphia, and sold on agency in Sunbu-H. B. MASSER, May 14th, 1843.

Rose Ointment, for Tetter. A PROOF OF ITS EFFICACY.

PHILADELPHIA, May 27th, 1839. HIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to number of physicians, and used a great many applications without effecting a cure. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, sithough I had never been rid of it at any time for forty years. RICHARD SAVAGE, Eleventh, below Spruce Street.

The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sunbu-H. B. MASSER, May 14th, 1843.

MEDICAL APPROBATION Of the ROSE OINTMENT, for Tetter.

A LTHOUGH the superiority of the preparation over all others is fully established, the proprietors take pleasure in laying before the public the following certificate from a respectable physician, graduate of the University of Pennsylvania. Dr. Baugh, having found in this remedy that relief for a tedious and disagreeable affection which the means within the range of his profession failed to afford. has not hesitated to give it his approbation, although the prejudices and interests of that profession are opposed to secret Remedies.

PRILADELPHIA, Sept. 19, 1836. I was recently troubled with a tedious herpetic eruption, which covered nearly one side of my face, and extended over the ear. Mr. Vaughan, proprie-tor of the Rose Ointment, observing my face, insisted on my trying his preparation, of which he handed me a jar. Although in common with the members of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the public'by ignorant pretenders, I feel in justice bound to except the Rose Ointment from that class of medicines, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications. DANL, BAUGH, M. D. The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sunbury, by May 14th, 1843. H. B. MASSER,
