

Curative Effects of Mesmerism. A young lady of Ohio, about 18 years of age, who has been for some time at school at Hartford, Conn. received an injury in the lower part of her spine, in November last, from a fall, which rendered her unable to bear even the slightest elevation toward an erect position, and kept her in continual pain. She was attended by the most skillful physicians without benefit, but at length, under the advice of a physician of this city, she was placed on a bed constructed for the purpose, and brought here by railroad and steamboat, with the view of trying the effects of mesmeric treatment under his direction. She arrived here on the 3d inst. accompanied by her brother-in-law and sister and put up at Judson's Hotel, Broadway. The following evening the physician introduced Mr. Oltz, a distinguished magnetizer, and recommended him to make the proper mesmeric passes along the spine for the purpose of allaying the high nervous excitement under which she was laboring, and which had continued without intermission, from the time of the accident. The passes were quite effectual, and that night she enjoyed sound and refreshing sleep which she had not obtained for the previous five months. The next morning, the magnetizer, by means of her mesmeric passes alone, gradually raised her to an erect position, in which she remained about a minute. In the evening, he operated again, and she was again enabled to sit erect. The doctor then directed him to raise her upon her feet, which he did with a few passes; and, supported by the magnetizer and the physician, she found herself able to walk several times across the room. After resting about fifteen minutes in an easy chair, where her expressions of wonder and gratitude were deeply fervent and affecting, she repeated her walk around and across the room, and retiring full of joy and hope, again passed the night in tranquil sleep. On the following morning, the mesmeric passes proved so effectual that she was considered sufficiently restored to undertake a journey to Philadelphia, that afternoon, on her way to her family in Ohio. Mr. Oltz accompanied her to the depot in Jersey City, and having seated her comfortably in the car, and stowed away her previous travelling couch upon the top, transferred his mesmeric power over her to her brother-in-law and saw her start on her unexpected journey. The following are extracts of a letter from the sister who accompanied her, to her physician in this city, dated Harrisburg, Penn. April 13th, 1846: "I fear our neglecting to write from Philadelphia will lead you to think we do not appreciate the kind interest you took in sister's case. Be assured we do and ever shall remember you with gratitude. * * * Our kind friend Mr. Oltz (to whom you will please remember us) doubtless told you how well we succeeded in getting to the cars. Mr. B. was able to continue the influence to such a degree as to keep her very easy for about two hours, when, owing to some relaxation of effort she became sick at the stomach. We gave her the little globules [Ipecacuanha] which soon relieved that, and then notwithstanding the noise and motion of the cars, Mr. B. succeeded in putting her into a sounder sleep than ever she had been in before, and she awoke from it quite refreshed. For two days after our arrival in Philadelphia she felt too weary for exertion; but on the third night, after being magnetized, she sat up for more than two hours and walked about the room for nearly an hour; she slept well that night, and was next day quite comfortable. We left Philadelphia at half past seven in the morning, and rode nine hours over the roughest Railroad in the country, but under the magic influence she was kept quietly asleep most of the time. She feels much fatigued and sore to day, but is in good spirits at the idea of starting and the comparative ease with which the rest of the journey will be performed."—N. Y. Tribune.

HERR'S HOTEL, HARRISBURG, PA.
I BEG leave to inform the public that I have left Philadelphia, and am now located in Harrisburg, the seat of the Executive and State Government of Pennsylvania, where I now occupy the spacious Hotel, recently kept by Mr. Matthew Wilson.
This spacious building, having been purposely planned and erected for a Hotel of the first class, is not surpassed if equalled, by any similar establishment in Pennsylvania; and having undergone a thorough renovation, the parlors, rooms and chambers are now fitted up in a style that combines elegance with comfort and convenience.
My TABLE is pleased to be supplied with the best fare the Markets can produce; the charges at the same time being as moderate as any of the best regulated establishments elsewhere. In short, no exertions shall be spared on my part, or on the part of every member of my household, to make it what it should be, in the Capital of one of the most populous and interesting States of the Union.
With these promises, accommodations and facilities, and the fact that the Hotel is most elegantly situated, I with confidence, most respectfully solicit the patronage of the Public.
DANIEL HERR,
Late of Herr's Hotel, Chesnut st., Philad., Harrisburg, Nov. 22, 1845.

OAKLEY'S DEPURATIVE SYRUP.
THE valuable properties of Oakley's Depurative Syrup of Sarsaparilla, as a purifier of the blood, is so well known to the public generally, that it is unnecessary to occupy much space in setting forth the advantages to be derived from its use; wherever the medicine has once been introduced, it takes precedence over all others; every one that has taken it, have derived so signal beneficial results from it, that it is recommended by the most distinguished Physicians of the highest standing in the profession, prescribe it to patients under their care; containing nothing deleterious, but being composed of the most mild, yet efficacious vegetable materials, it is offered with confidence, as the cheapest and most efficient purifier of the blood now known. The use of a few bottles, especially in the spring months, will be attended with a most decided improvement in the general strength of the system, enabling the sufferer to give health and vigor to the body.—For the cure of Scrofula or King's Evil, Rheumatism, Tetter, Pimples or eruptions of the Skin, White Swelling, F-stula, Chronic Cough, Asthma, &c. The numerous certificates in the possession of the subscriber and his agents, from physicians and others, are sufficient to convince the most skeptical of its superiority over all preparations of Sarsaparilla.

Reading, March 14, 1843.
MR. OAKLEY—I believe it the duty of every one to do whatever is in their power, for the benefit of their fellow man, and having had positive proof in my own family, of the wonderful properties of your Depurative Syrup of Sarsaparilla, I most conscientiously recommend it to the afflicted. We had the misfortune to lose two of our children, by the breaking out of ulcers on their faces, which covered the face, head and neck, although we had some of the most scientific physicians to attend them and had tried all the known remedies, including Swain's Panacea, without avail. Another of my children was attacked in the same manner, her face and neck was completely covered; the discharge was so offensive, and the disease at such a height, that we despaired of her life. Seeing the wonderful effects of your Depurative Syrup of Sarsaparilla, we were induced to make trial of it, as the last resort; it acted like a charm; the ulcers commenced healing immediately, a few bottles entirely restored her to her health, which she has enjoyed uninterruptedly ever since. As a purifier of the blood, I verily believe it has not its equal.
JOHN MOYER, Tailor,
Walnut street, near Fourth, Reading.
Douglassville, April 19th, 1843.
MR. OAKLEY—My son Edmund Leaf, had the scrofula in the most dreadful and distressing manner for three years, during which time he was deprived of the use of his limbs, his head and neck were covered with ulcers. We tried all the different remedies, but to no effect, until recommended by Dr. Johnson of Norristown, and also Dr. Isaac Heister, of Reading, to use your Depurative Syrup of Sarsaparilla, which I obtained several bottles, the use of which drove the disease entirely out of his system, the sores healed up, and the child was restored to perfect health, which he has enjoyed uninterruptedly ever since, to the astonishment of many persons who seen him during his affliction. I have thought it my duty, and send you this certificate that others who have a like affliction in the family may know where to obtain so valuable a medicine.

ROSE OINTMENT FOR TETTER.
RINDWORMS, PIMPLES ON THE FACE, AND OTHER CUTANEOUS ERUPTIONS.
The following certificate describes one of the most extraordinary cures ever effected by any application.
PHILADELPHIA, February 10, 1838.
FOR twenty years I was severely afflicted with Tetters on the Face and Head; the disease commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst—the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many applications, (among them several celebrated preparations) as well as taking inward remedies, including a number of bottles of Swain's Panacea, Extract of Sarsaparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. I was also under the care of two of the most distinguished Physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis.) In a few applications the violent itching ceased, the swelling abated, the eruption began to disappear, and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the scars from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction, who will call on me. At the time I commenced using the Rose Ointment I would have given hundreds of dollars to be rid of the disease. Since using it, I have recommended it to several persons, (among them my mother, who had the disease badly on her arm,) who were all cured by it.

Rose Ointment, for Tetters. A PROOF OF ITS EFFICACY.
PHILADELPHIA, May 27th, 1839.
THIS is to certify that I was severely afflicted with Tetters in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a number of physicians, and used a great many applications without effecting a cure. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years.
