

Late from the Army.
The steamship Alabama arrived at New Orleans on the 15th instant, bringing dates from Brazos to the 11th, and Monterey to the 1st. Gen. Taylor had returned from Saltillo, which was all in the quiet possession of the troops under Gen. Worth. No demonstration had been made against him, though at a distance of only thirty miles the scouts of Gen. Worth had discovered about 3000 cavalry, said to have been sent from Potosi. Gen. Wool has been ordered by Gen. Taylor to occupy the town of Parras. The inhabitants made no opposition to Gen. Wool, but were prepared to receive him peacefully. His troops are enjoying excellent health, and are in the finest state of discipline. It was understood that General Taylor would occupy all the posts and towns upon the line of operations to Tampico. He would himself shortly take up the line of march upon Victoria, where rumor says Santa Anna has 10,000 choice troops. The possession of Victoria is indispensably necessary to Gen. Taylor to secure his lines of communication in an attack upon Potosi. Santa Anna would not doubt resist the attempt. Gen. Taylor was expected to march by the 10th December with the 3d, 4th and 7th Infantry, the dragons under Col. Harney, Bragg's battery and two regiments of volunteers. Gen. Butler would be left in command of Monterey, if his health should admit, otherwise the command would devolve upon Col. South.

Gen. Butler's wound was not improving. It was said on good authority that Santa Anna, fearing that the new Congress which was about to assemble at the capital would not sustain him, had marched thither with seven thousand men, under the pretence of putting down another outbreak among the populace. Potosi was in a strong state of defence, and daily receiving additions to its strength. Gen. Shields was to take command of Tampico. Gen. Pillow was to take command of the volunteers attached to Gen. Patterson's brigade, and march for Victoria. A rumor prevailed at Brazos on the 11th, and was generally believed, that 60 Government wagons, with provisions and specie, had been captured by Canales, on the road between Camargo and Mier. It was believed that Santa Anna intended to harass Gen. Taylor and make a stand against him, which will soon require hard fighting.

RHEUMATISM AND GOUT.—Wright's Indian Vegetable Pills are a most extraordinary medicine for the cure of Rheumatism and Gout, because they not only cleanse the stomach and bowels of those unwholesome humors, which if taken into the circulation and thrown upon the membrane and muscle, are the cause of the above painful maladies; but they also absorb the venous matter which is already deposited, and therefore are absolutely certain to make a perfect cure of Rheumatism and Gout. A six to 25 cent box of Wright's Indian Vegetable Pills will often give the most astonishing relief, and in severe cases according to directions will be certain to drive pain of every description on the body. The popularity of Wright's Indian Vegetable Pills has proved a strong bait to unprincipled men, who, instigated by the hope of gain, attempt to palm off a spurious article on the unsuspecting. To defeat the wicked designs of such we have procured new labels, and the Signature of Wm. Wright will be found written with ink on the top label of each box. None other imitate, and to counterfeit this is forgery. Remember, the only original and genuine INDIAN VEGETABLE PILLS have the WRITTEN SIGNATURE OF Wm. WRIGHT on the top of each box.

STABIOUS AND EPIDEMIC DISEASES.—Wright's Indian Vegetable Pills are adapted to the nature of the fever, or will be no propagation of the epidemic. The use of the pills is adapted to the nature of the fever, or will be no propagation of the epidemic. The use of the pills is adapted to the nature of the fever, or will be no propagation of the epidemic.

INFAMOUS TRAFFIC!—FEVER AND AGUE PATENT.—It is not an infamous traffic for wholesale and retail druggists, and other merchants, to buy spurious, adulterated, repudiated and counterfeit Rowand's Tonic Mixture at auction, and sell it as the genuine article, and thus to sell the ignorant and unwary as the genuine Rowand's Tonic Mixture for one dollar the article! and when they well know besides that this counterfeit trash has been universally pronounced worthless and inert, and will not cure the fever of no more human or dastardly conduct in laying any claims to respectability or honesty. Look carefully for the written signature of John R. Rowand, on a paper label across the outer of every bottle, without which "guard" it can be genuine, however knavish sellers may ally and deceive. For sale in the suburbs of the city by the storekeepers generally. Also at No. 28 North 3d st., at the Proprietor's office, No. 136 Callowhill st., Philadelphia. And also by the storekeepers generally in this and the adjoining counties.

HANCE'S SARSAPARILLA, OR BLOOD PILLS.
WHAT IS THE PRINCIPLE WHICH WE CALL THE BLOOD?
THE BLOOD IS THAT PRINCIPLE BY WHICH THE WHOLE SYSTEM IS REGULATED. Therefore if the blood becomes impure, a general derangement of the system must ensue; and give rise to Coughs, Colds, Influenza, Dropsy, Headache, Fulms of Blood, Bilious, Scarcie, Toothache, Pains of all kinds, Indigestion, Weakness of Stomach, Rheumatism and Rheumatic Affection, Nervous Affections, Liver Complaint, Asthma, Pleurisy, Inflammation of the Lungs, Low Spirits, Fits, Measles, Small Pox, Whooping Cough, Croup, Sore Eyes, Inward Weakness, Worms, Quinsy, Bronchitis, Cholera, Dysentery, Gravel, Salt Rheum, Deafness, and other affections of the Ear, St. Anthony's Fire, Scarcie, or King's Evil, Ulcers, White Swellings, Tumors, Biles, Suppressed Monthly Discharge, and Female Complaints in general, Scarcie of the Skin, Habitual Constipation, and all diseases depending on a disordered and diseased state of the blood, or a suspension of the healthy secretions.

Therefore, on the first appearance of any of these Symptoms, HANCE'S SARSAPARILLA, OR BLOOD PILLS! should be procured, and used according to the directions. PRICE 25 CENTS per Box of FIFTY PILLS, OR FIVE BOXES for ONE DOLLAR.

For sale by SETH S. HANCE, corner of Charles and Pratt sts., and 108 Baltimore street, and by GEORGE BRIGHT, Sunbury, D. BRAUTIGAM, Northumberland. Dec. 26, 1846.

FURTHER PROOFS OF THE EFFICACY OF HANCE'S COMPOUND SYRUP OF HOREHOUND IN RELIEVING AFFLICTED MAN!
Mr. GEORGE T. WARRINGTON, residing in York, Pa., Federal Hill, Baltimore, was attacked with a violent cough and sore throat after trying many remedies, was induced by a friend to use Hance's Compound Syrup of Horehound, and before using one bottle, was entirely cured.

"Nature and Experience our Guide."
THE extraordinary and well attested cures wrought by the celebrated SCAR COATED PILLS, or Dr. Smith's Improved Indian Vegetable Pills, have naturally drawn public attention to them. Perhaps in the history of Medicine, from the time of Hippocrates to the present day, there is no record of a medicinal compound obtaining equal celebrity in so short a time. There was never a medicine recommended by such high authorities as Dr. Smith's Pills. Besides their great curative properties, (possessing as they do, such astonishing powers to open all the natural drains of the body, viz: the lungs, Kidney, Skin and Bowels), they are unlike all other pills, extremely pleasant, being coated with sugar, and as they do not grip, nor produce nausea, or any other unpleasant consequences, they have become very popular for Dyspepsia, Headache, Constipation, Bilious complaints, Foul Stomach, Fevers, Worms, Want of Appetite, Impurities of the Blood, Obstructions and Female Complaints generally, Colds, &c. One of the most influential and benevolent ladies in New York, Mrs. S. A. Gould, Matron of the U. S. Naval Hospital, says, "There is no medicine in her knowledge so well adapted to the numerous ailments of mankind, as Dr. Smith's Sugar Coated Pills." She respects the recommendation of them to ladies.

Ed. Koussel's Universal SHAVING CREAM.
Small quantities given without Charge.
At 114 Chestnut St., PHILADELPHIA.
THIS new and splendid article, as its name denotes, is proved to be superior to any Shaving Cream in the United States or Europe. It is unsurpassed for beauty, purity and fragrance, and somewhat analogous to Guilaine's Ambrosial Cream and other similar compounds. It far surpasses them all by the eminent purity consistency of its lather, which softens the beard as to render shaving pleasant and easy. It further possesses the advantage over the imported article, in being freshly prepared, no skill being wanted in its manufacture. E. Koussel having had many years' experience in the celebrated Laboratory of L'Esperance, Paris, now Resided & Co., of Paris.
Best being the best, it is the cheapest article for shaving; it is elegantly put up in boxes, with splendid steel engraved labels.
Price \$3 per dozen, or 37 1/2 cents for a single box, to shave one year. It is also sold at 25 Cts. per box, or 12 1/2 cents per oz., so that gentlemen can have their boxes filled at ED. KOUSSEL'S, Wholesale and Retail Perfumery and Mineral Water Establishment, 114 Chestnut Street, Dec. 19, 1846.—PHILADELPHIA.

Any further information will be given on application in the sub-city. By order of the Board of Managers, D. BRAUTIGAM, Pres't., North'd, Dec. 19, 1846.—dt North'd B. Co.

FEVER & AGUE.
TENS OF THOUSANDS of unhappy beings in the "Age Section" of our country are now tormented with that "bated complaint" FEVER & AGUE, or BILIOUS INTERMITTENT FEVER, or CHILLS and FEVER, as it is variously called. The universal voice of this entire country "from Maine to Georgia" and from the Atlantic to the Rocky Mountains, declares
ROWAND'S IMPROVED TONIC MIXTURE
to be the great and only safe, sure and radical cure, when properly used. This medicine is unobtainable. It restores the natural feelings and elasticity of the constitution in a manner that no other will.

Extract of a letter, dated
Lawestown, Pa. Oct. 10, 1843.
"Every bottle of the Improved Tonic Mixture sent has been sold, and I do not know of one instance that it did not effect a cure. Four bottles cured five cases of the worst kind of Fever and Ague—no case was proved. After trying Quinine and all other cures I thought of my Physician, finding no relief, I finally sent for one bottle of your Tonic Mixture, and was relieved in five or six 24 hours. Please send on a fresh supply, as there is no more left."
Yours truly,
SAMUEL HOPPER.
Sold on Agency in Sunbury by H. Masser and others, and all the Storekeepers in the adjoining Counties.

A NATURAL REMEDY
Sued to the Human Constitution, and equal to the cure of every curable disease, will be found in
WRIGHT'S INDIAN VEGETABLE PILLS,
OF THE
North American College of Health.

THESE extraordinary Pills are composed of plants which grow spontaneously on our own soil, and are therefore adapted to our constitution. Their medicinal properties are such, however, that they may be compared to and as WRIGHT'S INDIAN VEGETABLE PILLS are founded upon the principle that the human body is in truth SUBJECT TO BUT ONE DISEASE, namely, CORRUPTION; and that said Medicine cures this disease on NATURAL PRINCIPLES, by cleansing and purifying the body, it is manifest that, if the constitution be not entirely exhausted, a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.
When we wish to restore a swamp of nature to fertility, we drain it of the superabundant water. In like manner, if we wish to restore the body to health, we must cleanse it of impurity.
WRIGHT'S INDIAN VEGETABLE PILLS will be found one of the best, if not the very best medicine in the world for carrying out this GREAT PURIFYING PRINCIPLE, because they expel from the body all morbid and corrupt humors, the cause of the disease, in an easy and NATURAL MANNER; and while they every day OVERCOME every disease of every name is rapidly driven from the body.
