BY THE TOUNG 'UN. A brace of legs, thrust considerably too far through a pair of mottled pants, and attached to a couple of the largest sized feet, which were encored in twin cowhide brogsns, formed the coderpinning to a long, slabsided body, of otherwise generous proportions—the whole being carmounted by a head, which was covered with s grey five year old, (at least) sent skin cap. This sum total-legs, pents, feet, body, and Sir Zenes Humspun.

Zenas had been on'a bat' during the night previous, and had squandered full half a dollar on himself, in white eye and aweetening. But his returning senses made him feel philosophi-cel; and on the morning we speak of him, he stool, at an early hour, in ____street, gazing mechanically at the Telegraph wire-sololoqui-

zing thus wise :
