

THE LETHEN IN THE ARMY.—The Vera Cruz Eagle, of a late date, thus discourses about the wonderful operations of this wonderful agent: We had the pleasure of enjoying an invitation to be present on the occasion of the amputation of two legs above the knee, on Saturday last, where that great assistant in surgical cases, (the letheon) was used. The subjects were two men who had been conveyed to the Hospital of San Francisco, and the success was a triumph over physical pain. Dr. Barton administered the Lethen, and Dr. Porter and a young physician (whose name we are sorry we do not recollect) were the operators. In one case the limb was removed in five minutes and a half from the commencement of the inhalation to the close of the amputation. In the other a few seconds over that time. Both declared they had felt nothing during the operation. One of them rather playfully observed, (on recovering consciousness, and perceiving that it was done) "that is the way you do it, is it?" This is surely a wonderful agent, and may be regarded as the most invaluable discovery in relieving suffering humanity, that has yet been revealed.

The Lethen is now used by surgeons, dentists and accoucheurs, and we expect to hear of its being used by disappointed political aspirants.

A LARGE RAFT.—A raft, from Canada, nine hundred feet in length, 39 feet in width, and drawing 3 feet water was towed into Buffalo a few days since. The raft was composed of spars and pine saw logs upon which was 170,000 feet of sawed pine lumber.

Our Choice. Mr. Editor.—Your paper a few weeks since gave a list of the names of the democratic candidates in the field for the Assembly. Among them we noticed, with pleasure, that of Mr. SILAS H. ENGLISH, of Sunbury. As the time is approaching for the nomination of candidates, you will please oblige many of your democratic friends in this township, by permitting us to express our preference for the gentleman above named, as a suitable person to represent us in the next Legislature. We know Mr. ENGLISH to possess the requisite qualifications to make such a representative as the democracy of Old Northumberland desire, and shall, therefore, cordially urge upon the party his nomination. In his democracy we have full faith, knowing him to be identified with the leading measures of the party. In his knowledge of the affairs of the State, complicated as they are at present, we have the assurance that he will be able to render important service. Besides, he is truly and emphatically one of the people, in every sense of the term—in sympathy as well as in action and consequently can command a vote which few others will be able to do. The convention, we are persuaded, could not do without his nomination for this office who would render more satisfaction, and who would reflect more credit upon the county, than Mr. ENGLISH.

THE VOICE OF AUGUSTA.

Legislature. FOR THE AMERICAN.

Mr. Editor.—You would confer a favor upon many of your democratic friends, by allowing us to bring forward, through the medium of your paper, WILLIAM D. GEARBART, of Rush township, as a candidate for the Legislature. Mr. Gearhart is a gentleman of sound judgment, correct habits, and worthy the support of the Democratic party. We know of no person more suitable to fulfill the duties of that high and responsible office. Should the people see proper to elect him as their Representative, we feel confident that they will find in him a public servant of distinguished abilities, and an intelligent, firm and unwavering Democrat of the Jeffersonian school.

MANY VOTERS OF THE FORKS.

Our Next Member. Mr. Editor.—The time is approaching when we should think about selecting a candidate for the Legislature. We have heard of a goodly number of persons who have been mentioned as candidates, and the claims of this person and that person, and of this side and that side of the river. Now we, who are not office hunters, think the "local habitation" of the candidate is of much less importance than his ability, his honesty and integrity. And as for the claims of any one to office, we look upon it as a humbug, as well as anti-republican. Offices were made for the people and set for the benefit of officeholders, who are, at least ought to be, the servants of the people. There are any claims or rights in these matters, they belong to the people, who have a right, and

should exercise that right in selecting such persons who are best calculated to promote their interests, as well as the interests of the public. Such a man we think we find in the person of ALEXANDER JORDAN, Esq., of Sunbury, and as he has consented to serve if nominated and elected, let every good democrat and citizen put his shoulder to the wheel and insist upon his nomination. His election would follow of course, and would ally all excitement and division.

MANY OF OLD TURKEY.

BOWEL COMPLAINTS occur more frequently during the summer months than at any other period because at this season of the year, the system being debilitated, digestion is not sufficiently active to dispose of food before it becomes putrid; hence a peculiar acid is generated in the stomach, which is the cause of those horrid diseases called dysentery, cholera morbus, inflammation of the bowels, &c. Wright's Indian Vegetable Pills are a natural remedy, and therefore are a certain cure for all kinds of bowel complaints; because they cleanse the stomach and bowels from those putrid humors which are the cause of the above distressing complaints. They also aid and improve digestion and purify the blood, consequently, as they remove the cause of every form of disease, it is absolutely impossible for them to fail in making a perfect cure of dysentery, cholera morbus, inflammation of the bowels, &c.

Beware of counterfeits of all kinds! Some are coated with sugar; others are made to resemble in outward appearance the original medicine. The safest course is, to purchase from the regular agents only, one or more of whom may be found in every village and town in the State.

Agent for the sale of Wright's Indian Vegetable Pills in Sunbury, HENRY MASSER. For other agencies see advertisement in another column.

NO CHANGES IN THE WEATHER will materially affect the body if the blood is pure. Every individual, even the most diseased, has within him a germ or root of that original pure blood of our common mother Eve; which germ of pure blood is the supporter of his life, and is in constant struggle to throw off the heterogeneous, corrupt humors, which are the cause of disease in the individual. By purging the body of this diseased individual or its bad humors, you allow the germ of pure blood to gain ground and to make blood of a better quality. Let all who wish to be of a fine, healthy habit, and who desire to be able to stand without injury the continual changes of this climate, use the Blandest Pills, which will effectually cleanse the blood of all bad or corrupt humors, and restore the human body to the state of health enjoyed before the introduction of mineral medicines.

HANCE'S COMPOUND SYRUP OF HOREHOUND—FOR THE CURE OF Coughs, Colds, Consumption, Spitting of Blood, Pain in the Side and Breast, Bronchitis, Croup, Asthma, and all diseases arising from a disordered condition of the lungs or neglected cold.

TAKE TIME BY THE FORELOCK. Is a piece of advice which is suitable to all seasons and applicable to all purposes, though there is no instance in which this piece of advice is more valuable, than to persons who have a cough or cold, if they neglect what may appear to them very trifling IN THE BEGINNING, it may lead to Inflammation of Lungs, and finally Consumption! To all who have a cough, we would say, procure a bottle of HANCE'S COMPOUND SYRUP OF HOREHOUND. The medicine is pleasant to take, and it may save you years of suffering. Price 50 cents per bottle or six bottles for \$2.50. Prepared and sold by SETH S. HANCE, 108 Baltimore st. and corner of Charles & Pratt st. and by GEORGE BRIGHT, Sunbury, D. BRAUTIGAM, Northumberland, July 17, 1847.

DR. SWAYNE IN THE SOUTH. THE following letter just came to hand, and will be read with interest. The patient suffered intolerably, and could find no relief until he used Dr. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY. It is certainly the most wonderful cure on record!—Read it.

Wilmington, N. C., Jan. 12th, 1847.

DR. SWAYNE.—Dear Sir: Having been almost miraculously cured by your valuable medicine, I think it not more than common gratitude in me to make one addition to the long list of certificates which you have received of remarkable cures by your medicine. During the two years preceding last August, I was very much distressed by a very bad cold and racking cough, and during the latter part of the time it continued to grow worse, and in July my friends gave me over, having tried all kinds of medicine, said to be good for such diseases, without the least good effect. I was reduced almost to a perfect corpse, and had scarcely any flesh upon my body, and for a long time my only thought to rest from my bed, until a friend one day asked me if I had tried Dr. SWAYNE'S Compound Syrup of Wild Cherry, and advised me to do so at once, as he heard that it had worked a great many wonderful cures. I took his advice, and after using up several bottles of it, I grew so much better that I was enabled to leave my bed, and afterwards to walk about the house, and so out into the street. I was encouraged by this, and continued the use of your medicine, and now, by means of its wonderful curative powers, I am perfectly well, and enjoy the use of all my faculties, just as much as if I had never been afflicted in the way I described to you. I have written this not thinking that it will at all interest you, but humbly hoping that it will have its mite of influence in causing your valuable medicine to be spread among mankind, and in assisting to raise you to that station which you richly deserve, for your persevering efforts for the public good.

Respectfully your friend and admirer, JAMES R. MAINLAND.

Comment on such evidence as the above is unnecessary. A single trial will place Dr. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY beyond the reach of competition in the estimation of every patient.—It is its healing virtue which will be its best recommendation.

Beware of Impostors.—Attempts have often been made by unprincipled individuals to impose upon the community a spurious article. Stealing nearly the whole of the name of my preparation. To fully guard against such base and palpable imposition, the public should know all preparations purporting to contain Wild Cherry, except that bearing the signature of Dr. H. SWAYNE, on each bottle. The name of Dr. SWAYNE, in connection with the Compound Syrup of Wild Cherry, has never yet been counterfeited. So if persons would bear in mind the name of Dr. SWAYNE, they may be sure of obtaining the original and genuine article.

Beware of the worthless "Balm," "Bitters," "Syrup," &c., as they contain none of the virtues of the original preparation.

The original and only genuine article is prepared by DR. SWAYNE, corner of Eighth and Race streets, Philadelphia, and for sale by agents in all parts of the United States, and some parts of Europe.

Only Agents in Sunbury, are HENRY MASSER, GEORGE BRIGHT, Dr. J. A. Moore, Danville; T. S. Macky & Son, Milton; M. D. & J. Wells, Muncy; C. A. Wyatt, Lewisburg; Davis & Schure, Selinsgrove; John C. Rean, Line Mountain P. O. Philadelphia, je12-cm. 66-ly

Pause Reader!!! This good advice comes from a friend, an educated physician, and one who has been cured of protracted illness, by THE IMPROVED INDIAN VEGETABLE PILLS. (SEVEN COATED) which are at this moment effecting some of the most remarkable cures on record, and they will continue to heal the sick as long as they are resorted to by them. This is no nostrum, made merely to sell interpretive; the qualities, but a valuable medicine, made by a well informed Physician, of Vegetable Ingredients, pure, efficacious, and harmless. In a few days, we shall make a public report of several more cases of cures cured. (For use note no others) and the public may know on what medicine to rely in time of need.

CAUTION.—As a miserable imitation has been made, by the name of "Sugar Coated Pills," it is necessary to be sure that Dr. G. B. HAZEN SMITH'S signature is on every box. Price 25 cents. Principal Office, 159 Greenwich st. New York. Sold by JOHN W. FRILING, Sunbury, WM. FORSYTHE, Northumberland, July 10, 1847.

OPINIONS OF THE PRESS.

RELATIVE TO WRIGHT'S INDIAN VEGETABLE PILLS. From the Camden Democrat.

WRIGHT'S INDIAN VEGETABLE PILLS.—These celebrated Pills, so universally used and admired, have become to be considered almost as necessary to families as water or fuel. In fact, the principle upon which this medicine has established its reputation—purgative—is now pretty generally acknowledged to be the only true one, by which health may be preserved, or restored when impaired. Wright's Pills are now a universal favorite.

From the Philadelphia Saturday Evening Post.

WRIGHT'S INDIAN VEGETABLE PILLS, are attaining great celebrity in New England, as well as other parts of the United States. The attempt of persons to defraud the public by the sale of spurious articles, meets with general reprobation. Dr. Wright is an indefatigable business man, and shows an array of cures by the medicine which warrant confidence in the virtues of his Indian Vegetable Pills.

From the Philadelphia Spirit of the Times.

WRIGHT'S INDIAN VEGETABLE PILLS.—People are pretty well satisfied by this time that calomel, and the other thousand and one mineral preparations of the shops, are better adapted, as a general rule, to kill rather than cure the patient; as a matter of course, vegetable medicines are therefore in great request. There are many humbugs however, among the latter, and we would advise all those who have the least regard for their health, to try Wright's Indian Vegetable Pills of the North American College of Health, as they are the preparation of one intimately acquainted with the healing art.

From the Boston Daily Times.

WRIGHT'S INDIAN VEGETABLE PILLS.—Of all the public advertised medicines of the day, we know of none that we can more safely recommend for the "ills that flesh is heir to," than the Pills that are sold at the depot of the North American College of Health, No. 198 Tremont street, Boston. Several instances we know of where they are used in families with the highest satisfaction; and no longer ago than yesterday, we heard an eminent physician of this city recommend them in high terms.

The full wing highly respectable stockholders have been duly appointed agents for the sale of Wright's Indian Vegetable Pills, in Northumberland county:

Henry Masser, Sunbury, E. & J. Kaufman, Augusta township, Samuel Heib, Little Mahoning, William Deppon, Jackson, Benjamin Holston, Upper Mahoning, John G. Reay, Upper Mahoning, Samuel John, Shamokin town, Fayette, Wilson & Co., Northumberland, E. L. Piper, Watsonburg, Ireland & Hayes, McEvensville, James Peck, Pottsville, Wm. G. Scott, Rushville, Hartman Knoble, Elvburg P. O., Anna T. Bussel, Turfville, Gul on Shadel, Upper Mahoning, Rhodes & Farrow, Saydostown, John King, Farmville, Sitas C. Cook, Martin's Creek, J. De Young, Hixsville, Abraham Shure, Richmond, Samuel John, Shamokin, John H. Vincent, Chillicothe, Wm. Hemen & Brother, Milton.

Beware of Counterfeits.—The public are cautioned against the many spurious medicines, which in order to deceive, are called by names similar to Wright's Indian Vegetable Pills. The safest course is to purchase of the regular agents only, who are gentlemen that may be relied on.

Offices devoted exclusively to the sale of WRIGHT'S INDIAN VEGETABLE PILLS, are the North American College of Health, No. 288 Greenwich Street, New York; No. 198 Tremont Street, Boston; and PRINCIPAL OFFICE, No. 169 Race Street, Philadelphia, June 12th, 1847.—19y.

To the Electors of Northumberland County: BEING solicited by many of my friends, I have consented to offer myself as a Voluntary candidate for the office of

HEREDITARY TETTER.

HEREDITARY TETTER. GENTS.—It is now six months since my youngest child, a daughter, had a cutaneous affection, which made its appearance over its entire body. It was a case of Hereditary Tetters, and so violent was the disease, that we wished, in case it could not be speedily relieved, that it might be soon laid in its grave. At this stage of the disease my sister-in-law called upon you in advice as to the best preparation of Sarsaparilla that could be procured, as an alternative; when you recommended the use of Dr. Cullen's Indian Vegetable Panacea, and I am pleased to say that the good effects of the medicine were perceptible when it had taken but a few doses; and by the time we had used one single bottle, the disease had entirely disappeared, and from that time there has been no re-appearance. I really feel thankful to you for having recommended the Panacea in this case, for I feel confident that had not the disease been arrested, my child would, ere this, have been the tenant of the cold and silent tomb.

Respectfully yours, ROWLAND & WALTON, JOHN P. REES, Phil. Dec. 9, 1845. 85 N. Seventh St.

WHITE SWELLING. Mr. J. T. Rowland, Phil. Dec. 10, 1845.

Dear Sir,—At your request I cheerfully give you an account of the wonderful cure effected upon me by Dr. Cullen's Indian Vegetable Panacea. At the age of 14 years I had upon my right knee a White Swelling, which stiffened the joint, and caused some smarting or more pieces of the bone pieces of the bone to come away in the sores, and which was temporarily relieved by the usual remedies, but not entirely cured. At times it would again break out, and become so distressing and painful that I could get no rest night nor day. In this way it continued until last spring, when, having witnessed the extraordinary effects of your Panacea as an alternative, upon a daughter of mine who was using it for a chronic disease, I concluded to make a trial of it in my own case. The result has been an entire cure. I am now 67 years of age, and have suffered 53 years with the sores. I cheerfully add my testimonial to the many others I have heard of, of the cures performed by your celebrated Panacea. THOMAS WALTON, 490 N. 3d st., Alderman 7th Ward, N. L.

SCORFULA. To whom it may concern.—This may certify that my child, almost from birth, was afflicted with Scorfula, which covered most of its body with sores; and that for 18 months, though constantly under medical treatment, nothing afforded relief till I was induced to make trial of Dr. Cullen's Indian Vegetable Panacea. The attending physician, on witnessing its good effects, recommended its continuance according to directions, and by using a single bottle of the Panacea, the child was apparently cured. It is now about 4 months since the medicine was discontinued, and I have no doubt but the cure is complete. Yours truly, ROWLAND & WALTON, M. McCLEAS, Philad. Aug. 5, 1845. 380 Market st.

BARBERS' ITCH. Mr. J. T. Rowland—Sir.—Some time last spring I was so unfortunate as to get the "Jacks-n-Jobs," or Barbers' Itch, by shaving after some one affected by that troublesome and obstinate disease. You cannot have forgotten the swollen and irritated condition of my face at the time you recommended "Dr. Cullen's Indian Vegetable Panacea." I have now the pleasure to inform you, for the benefit of all who are similarly afflicted, that the use of a single bottle of the Panacea cured me entirely. You may well judge of my gratification at such a result, as I had so often known the disease to continue for years under the usual mercenary remedies. (Signed) T. L. SANDERS, Philad., Aug. 5, 1845. Pledge Office.

SCORFULA. Messrs. ROWLAND & WALTON.—I have been for two years or more severely afflicted with Scorfula, and after having tried three eminent physicians without any relief, I had come to the conclusion that I must die. I had fourteen open ulcers on my face and body at the same time. While in this condition, a friend procured me a bottle of your Dr. Cullen's Indian Vegetable Panacea. This was about two months since. I have taken six bottles and am completely cured. My general health is also better than it has been for years. E. W. MAXWELL, Mary's Court.

Certificates of cure, in pamphlet form, may be had gratis, at the offices of the agents. This medicine is prepared and sold by the proprietors, Rowland & Walton, No. 376 Market street, Philadelphia.
