A DETERMINATION OF BLOOD TO THE HEAD, &. it is called, can be accounted for upon no other principle than Trom Corrupt and stagment hamors in the venous circulation, which prevent the proper return of the vital fluid to the heart. The blood can have no more predilection for the head than for any other part ; indeed its own specific gravity would give it a tendency to the extremities ; but when the passages are choked up, and it becomes, as it were, prisoner in the head, ho wonder there is a distension or swelling of the blood vessels, a pressure upon the brain, and eadache, giddiness, palpitation of the heart, ininity, apoplexy, and other dreadful results.

Wright's Indian Vegetable Pills are always prevent the above unpleasant co plaints, because they expel from circulation those very humors which are the cause not only of all disordered motions of the blood, but of every malady incident to man. They also aid and improve digestion, and therefore will most assuredly give health and vigor to the body, as well as prevent any evil consequences from what is termed a rush of blood to the head. -

Caut on .- It should be remembered that Mr Edward Cole, of Philadelphia, Mr. John Dixon, of Easton, Pa., and Messrs, Browning & Brothers, of Philadelphia, are not agents of ours, and as they purchase ne Wright's Indian Vegetable Pills at our office, we cannot guaranty as genuine any med cine they may have for sale.

O'T Agent for the sile of Wright's In-lian Vegeta ble Pills in Southery, HEYRY MASSER, For other agencies see advertisement in another column.

PEYER AND AGUE, AND ALL PRYERS CURED by BRANDRETT's PILLS .- All fevers are occasioned by the disordered motion of the blood, produced by the disordered motion of the blood, produced by the humoral serosity by hardening the valves of the vessels. The Mood circulates with greatly inversated speed, and is still increased by the Iriction of the globales, or particles which compose the mass of fluids. Then it is that the excessive heat and this is experienced through ut the whole avalent. of the globates, or particles which compose the mass thi Is is experienced through ut the whole system, and accompanied with great thirst, pain in the head, back, kidneys, and in fact a complete prostration of all the faculties of the mind at well as body;

On the first attack of fever, or any distase, immediately take a I rge dose of Brandreth's Vegerable Universal Pills, and continue to keep up a powerful effect upon the howels until the fever or pain has entirely reased. Six or eight will in most tases be sufficient as a dues, and one those of this kind it is not improbable; may prevent mot be of sickness, perhaps death.

Dr. Benjamin Brandreth's Vegetable Universa Pills, are indred a universally approved medicine, which by its peculiar series, cleanses the blood of all impurities, removes every Pars and Weakness, and finally Restores the Constitution to perfect Health and Vigor.
