

are printed is previously printed with red ink, after a design to expiate and mislead to a *copy* composition; the top and the under label each contain the word, "BRANDRETH'S PILLS," written in red ink nearly two hundred times—the top and under label containing, therefore, upwards of five thousand letters. There is also upon the top, the under, and the side label, two signatures of Dr. Brandreth; one being his regular signature, thus—B. Brandreth; and the other, his full signature, thus—Benjamin Brandreth; both being facsimiles of the writing of Dr. Brandreth, to insure which is forgery. The Brandreth Pills having these labels upon them, can be relied upon as true and genuine.

HANCE'S SARSAPARILLA VEGETABLE OR BLOOD PILLS FOR PURIFYING THE BLOOD!
BALTIMORE July 29, 1847.

This is to certify, that I was afflicted with a violent pain in the breast and right arm, which I suppose proceeded from the impure state of my blood. I was recommended to take Hance's Sarsaparilla or Blood Pills, and after taking one box, the pain was entirely removed from my breast and arm. I found them extremely gentle in their operation, and would recommend them to every person in want of a mild purgative.

PATRICK ROCHS, No. 22 Conway st., between Howard and Eutaw. IN PURCHASING THESE PILLS, let me add ONE WORD OF CAUTION. Always ask for HANCE'S PILLS, and purchase of none but those advertised as agents, and if convenient, call and see the proprietor himself.

PRICE 25 Cts per Box, or FIFTY PILLS EACH, for Hance's Genuine Pills, or 5 for \$1. For sale by SETH S. HANCE, 106 E. Baltimore st., and corner of Charles & Pratt sts., Baltimore, and by GEORGE BRIGHT, Sunbury, and by D. BRAUTIGAM, Northumberland.

HANCE'S COMPOUND SYRUP OF HOREHOUND—FOR THE CURE OF Coughs, Colds, Consumption, Spitting of Blood, Pain in the Side and Breast, Bronchitis, Cramp, Asthma, and all diseases arising from a disordered condition of the lungs or neglected cold.

The following sunset was addressed to the proprietor by a Young Lady who was cured of Consumption:

Oh! so who part with falling breath,
And pine away and die;
Hence shall "put away" your death,
And light, anew, your eye.

How sweet it melts upon the tongue,
How grateful to the breast!
A glorious theme for poet's song,
Softening his cough to rest.

Hance's favored of the Gods, art thou!
A blessing to thy race,
Let laurels flourish on thy brow,
And wealth, those laurels grace.

When heroes are forgotten; kings
Defunct; or, ceased to reign;
Glorious, for thee, shall flap her wings;
Thou conqueror of pain.

Poison.
WE think a man who will make and palm upon an unsuspecting person, a "Sugar Coated Pill," not having on the box Dr. G. Benj. Smith's signature, would not hesitate to sell poison, regardless of all consequences. No "Sugar Coated Pills" can be relied upon, unless Dr. Smith's signature is on the box, and if all others are either imitation or counterfeit, and of course dangerous to use.

CAUTION.—As a miserable imitation has been made by the name of "Sugar Coated Pills," it is necessary to be sure that Dr. G. Benj. Smith's signature is on every box. Price 25 cents. Principal Office, 178 Greenwich st. New York. Sold by JOHN W. FRILING, Sunbury, WM. FORSYTHE, Northumb., Oct. 2, 1847.

TO THE SICK AND AFFLICTED.

DR SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.—We can consistently say that Dr. Swayne's Compound Syrup of Wild Cherry has been extensively used in the United States for more than ten years—the beneficial effects have been tested by thousands—THAT IT INVARIABLELY RELIEVES A RACKING COUGH, and that hundreds of individuals, gradual sickenings under the insidious attack of death's fell enemy, PULMONARY CONSUMPTION, have been restored to health, happiness and friends, by its use, and striking testimonies of the curative power of this REMEDY. ANOTHER INVALID RESTORED TO HEALTH. READ THE MOST REMARKABLE CURE EVER RECORDED!

DR. SWAYNE.—Dear Sir: I feel called by a sense of duty to give you a testimonial, to acknowledge my grateful thanks for the wonderful effects of your Compound Syrup of Wild Cherry on me, after suffering month after month with the most afflictive of all diseases, Consumption. The first symptoms were of a very heavy cold which settled on my lungs, which gradually grew worse, with profuse night sweats, a hacking cough, spitting blood, with great debility. My constitution seemed broken down, and nervous system very much impaired. I went to Philadelphia, was treated there by physicians of the highest standing, but received no benefit whatever from them, but gradually grew worse until my physicians, as well as myself, gave up all hope of recovery, and I felt like one who is about to pass through the Valley of the Shadow of Death. At this "awful juncture" I heard of your Compound Syrup of Wild Cherry, of which I purchased six bottles, which I am happy to say entirely cured me, and I am now enjoying better health than I ever have before in my life. Physicians who witnessed my case are highly recommending it in similar cases, and I wish you to make this public, so that all may know where to procure a remedy at once which will reach their disease by direct tampering with the many "quack nostrums" with which the country is flooded. My residence is at 45 Ann street, where I should be happy to have the above substantiated by a personal interview.

ALBERT A. ROSS, Wholesale and Retail Dealer in cigars, 45 Ann street, N. Y.

Be not deceived by the many spurious and worthless preparations of Wild Cherry, which are sold under notice by ignorant pretenders, but see that the signature of Dr. Swayne is on each bottle, which is the only guarantee against imposition.

Prepared only by Dr. SWAYNE, N. W. corner of Eighth and Rice streets, Philadelphia, and for sale by respectable Druggists in nearly all the principal towns in the United States.

SILENCE

THAT DRINKING FORGOT I AM LIVING AND I DIS- BROTHERS HAS BEEN HIGHER, THE COURSE OF CONSUMPTION RATH IS IT A DENIAL OF DEATH.

ARE YOU A MOTHER! Your darling child, A your idol and earthly joy, is now perhaps confined to her chamber by a dangerous cold—her pale cheeks, her thin shrunk fingers, tell the hold disease has already gained upon her—the sound of her expiratory cough pierces your soul.

YOUNG MAN, when just about to enter life, disease sheds a heart crushing blight over the fair prospects of the future—your hectic cough and feeble limbs tell of your loss and hope, but you need not despair. There is a balm which will heal the wounded lungs, it is

SHERMAN'S ALL-HEALING BALSAM.

Mrs. ATTREE, the wife of Wm. H. Attree, Esq., was given up by Dr. Sewall of Washington, D. C. and McCallan of Philadelphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.

Mrs. GARRABRANTZ, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. HENRY JONES, 108 Eighth avenue, was cured of cough and catarrhal affections of 50 years standing. The first dose gave him more relief than all the other medicines he had ever taken. Dr. L. J. B. also, 19 Delancy street, gave it to a set-in-law who was laboring under consumption, and to another society all cured with the Asthma. In both cases its effects were immediate, soon restoring them to comfortable health.

Mrs. LUCRETTIA WELLS, 95 Christie street, suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subside every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the ailments of the throat, and even Asthma and Consumption. Price 25 cents and \$1 per bottle.

Dr. Sherman's Cough and Worm Lozenges, and Poor Man's Plaster sold as above.

DR. LE ROY'S Vegetable Universal Pills.

The only known Medicine that at the same time purges perfumes and strengthens the system. LONDON, July 7, 1845.

DR. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same kind. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together, the one purging and opening, while the other strengthens the system. Thus these pills are at the same time tonic and opening, which the other are not, and are eagerly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no reaction. Dr. Le Roy's Pills have a wonderful influence on the blood, they not only purify without weakening it, but they remove all the impurities from the circulation, and thus make the blood an active principle. As there is no debilitation, so there is no nausea or sickness attending the operation of this most excellent of medicines, which never strains or torments the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, given as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound, and hence robustness of health is the certain result of their united operation. WILL BE PUBLISHED IN WASHINGTON, D. C.

ON THE SEVENTH OF DEC. NEXT, NO ONE OF THE UNITED STATES REPORTER, A Daily Journal of Government, Legislative and General News.

THE SUBSCRIBER IS NOW ENABLED to announce the completion of his arrangements for the establishment of a well-organized and independent Journal of News at the Seat of the General Government.

The leading features of the United States Reporter will be the following:

I. Early intelligence of the Movements of the various Departments, in reference to domestic affairs and to the foreign relations of the country, will be given with scrupulous fidelity. Possessing peculiar facilities for obtaining information, the "Reporter" will be enabled frequently to communicate, exclusively, intelligence of the most important character.

II. The verbatim Reports of the Proceedings and Debates of the United States Senate, which the proprietor is bound to furnish daily to that body, in accordance with the terms of the contract made at the close of last session of Congress. The arrangements now made will at once fully secure to the Senate of the United States an authentic and complete record of its debates; and to the people, in a greatly enlarged degree, the benefit of the existing peculiar facilities for obtaining information, the "Reporter" will be enabled frequently to communicate, exclusively, intelligence of the most important character.

III. The Proceedings and Debates in the House of Representatives will also be given with fullness, impartiality and the utmost promptitude. Each day's record will be completely made up, and appear in the "Reporter" next morning.

IV. A Synopsis of the Proceedings and Debates of all the State Legislatures will be regularly given. Members of Congress, and all classes of readers, will thus be kept fully and systematically informed of domestic legislation in all sections of the United States.

V. Early intelligence of all important movements in the Legislatures of Great Britain and France will be communicated by every steamer from Europe, through reporters in London and Paris, who possess peculiar facilities for obtaining information.

VI. The General News of the Day will be given in a condensed form, with industry and attention.

VII. Reports of Arguments before the Supreme Court of the U. S. This Department will be so conducted as to make the "Reporter" indispensable to every lawyer in the country.

Such is a brief view of what the "United States Reporter" is designed to be. All the plans and arrangements have been well matured, and the hope is confidently cherished, that the "United States Reporter" will prove itself an energetic, industrious, dignified and perfectly independent journal, and will have no party views—no political bias.

The proprietor, by the terms of his contract, with the Senate of the U. S., is bound to the condition that the paper shall contain no political discussions except the debates. It will be the vehicle of news—not the organ of any set of opinions. The grand aim of the subscriber is to establish at the seat of Government a faithful and prompt reporter of all sorts of intelligence—a responsible agent, on whom the politician, the business man, the manufacturer, the mechanic, and every one interested in the affairs of Congress and the Government, may rely at all times with implicit confidence.

It is believed that the establishment of such a reliable journal of intelligence on terms which place it within the reach of the great masses of the people, at the commencement and throughout the history of Congressional proceedings, will be regarded with favor by all classes of the community; and having thus stated his objects, the subscriber respectfully solicits a liberal and generous support from the enlightened public of the United States.

JAMES A. HOUSTON, Stenographer to the Senate of the U. S.

The "United States Reporter" will be printed on a large and handsome sheet, and issued every morning, except Sundays, at the rate of six dollars per annum; single copies, two cents.

In connection with the daily paper, there will be issued from the same establishment,

THE MIRROR OF CONGRESS.

The publication will contain exclusively the reports of the proceedings and debates of the Congress of the United States. It will be issued semi-weekly, in an elegant quarto form, throughout the session of Congress, and will be furnished to subscribers at the rate of two dollars for the long session and one dollar for the short session. It is believed that this great national work will be deemed indispensable in the library of every public man, politician and professional man throughout the country; and that it will be regarded by the great mass of the people as the very best political text book for their own instruction and that of their children.

IMPORTANT ANNOUNCEMENT. Throughout the session of Congress, Extras will be issued from the office of the "United States Reporter," containing the reports of such debates as may possess particularly exciting interest.

All subscriptions and communications to be post paid, addressed "J. A. HOUSTON, United States Reporter, Washington, D. C." August 14th, 1847.—10c
