PROVISIONS (IRELAND).—The gross total quantity of grain and meal landed in Ireland during the ten months preceding the 22d of May last, amounted to 1,295,074 quarters, of which 900,176 quarters came from foreign countries and British possessions, and 397,899 quarters from Great Britain.

The king of Belgium is reported to be in a very precarious state of health, (insanity;) this untoward circumstance, combined with the critical position of the ministry, in consequence of the recent elections, and the age of the king of the French, create considerable uneasiness in political and monetary circles.

GEN. TAYLOR AND HIS SOLDIERS.—The attachment which Gen. Taylor's soldiers feel for him is illustrated by the following anecdote told by the New Orleans Picayune:

A few days ago a volunteer just returned from the war stopped at the office of a friend of ours to ask some question in regard to the locality of the city. Whilst standing at the door it commenced raining. Our friend invited the soldier in, and was highly delighted with the intelligent and ready replies he made to inquiries concerning the country through which he had passed. As he was about to leave our friend asked him if he could do him any service—that he was a native of the city, and would be glad to serve him in any way.—The soldier answered that he wanted nothing, but was as much obliged to him for his kind offer as though he had had occasion to profit by it. He then bowed and left; but he had scarcely gone fifty yards before he returned, as though he had forgotten something. Approaching our friend he said—"Stranger, you have promised to do me a favor, if I should ask one."—"Certainly," was the reply, "and I am ready to do so now."—"Not now," said the soldier, "but you will oblige me if, when the time comes, you will vote for the old man."

MR. EDITOR.—The time is approaching when we should think about selecting a candidate for the Legislature. We have heard of a goodly number of persons who have been mentioned as candidates, and the claims of this person and that person, and of this side and that side of the river. Now we, who are not office hunters, think the local habitation of the candidate is of much less importance than his ability, his honesty and integrity. And as for the claims of any one to office, we look upon it as a humbug, as well as anti-republican. Offices were made for the people and not for the benefit of officeholders, who are, or at least ought to be, the servants of the people. If there are any claims or rights in these matters, they belong to the people, who have a right, and should exercise that right in selecting such persons who are best calculated to promote their interests, as well as the interests of the public. Such a man we think we find in the person of ALEXANDER JORDAN, Esq., of Sunbury, and as he has consented to serve if nominated and elected, let every good democrat and citizen put his shoulder to the wheel and insist upon his nomination. His election would follow of course, and would allay all excitement and division.

FOR THE AMERICAN.
MR. EDITOR.—You would confer a favor upon many of your democratic friends, by allowing us to bring forward, through the medium of your paper, WILLIAM D. GEARHART, of Rush township, as a candidate for the Legislature. Mr. Gearhart is a gentleman of sound judgment, correct habits, and worthy the support of the Democratic party. We know of no person more suitable to fulfill the duties of that high and responsible office. Should the people see proper to elect him as their Representative, we feel confident that they will find in him a public servant of distinguished abilities, and an intelligent, firm and unwavering Democrat of the Jeffersonian school.

INDIGESTION, WEAK NERVES, LOMGNESS OF SPIRITS, &c.—Wright's Indian Vegetable Pills are a natural, and therefore a certain cure for all kinds of nervous diseases; because they completely cleanse the stomach and bowels of those bilious and corrupt humors which not only paralyze and weaken the digestive organs, but are the cause of weak nerves, low spirits, &c. Wright's Indian Vegetable Pills are also a direct purifier of the blood, and therefore not only impart health and cheerfulness to the mind, but also give new life and vigor to the whole frame.

Beware of counterfeits of all kinds! Some are coated with sugar; others are made to resemble in outward appearance the original medicine. The safest course is, to purchase from the regular agents only, one or more of whom may be found in every village and town in the State.

Agent for the sale of Wright's Indian Vegetable Pills in Sunbury, HARRIS MASSON. For other agencies see advertisement in another column.

NO CHANGE IN THE WEATHER will materially affect the body if the blood is pure. Every individual, even the most diseased, has within him a germ or root of that original pure blood of our common mother Eve; which germ of pure blood is the supporter of his life, and is in constant struggle to throw off the heterogeneous, corrupt humors, which are the cause of disease in the individual. By purging the body of this diseased individual of

its bad humors, you allow the germ of pure blood to gain ground and to make blood of a better quality. Let all who wish to be of a fine, healthy habit, and who desire to be able to stand without injury the continual changes of this climate, use the Blanderth Pills, which will effectually cleanse the blood of all bad or corrupt humors, and restore the human body to the state of health enjoyed before the introduction of mineral medicines.

HANCE'S COMPOUND SYRUP OF MORE BLOOD—FOR THE CURE OF Coughs, Colds, Consumption, Spitting of Blood, Pain in the Side and Breast, Bronchitis, Croup, Asthma, and all diseases arising from a disordered condition of the lungs or neglected cold.

The following account was addressed to the proprietor by a Young Lady who was cured of Consumption:

Ho! ye who pant with failing breath,
And pine away and die;
HANCE shall "put away" your death,
And light, snow, your eye.

How sweet it melts upon the tongue,
How grateful to the breast!
A glorious theme for poet's song,
Nothing his cough to treat.

HANCE! favored of the Gods, art thou!
A blessing to thy race,
Let laurels flourish on thy brow,
And wealth, those laurels grace.

When heroes are forgotten; kings
Defunct; or, ceased to reign;
Glory, for thee, shall flap her wings;
Thou conqueror of pain.

Price 50 Cents per bottle or six bottles for \$2.50. Prepared and sold by SEETH S. HANCE, 108 Baltimore, and corner of Charles & Pratt streets, and by GEORGE BRIGG, Sunbury, and D. BRAUTIGAM, Northumberland. July 10, 1847.

This good advice comes from a friend, an educated physician, and one who has been cured of protracted illness, by THE IMPROVED INDIAN VEGETABLE PILLS. (SUGAR COATED,) which are at this moment effecting some of the most remarkable cures on record, and they will continue to heal the sick as long as they are resorted to by the afflicted. This is no nostrum, made merely to sell themselves—its qualities, but a valuable medicine, made by a well informed Physician, of Vegetable Ingredients, pure, efficacious, and harmless. In a few days, we shall make a public report of several more cases of cured cases (for use *not* *others*) and the public may know on what medicine to rely in time of need.

CAUTION.—As a miserable imitation has been made, by the name of "Sugar Coated Pills," it is necessary to be sure that Dr. G. B. S. HANCE'S signature is on every box. Price 25 cents. Principal Office, 179 Greenwich st. New York. Sold by JOHN W. PRILING, Sunbury, and WM. FORSYTHE, Northumb'd. July 10, 1847.

HANCE'S SARSAPARILLA VEGETABLE OR BLOOD PILLS FOR PURIFYING THE BLOOD!

BALTIMORE, July 29, 1843.
This is to certify, that I was afflicted with a violent pain in the breast and right arm, which I suppose proceeded from the impure state of my blood. I was recommended to take Hance's Sarsaparilla or Blood Pills, and after taking one box, the pain was entirely removed from my breast and arm. I found the Sarsaparilla extremely gentle in its operation, and would recommend them to every person in want of a mild purgative.

PATRICK ROORS, No. 22 Conway st., between Howard and Eutaw.

IN PURCHASING THESE PILLS, BEWARE OF ONE WORD OF CAUTION.—Always ask for HANCE'S PILLS, and purchase of none but those advertised as agents, and if convenient, call and see the proprietor himself.

PRICE 25 Cts per Box of FIFTY PILLS EACH, for HANCE'S Genuine Pills, or 5 for \$1. For sale by SEETH S. HANCE, 108 Baltimore st., and corner of Charles & Pratt streets, Baltimore, and by GEORGE BRIGG, Sunbury, and D. BRAUTIGAM, Northumberland. July 10, 1847.

DR. SWAYNE IN THE SOUTH.

THE following letter just come to hand, and will be read with interest. The patient suffered intolerably, and could find no relief until used Dr. SWAYNE'S Compound Syrup or Wild CHERRY. It is certainly the most wonderful cure on record!—Read it.

Wilmington, N. C., Jan. 12th, 1847.
Dr. SWAYNE.—Dear Sir: Having been almost miraculously cured by your valuable medicine, I think it not more than common gratitude in me to make one addition to the long list of certificates which you have received of remarkable cures by your medicine. During the two years preceding last August, I was very much distressed by a very bad cold and sneezing cough, and during the latter part of the time it continued to grow worse, and indeed, in July my friends gave me over, having tried all kinds of medicine, said to be good for such diseases, without the least good effect. I was reduced almost to a perfect corpse, and had scarcely any flesh upon my body, and for a long time never thought to rise from my bed again. A friend once day asked me if I had tried Dr. SWAYNE'S Compound Syrup of Wild CHERRY, and advised me to do so at once, as he heard that it had worked a great many wonderful cures. I took his advice, and after using up several bottles of it, I grew so much better that I was enabled to leave my bed, and afterwards to walk about the house, and go out into the street. I was encouraged by this, and continued the use of your medicine, and now, by means of its wonderful curative powers, I am perfectly well, and enjoy the use of all my faculties, just as much as if I had never been afflicted in the way I described to you. I have written this not thinking that it will at all interest you, but humbly hoping that it will have its mite of influence in causing your valuable medicine to be spread among mankind, and in assisting to raise you to that station which you richly deserve, for your persevering efforts for the public good.

Respectfully your friend and admirer,
JAMES R. MARSH, AND.

Comment on such evidence as the above is unnecessary. A single trial will place Dr. SWAYNE'S Compound Syrup of Wild CHERRY beyond the reach of competition in the estimation of every patient.—But its healing virtue will be its best recommendation.

Beware of Imposition.—Attempts have often been made by unprincipled individuals to impose upon the community a spurious article. Stealing nearly the whole of the name of my preparation. To fully guard against such base and palpable imposition, the public should be fully apprised of the signature of Wm. H. SWAYNE, upon each bottle. The name of Dr. SWAYNE, in connection with the Compound Syrup of Wild Cherry, has never yet been counterfeited. So if persons would bear in mind the name of Dr. SWAYNE, they may be sure of obtaining the original and genuine article.

Beware of the worthless "Balsams," "Bitters," "Syrups," &c., as they contain none of the virtues of the original preparation. The original and only genuine article is prepared by DR. SWAYNE, corner of Eighth and Race streets, Philadelphia, and for sale by agents in all parts of the United States, and some parts of Europe.

OPINIONS OF THE PRESS,

RELATIVE TO WRIGHT'S INDIAN VEGETABLE PILLS, From the Camden Democrat.

WRIGHT'S INDIAN VEGETABLE PILLS.—These celebrated Pills, so universally used and admired, have come to be considered almost as necessary in families as water or fuel. In fact, the principle upon which this medicine has established its reputation—purgative—is now pretty generally acknowledged to be the only one, by which health may be preserved, or restored when impaired. Wright's Pills are now a universal favorite.

From the Philadelphia Saturday Evening Post.
WRIGHT'S INDIAN VEGETABLE PILLS, are obtaining great celebrity in New England, as well as other parts of the United States. The attempt of persons to defraud the public by the sale of spurious articles, meets with general reprobation. Dr. Wright is an indefatigable business man, and shows an array of cures by the medicine which warrant confidence in the virtues of his Indian Vegetable Pills.

From the Philadelphia Spirit of the Times.
WRIGHT'S INDIAN VEGETABLE PILLS.—People are pretty well satisfied by this time that calomel, and the other thousand and one mineral preparations of the shops, are better adapted, as a general rule, to kill rather than cure the patient; as a matter of course, vegetable medicines are therefore in great request. There are many humbugs however, among the latter, and we would advise all those who have the least regard to their health, to try Wright's Indian Vegetable Pills of the North American College of Health, as they are the preparation of one intimately acquainted with the healing art.

From the Boston Daily Times.
WRIGHT'S INDIAN VEGETABLE PILLS.—Of all the public advertised medicines of the day, we know of none that we can more safely recommend for the "ills that flesh is heir to," than the Pills that are sold at the depot of the North American College of Health, No. 198 Tremont street, Boston. Several instances we know of where they are used in families with the highest satisfaction, and no longer so than yesterday, we had an eminent physician of this city recommend them in high terms.

The following highly respectable storekeepers have been duly appointed agents for the sale of Wright's Indian Vegetable Pills, in Northumberland county:
Henry Masser, Sunbury.
E. J. Kuffman, Augusta township.
Samuel Hebb, Little Mahonoy.
William Deppen, Jackson.
Benjamin Holshue, Upper Mahonoy.
John G. Ryan, Upper Mahonoy.
Samuel John, Shamokin.
Foyette, Wilson & Co., Northumberland.
E. L. Piper, Waterburg.
Ireland & Haynes, McEvensville.
James Paul, Potsgrove.
Wm. G. Scott, Rushville.
Hartman Knoebel, Elsburgh P. O.
Anna T. Bussel, Turbansville.
Gillon Shadel, Upper Mahonoy.
Rhoads & Farrow, Snyderstown.

Shes C. Cook, Martin's Creek.
J. De Young, Hicksville.
Abraham Shert, Richmond.
Samuel Taylor, Shiloh.
John H. Vincent, Chillicothe.
Wm. Heinen & Brother, Milton.
Beware of Counterfeits.—The public are cautioned against the many spurious medicines, which in order to deceive, are called by names similar to Wright's Indian Vegetable Pills.

The safest course is to purchase of the regular agents only, who are gentlemen that may be relied on.
The Offices devoted exclusively to the sale of WRIGHT'S INDIAN VEGETABLE PILLS, of the North American College of Health, No. 288 Greenwich Street, New York; No. 198 Tremont Street, Boston; and PRINCIPAL OFFICE, No. 169 REX STREET, Philadelphia. June 12th, 1847.—519y.

DR. CULLEN'S

Indian Vegetable Panacea.

HEREDITARY TETTER.
GENTS.—It is now six months since my youngest child, a daughter, had a cutaneous affection, which made its appearance over its entire body. It was a case of Hereditary Tetter, and so violent was the disease, that we wished, in case it could not be speedily relieved, that it might be soon laid in its grave. At the stage of the disease my sister-in-law called upon you that could be the best preparation of Sarsaparilla, which could be procured, as an alternative; when you recommended the use of Dr. Cullen's Indian Vegetable Panacea, and I am pleased to say that the good effects of the medicine were perceptible when it had taken but a few doses; and by the time we had used one single bottle, the disease had entirely disappeared, and from that time there has been no re-appearance. I really feel thankful to you for having recommended the Panacea in this case, for I feel confident that had not the disease been arrested, my child would, ere this, have been the tenant of the cold and silent tomb.

Respectfully yours,

WHITE SWELLING.

Dear Sir,—At your request I cheerfully give you an account of the wonderful cure effected upon me by Dr. Cullen's Indian Vegetable Panacea. At the age of 14 years I had upon my right knee a White Swelling, which effected the limb, and caused some anxiety for more pieces of the bones of the knee to come away in the course, and was temporarily relieved by the usual remedies, but not entirely cured. At times it would swell again, and become so distressing and painful that I could get no rest night nor day. In this way it continued until last spring, when, having witnessed the extraordinary effects of your Panacea as an alternative, upon a daughter of mine who was using it for a chronic disease,
