

Later from the Mormon Country.
Formation, and Rejection by the Anti-Mormons of Articles of Compromise—Their Encampment Three Miles from Nauvoo—Resignation of General Singleton—Col. Brockman in Command.

The last accounts from Hancock county report that the anticipated battle between the Mormons and Anti-Mormons had not yet taken place. The agreement entered into by General Singleton and others on behalf of the Anti-Mormons was rejected. Gen. Singleton withdrew from all connection with the Anti-Mormons on the rejection of the compromise, and Col. Brockman, of Brown county, was elected to take the command. Before Brockman consented to assume this station, he required a sacred pledge from the officers and men who elected him, that in case they were permitted to march into Nauvoo without opposition, no injury should be done to person or property.

The Anties have pledged themselves to commit no violence in Nauvoo if they are permitted to enter it without opposition. The Mormons may consent to let them march in and execute the writs they hold if they can find the persons they are against. Unless some such conditions are agreed to by the Mormons, the alternative will be a fight. Gov. Ford sends Major Flood, to supersede Major Parker, with the militia of the State, if need be, to quell the disturbances.

Later and Important.
to Fifteen Killed—Great Excitement, &c., &c.
 Louis Republican, of the 14th inst. reports a battle took place between the Anti-Mormons and the 11th Regt. of Missouri, near the city of Nauvoo, on the morning of the 11th inst. up their line of march for the city.

On ascertaining the movements of their foes, the Mormons beat to quarters, mustered between three and five hundred men, and went forth to meet their adversaries.

The antagonistic parties met about one mile east of the Temple, where a battle commenced. The "Saints" and the "Gentiles" fired upon each other for two hours, but the distance was so great that their leaden missiles were materially deprived of their death-dealing properties.

Having somewhat appeased their wrath, the fugitives drew off, each party returning to its original position in the morning.

The Mormons in this affair had one man killed and two badly wounded.

The Anties, numbering upwards of eight hundred, returned to camp, with a loss of from eight to fifteen killed.

The excitement was very great in the vicinity, and it was generally supposed that the battle would be resumed, either that evening or the next morning.

Another Battle.
 By the St. Louis Reveille we learn that the Mormons and Anti-Mormons had a second battle on Saturday afternoon, the 12th, which ended as before, in the Anties retreating to their camp. It is described as a very spirited engagement. Every attempt by the Anti-Mormons to pass the position of the Nauvovites, proved unsuccessful. The fight continued for two hours and a half.

The number killed on the part of the Anti-Mormon force is unknown. At Carthage they only acknowledge to six badly wounded—Capt. Smith, one of the number, mortally. Every preparation was making on both sides for another battle.

So determined are the Mormons to maintain their position, that every exertion will be made to repel the mob.

PAIN OR DISTRESS OF ANY KIND, whether of gout, rheumatism, headache, tooth-ache, or any other kind of ache, is in all cases caused by impure humors of the blood, which have lodged upon the parts, and which nothing save vegetable purging, (purifying) can remove, because by no other means can impurity be driven from the body.

Wright's Indian Vegetable Pills have no superior, if indeed they have an equal, in removing every description of pain; because they carry off by the stomach and bowels, all morbid and corrupt humors, (the cause of disease) in so easy and natural a manner, that the body is actually restored to health as it by magic. Four or five of said Indian Vegetable Pills, taken once in twenty-four hours, on going to bed, will in a short time not only drive pain or distress of every kind from the system, and restore the body to a state of sound health, but the blood and other fluids will be so completely purified, that new life and vigor will be given to the whole frame.

Caution.—It should be remembered that Mr. Ward Cole, of Philadelphia, Mr. John Dixon, Easton, Pa., and Messrs. Browning & Brothers, Philadelphia, are not agents of ours, and as they purchase no Wright's Indian Vegetable Pills at our office, we cannot guarantee any genuine any medicine they may have for sale.

FEVER AND AGUE, AND ALL FEVERS CURED BY BRANDRETH'S PILLS.—All fevers are occasioned by the disordered motion of the blood, produced by the humoral serosity by hardening the valves of the vessels. The blood circulates with greatly increased speed, and is still increased by the friction of the globules, or particles which compose the mass of fluids. Then it is that the excessive heat and chills is experienced through-out the whole system, and accompanied with great thirst, pain in the head, back, kidneys, and in fact a complete prostration of all the faculties of the mind as well as body.

On the first attack of fever, or any disease, immediately take a large dose of Brandreth's Vegetable Universal Pills, and continue to keep up a powerful effect upon the bowels until the fever or pain has entirely ceased. Six or eight will in most cases be sufficient as a dose, and one dose of this kind it is not improbable, may prevent months of sickness, perhaps death.

Dr. Benjamin Brandreth's Vegetable Universal Pills, are indeed a universally approved medicine, which by its peculiar action, cleanses the blood of all impurities, removes every Pain and Weakness, and finally Restores the Constitution to perfect Health and Vigor.

A NATURAL REMEDY
 Suited to the Human Constitution, and equal to the cure of every curable Disease, will be found in

WRIGHT'S INDIAN VEGETABLE PILLS, OF THE North American College of Health.

THESE extraordinary Pills are composed of plants which grow spontaneously on our own soil, and are, therefore, better adapted to our constitutions than Medicines concocted from foreign drugs, however well they may be compounded; and as WRIGHT'S INDIAN VEGETABLE PILLS are founded upon the principle that the human body is in truth SUBJECT TO BUT ONE DISEASE, namely, corrupt humors, and that said Medicine cures this disease on NATURAL PRINCIPLES, by cleansing and purifying the body, it will be manifest that, if the constitution be not entirely exhausted, a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to retain a swamp or morass to fertility, we do so by the superabundance of it. In like manner, if we wish to restore the body to health, we must cleanse it of impurity. WRIGHT'S INDIAN VEGETABLE PILLS will be found one of the best, if not the very best medicine in the world for carrying out this GREAT PURIFYING PRINCIPLE, because they expel from the body all morbid and corrupt humors, the cause of the disease, in an easy and Natural Manner; and while they every day GIVE EASE AND PLEASURE, disease of every name is rapidly driven from the body.

EXTRAORDINARY DISCOVERY!

DEAFNESS CAN BE CURED!!
 COOPER'S EFFERAL OIL.—A prompt and infallible remedy for Deafness, also for pains and discharge of matter from the Ear.

Hundreds of cures in cases deemed utterly hopeless have firmly established its superiority over every former Medical discovery. This valuable Acoustic Medicine is a compound of four different Oils, one of which, the active and principal ingredient, is obtained from the bark of a certain species of WALNUT, a new and effectual agent in the cure of Deafness.

Persons who had been deaf for 10, 15 and even 20 years, have been permanently cured by using this oil. In fact, an enormous and so emphatic have been the testimonials in its favor, that the inventor claims for it the distinction of an Infallible Remedy, in all cases, when the Ear is perfect in its formation.

Poison.
 WE think a man who will make and palm upon an unsuspecting person, a "Sugar Coated Pill," not having on the box Dr. G. Benj. Smith's signature, would not hesitate to sell poison, regardless of all consequences. No "Sugar Coated Pills" can be relied upon, unless Dr. Smith's signature is on the box, and all others are either imitation or counterfeit, and of course dangerous to use.

CAUTION.—As a miserable imitation has been made, by the name of "Sugar Coated Pills," it is necessary to be sure that Dr. G. Benj. Smith's signature is on every box. Price 25 cents. Principal Office, 179 Greenwich St. N. York. Sold by JOHN W. FRILING, Sunbury, and WM. FORSYTHE, Northumb'd, Sept. 19, 1846.

It is situated on the pool of the Shamokin dam at the eastern termination of the Northumberland Ridge. Its proximity to the thriving boroughs of Sunbury and Northumberland, and the probability that the hills contain valuable loads of iron Ore and its admirable location in the heart of the Iron and Coal regions of Pennsylvania, to which there is a heavy and increasing emigration, gives this property an additional value, and renders it well worthy of the attention of capitalists.
