

ALLEGATION.—The following, which we find in an old newspaper, is, without doubt, the most perfect specimen of allegation extant. Whoever has, at any time, attempted to indite an accuser, is aware of the embarrassment of being confined to particular initial letters. Yet here the whole alphabet is fathomed, and each word on each line claims its own proper initial. It is really a curiosity.

King of Belgrade.
An Austrian army awfully arrayed,
Doubly by battery besieged Belgrade,
Cossack commanders, cannonading come,
Dealing destruction's devastating doom:
Every endeavor engineers essay,
For fame, for fortune—fighting furious fray;
Generals 'gainst generals grapple—gracious God
How honors Heaven, heroic hardihood!
Infernal, indiscriminate in ill,
Kinsmen kill kinsmen—kinsmen kindred kill.
Labor low levels loftiest, longest lines—
Men march 'mid moulds, 'mid moulds, 'mid
march'rous minds.

Now noisy noxious numbers notice nought
Of outward obstacles opposing ought!
Star patriots, partly purchased, partly pressed,
Swift quacking, quickly quarter 'quest;
Ramon returns, religious right requests,
Sorrow stops such sanguinary sounds,
Peace to these Turkey—triumph to thy train!
Unjust, unwise, unmerciful Ukraine!
Vanish vain victory, vanish victory vain!
Why wish we warfare? Wherefore welcome were
Xerxes, Ximenes, Xanthus, Xavier?
Yield! ye youths! ye yeoman yield ye yell!
Zeno's, Zarpator's, Zoroaster's zeal,
Is all attracting arms against appeal!

From the Boston Courier.
Othello in Congress.
OR THE APOSTOPHIC SAUSAGEVOROUS.
Most potent, grave and reverend Representatives,
My noble and approved porkonians,
That I have gobbled up this greasy sausage
It is most true, True, I have bolted it,
and wiped my chops with an old newspaper
The very stretch and grin of my voracity
Hath this extent—no more. Rude are my jaws,
And little graced with niceties of slobbering,
For since these gums of mine had seven years'
teeth,
I'll now some nine moons wasted, they have used
Their keener action upon head and pluck,
And little of the whole hog can I squeak
Now than pertains to feats of broiled whisker,
And therefore leanly have I grinded my grinders
In munching for myself. Yet by my patience
I will a round unvarnished *tail* deliver
Of my whole course of pig; what tripes, what
trotters,
What big black puddings and what mighty sausage
For such pork-feeding I am charged withal
I gormandized in greasy dignity.
Sweet piggy loved me—oft delighted me,
And piggy was the story of my life,
From year to year, the nibbles, bites and chump-
ings!
I grieved it through, even from my boyish days
To the very moment when you caught me at it,
And I can speak of the most slippery lardings,
Of moving accidents by skewer and gridiron,
Of hair breath escapes though to singe your bris-
tles,
When squealing grinders died on point of fox,
Of perils in smoke-house and dripping pan,
Of being baked in the insolent dough,
In pot-pie slavery. Of my nuzzling since,
And tit-bits in my Congress history,
Wherein of antics vast and speeches idle,
Platitudes, fudge, and fibs whose heads touch heav-
en,
'Twas my bad luck to hear:—such was the gamon

Of swaggering cannibals that each other eat—
The *Andro-puffin*—the men whose tongues
Are broader than their shoulders—mighty hoars,
Yet, still the "House affairs" kept me from dinner—
All empty chaff and draft;—which I observing,
Clapped a fried sausage in my breeches pocket,
Wrapped in a ragged "Madisonian."
Whereof by parcels I had something smelt,
But might distinctly. So I clutched and bit it
Before high Heaven: 'Twas fat; 'twas passing
fat.
'Twas peppery; 'twas wondrous peppery!
I wished I had not bit it; yet I wished
Ohio pigs had made me such a sausage,
So catapawpously to be chewed up.
—Off this end I dodge.
You quiz me for the sausage I have munch'd,
And I stomp you to bite a harder one.

A TRADE.—The Huntington Globe describes a trade in wives, which recently took place in Blair county, which is a pretty fair start in the line matrimonial for a new county.—
"The trade took place between Mr. T. and Mr. D., in a written article of agreement, the latter paying the former the following articles, generally denominated as 'boot':—two dollars in cash, three gallons of whisky, two pound of smoking tobacco, one pair of shoes, one bell-crowned hat, such as was the fashion when Adam was a boy, and several innumerable trifles.
On conclusion of the agreement the wives changed places, leaving behind all their movable effects, including the children, and established themselves in their new homes. The parties are in moderate circumstances. Since the above transaction we 'knock under,' and acknowledge Blair county to be ahead of old Hunting-
ton."

The best physicians are Dr. Diet, Dr. Quiet, and Dr. Merryman.—*Old Proverb.*

HERR'S HOTEL, HARRISBURG, PA.

I BEG leave to inform the public that I have left Philadelphia, and am now located in Harrisburg, the seat of the Executive and State Government of Pennsylvania, where I now occupy the spacious Hotel, recently kept by Mr. Matthew Wilson.
This spacious building, having been purposely planned and erected for a Hotel of the first class, is not surpassed if equalled, by any similar establishment in Pennsylvania; and having undergone a thorough renovation, the parlors, rooms and chambers are now fitted up in a style that combines elegance with comfort and convenience.
My TABLE is pledged to be supplied with the best fare the Markets can produce; the charges at the same time being as moderate as any of the best regulated establishments elsewhere. In short, no exertions shall be spared on my part, or on the part of every member of my household, to make it what it should be, in the Capital of one of the most populous and interesting States of the Union.
With these promises, accommodations and facilities, and the fact that the Hotel is most elegantly situated, I with confidence, most respectfully solicit the patronage of the Public.
DANIEL HERR,
Late of Herr's Hotel, Chestnut st., Philad.,
Harrisburg, Nov. 22, 1845.

OAKLEY'S DEPURATIVE SYRUP.

THE valuable properties of Oakley's Depurative Syrup of Sarsaparilla, as a purifier of the blood, is so well known to the public generally, that it is unnecessary to occupy much space in setting forth the advantages to be derived from its use; wherever the medicine has once been introduced, it takes precedence over all others; every one that has taken it, have derived so signal beneficial results from it, that it is recommended by the highest standing in the profession, prescribes it to patients under their care; containing nothing deleterious, but being composed of the most mild, yet efficacious vegetable materials, it is offered with confidence, as the cheapest and most efficient purifier of the blood now known. The use of a few bottles, especially in the spring months, will be attended with a most decided improvement in the general strength of the system, eradicating any seeds of disease that may have been generated, besides giving health and vigor to the body.—For the cure of Scrofula or King's Evil, Rheumatism, Tetter, Pimples or eruptions of the Skin, White Swelling, Fistula, Chronic Cough, Asthma, &c. The numerous certificates in the possession of the undersigned and his agents, from physicians and others, are sufficient to convince the most skeptical of its superiority over all preparations of Sarsaparilla.
Sold wholesale and retail, by the proprietor, GEORGE W. OAKLEY, North 5th street, Reading, Berks County, and to be had of the following persons:
In Northumberland County—H. B. Masser, Sunbury; Ireland & Mixel, McEwen'sville; D. Krauser, Milton.
In Union County—J. Gearhart, Selingsgrove; A. Gutless, Millburg.
In Columbia County—R. W. McCay, Washington.
Reading, March 14, 1843.

MR. OAKLEY—I believe it the duty of every one to do whatever in their power lies, for the benefit of their fellow man, and having had positive proof in my own family, of the wonderful properties of your Depurative Syrup of Sarsaparilla, I most conscientiously recommend it to the afflicted. We had the misfortune to lose two of our children, by the breaking out of ulcers on their faces, which covered the face, head and neck, although we had some of the most scientific physicians to attend them, and had tried all the known remedies, including Sarsaparilla, without avail. Another of my children was attacked in the same manner, her face and neck was completely covered; the discharge was so offensive, and the disease at such a height, that we despaired of her life. Seeing the wonderful effects of your Depurative Syrup of Sarsaparilla, we were induced to make trial of it, as the last resort; it acted like a charm; the ulcers commenced healing immediately, a few bottles entirely restored her to her health, which she has enjoyed uninterruptedly ever since. As a purifier of the blood, I verily believe it has not its equal.

JOHN MOYER, Tailor,
Walnut street, near Fourth, Reading.
Doughlessville, April 19th, 1843.

MR. OAKLEY—My son Edmund Leaf, had the scrofula in the most dreadful and distressing manner for three years, during which time he was deprived of the use of his limbs, his head and neck were covered with ulcers. We tried all the different remedies, but to no effect, until recommended by Dr. Johnson of Northampton, and also Dr. Isaac Hyster, of Reading, to use your Depurative Syrup of Sarsaparilla, of which I obtained several bottles, the use of which drove the disease entirely out of his system, the sore healed up, and the child was restored to perfect health, which he has enjoyed uninterruptedly ever since, to the astonishment of many persons who see him during his affliction. I have thought it my duty, and send you this certificate that others who have the affliction in the family, may know where to obtain so valuable a medicine. Yours truly,

ROSE OINTMENT FOR TETTER.

RINGWORMS, PIMPLES ON THE FACE, AND OTHER CUTANEOUS ERUPTIONS.
The following certificate describes one of the most extraordinary cures ever effected by any application.
PHILADELPHIA, February 10, 1838.

FOR twenty years I was severely afflicted with Tetter on the Face and Head: the disease commenced when I was seventeen years old, and continued until the Fall of 1833, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst—the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many applications, (among them several celebrated preparations) as well as taking inward remedies, including a number of bottles of Swain's Panacea, Extract of Sarsaparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. I was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis.) In a few applications the violent itching ceased, the swelling abated, the eruption began to disappear, and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the scars from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a full account to any person wanting further satisfaction, who will call on me. At the time I commenced using the Rose Ointment I would have given hundreds of dollars to be rid of the disease. Since using it, I have recommended it to several persons, (among them my mother, who had the disease badly on her arm,) who were all cured by it.

JAMES DURNELL, No. 156, Race St.
The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race streets, Philadelphia, and sold on agency in Sunbury, by

Rose Ointment for Tetter. A PROOF OF ITS EFFICACY.

PHILADELPHIA, May 27th, 1839.
THIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a number of physicians, and used a great many applications without effecting a cure. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years. RICHARD SAVAGE, Eleventh, below Spruce Street.

The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race streets, Philadelphia, and sold on agency in Sunbury, by

MEDICAL APPROBATION OF THE ROSE OINTMENT for Tetter.

ALTHOUGH the superiority of the preparation above all others is fully established, the proprietors take pleasure in having before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania. Dr. Baugh, having found in this remedy that relief for a tedious and disagreeable affection which the means within the range of his profession failed to afford, has not hesitated to give it his approbation, although the prejudices and interests of that profession are opposed to accept of Remedies.

PHILADELPHIA, Sept. 19, 1836.
I was recently troubled with a herpetic eruption, which covered nearly one side of my face, and extended over the ear. Mr
