

The Poor and the Rich,

BY JAMES RUSSEL LOWELL. The rich man's son inherits lands. And piles of brick, and stone and gold, And he inherits soft white hands, And tender flesh that fears the cold. Nor dares to wear a garment old; A heritage, it seems to me, One would not care to hold in fee. The rich man's son inherits cares, The bank may break, the factory burn, Some breath may burst his bubble shares, And soft, white hands would scarcely earn A living that would suit his turn : A heritage, it seems to me, One would not care to hold in fee. What does the poor man's son inherit ? Stout Muscles and a sinewy heart, A hardy frame, a hardier spirit? King of two hands, he does his part In every useful toil and art; A heritage, it seems to me. A king might wish to hold in fee What does the poor man's son inherit? A patience learned by being poor, Courage, if sorrow come, to bear it; A fellow feeling that is sure To make the outcast bless his door; A heritage, it seems to me. A king might wish to hold in fee. Oh, rich man's son, there is a toil That with all others level stands; Large charity doth never soil, But only whitens soft white hands; A heritage it seems to me, Worth being rich to hold in fee. Oh, poor man's son, scorn not thy state; There is worse weariness than thine, In merely being rich and great; Work only makes the soul to shine, And makes rest fragrant and benign; A heritage it seems to me, Worth being poor to hold in fee. Both heirs to some six feet of sod Are equal in the earth at last-Both children of the same dear God, Prove title to your heirship vast By record of a well-filled past! A heritage, it seems to me, Well worth a life to hold in fee.

The Bath of the Nymphs.

Bathing in company with troops of girls formed one of my | Philadelphia Loan Co. chief amusements. We sometimes enjoyed the recreation in a minature lake, into which the central stream of the valley expanded. This lovely sheet of water was almost circular in figure, and about three hundred yards across. Its beauty was indescribable. All around its banks waved luxurient masses of tropical foli- Bank of Washington ege; soaring high above which were to be seen, here and there, the symmetrical shaft of the cocoa-nut tree, surmounted by its tuft of graceful branches, drooping in the air like so many ostrich plumes. The ease and grace with which the maidens of the valley propelled themselves through the water, and their familiarity with the element, were truly astonishing. Sometimes they might be seen gliding along just under the surface, without apparently moving hand or foot; then throwing themselves on their sides, they dart through the water, revealing glimpses, of their forms, as, in the course of their rapid progress, they shot for an instant partly into the air; at one moment they dived down deep, into the water, and the next they rose bounding to the surface. I remember upon one occasion plunging among a parcel of these water nymphs, sought to drag some of them under water; but I quickly repented my temeriy. The amphibious young creatures swarned about me like a shoal of dolphins, and seizing hold of my devoted limbs, tumbled me about and ducked me under the surface until, from the strange noises which rang in my ears, and the supernatural visions dancing before my eyes, I thought I was in the land of spirits. I stood inneed, as little chance among them as a cumtrous whale attacked on all sides by a legion of word fish. When at length they relinquished their hold of me, they swam away in every direction, laughing at my clumsy endeavors to reach them .- Me'ville's Residence in the Mar-

HAVING had the pleasure of trying the excellent Piano Fortes manfactured by Mr. Meyer, and G. & F. C. Moyer. Lewisburg-Walls & Green, exhibited at the last exhibition of the Franklin Institute, I feel it due to the true merit of the maker to declare that these instruments are quite equaland in some respects even superior, to all the Piano Fortes, I saw at the capitals of Europe, and during a sojourn of two years at Paris.

These Pianes will be sold at the manufacturer's lowest Philadelphia prices, if not something lower. Persons are requested to call and examine for themselves, at the residence of the subscriber, Sunbury, May 17, 1845. H. B. MASSER.

OAKLEY'S DEPURATIVE SYRUP.

THE valuable properties of Oakley's Depura-L tive Syrup of Sarsaparilla, as a purifier of the blood, is so well known to the public generally. that it is unnecessary to occupy much space in setting forth the advantages to be derived from its use; wherever the medicine has once been introduced, it takes precedence over all others; every one that has taken it, have derived so signal beneficial results from it, that it is recommended by them with the utmost confidence. Physicians of the highest standing in the profession, prescribe it to patients under their care; containing nothing deleterious, but being composed of the most mild, yet efficacious vegetable materials, it is offered with confidence, as the cheapest and most efficient purifier of the blood now known. The use of a few bottles, especially in the spring months, will be attended with a most decided improvement in the general strength of the system, eradicating any seedof disease that may have been generated. giving health and vigor to the body .- For the cure of Scrofula or Kings Evil, Rheumatism, Tetter, Pimples or eruptions of the Skin, White Swelling, Fistula, Chronic Cough Asthma, &c. The numerous certificates in the possession of the subscriber and his agents, from physicians and others, are sufficient to convince the most skeptical of its superiority over all preparations of Sarsaparilla.

Mn. OAKLEY :- I believe it the uty of every one to do whatever in their powerlies, for the benefit of their fellow man, and having had positive proof in my own family, of the wonderful properties of your Depurative Syrup of Sarsaparilla, I most conscientiously recommend it to the afflicted. We had the misfortune to lose two of our children, by of all kinds, Dry Paints, Tar, Varnish and Wax, the breaking out of ulcerous sores that covered the face, head and neck, although we had some of the most scientific physicians to attend them and had tried all the known remedies, including Swaim's Panacea, without avail. Another of my children was attacked in the same manner, her face and neck was completely covered; the discharge was so offensive, and the disease at such a height, that we despaired of her life. Seeing the wonderful effects of your Deporative Syrup of Sarsapariila, we were induced to make trial of it, as the last resort; it acted like a charm; the vicers commenced healing immediately, a few bottles entirely restored her to her health, which she has enjoyed uninterruptedly ever since. As a purifier of the blood, I verily behere it has not its equal,

Douglassville, April 19th, 1843. MR. OAKLEY :- My son Edmund Leaf, had the scrofula in the most dreadful and distressing manner for three years, during which time he was deprived of the use of his limbs, his head and neck were covered with ulcers. We tried all the different remedies, but to no effect, until recommended by Dr. Johnson of Norristown, and also Dr. Isaac Hiester, of Reading, to use your Depurative Syrup of Sarsaparilla, of which I obtained several bottles, the use of which drove the disease entirely out of his system, the sore healed up, and the child was restored to perfect health, which he has enjoyed uninterruptedly ever since, to the astonishment of many persons who seen him during his affliction. I have thought it my duty, and send you this certificate that others who have a like affliction in the family may know where to obtain so valuable a Yours truly. medicine.

ROSE OINTMENT WM. HEILMAN & CO., FOR TETTER.

RINGWORMS, PIMPLES ON THE FACE, AND OTHER CUTANEOUS ERUPTIONS. The following certificate describes one of the most extraordinary oures ever effected by any

application.

PRILADELPHIA, February 10, 1838. FOR twenty years I was severely afflicted with TETTER on the Pace and Head: the disease commenced when I was seventeen years old, and continued until the Pall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst-the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many at plications, (among them several celebrated preparations) as well as taking inward remedies, including a number of bottles of Swaim's Panacea. Extract of Sarsaparilla, &c. In fact, it would be impossible to enumerate all the medicines I used. was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cored. In the fall of 1836, the disease at the time being very violent, I commenced using the Rose Ointment, (prepared by Vaughan & Davis.) In a few applications the violent itching ceased, the swelling abated, the cruption began to disappear, and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the scars from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction. who will call on me. At the time I commenced using the Rose Ointment I would have given hundreds of dollars to be rid of the disease. Since using it, I have recommended it to several persons among them my mother, who had the disease bad-

on her arm.) who were all cured by it.

Rose Cintment, for Tetter. A PROOF OF ITS EFFICACY.

PHILADELPHIA, May 27th, 1839. PHIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to number of physicians, and used a great many applications without effecting a cure. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years. RICHARD SAVAGE, Eleventh, below Spruce Street.

MEDICAL APPROBATION

Of the ROSE OINTMENT, for Tetter. A LTHOUGH the superiority of the preparation over all others is fully established, the proprietors take pleasure in laying before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania, Dr. Baugh, having found in this remedy that relief for a tedious and disagreeable affection which the means within the range of his profession failed to afford, has not hesitated to give it his approbation, although the prejudices and interests of that profession are opposed to secret Remedies.

PRILADELPHIA, Sept. 19, 1836. I was recently troubled with a tedious herpetic eruption, which covered nearly one side of my face, and extended over the ear. Mr. Vaughan, proprietot of the Rose Ointment, observing my face, maisted on my trying his preparation, of which he handed me a jar. Although in common with the members of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the public by ignorant pretenders. I feel in justice bound to except the Rose Ointment from that class of medicines, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications. DANL BAUGH, M. D.

The Rose Ointment is prepared by E. B. Vaughan, South East corner of Third and Race Streets, Philadelphia, and sold on agency in Sun-H. B. MASSER, May 14th, 1843.
