TESTIMONY IS NOW RECEIVED

FROM ALL QUARTERS OF THE GLOBE.

THE following letters are presented with a view of more fully showing the opinions of physicians in relation to the medical value of Dr. Swayne's Compound Syrup of Wild Cherry.

Dr. Swayne—Dear Sir: Having used your Compound Syrup of Wild Cherry, extensively in my practice, I was requested by your agent, Dr. Crutcher, to express my opinion in writing, of its properties as a remedial agent. I most cheerfully comply, as I feel by so doing, I will discharge a debt I owe the community at large, and physicians in particular. As much as I detest quack remedies and patent nostrums, I was induced from a failure of the most potent expectorants, recommended in our medical treatises in some cases of Diseased lungs, to try your preparation of Prunus Virginia or Wild Cherry. It is sufficient to say that I was so much pleased with the result of that and subsequent trials that I now prescribe it in preference to all other remedies where an expectorant is indicated. In the much dreaded Pneumonia or Disease of the Lungs, in the alarming form in which it appears in Kentucky, I regard it as an invaluable remedy in the treatment of that disease. To all who know me I have said enough, but as this may be seen by persons out of the vicinity of Frankfort, I will briefly add, that I have been engaged in an active practice of my profession for 12 years, and am a regular graduate of Transylvania, and this is the first patent medicine I ever thought enough of to express an opinion in writing.

J. H. ELLISON, M. D.

Jan 7, 1847. Franklin co., Ky.

FRANKFORT, Ky., Jan 7, 1847.

The above certificate is from one of our physicians living a few miles from here, he is doing a very good practice, and is considered a good physician, and stands fair; he is as he says, a regular graduate. Dr. W. L. CRUTCHER,

Druggist and Apothecary.

☞ Since the introduction of my article to the public, there have a number of unprincipled individuals got up nostrums, which they assert contain Wild Cherry, some are called 'Balsams,' 'Bitters,' and even Syrup of Wild Cherry, but mine is the original and only genuine preparation ever introduced to the public, which can be proved by the public Records of the Commonwealth of Pennsylvania. The only safeguard against imposition is to see that my signature is on each bottle.

Poison.

WE think a man who will make and palm upon an unsuspecting person, a "Sugar Coated Pill," not having on the box Dr. G. Benj'n Smith's signature, would not hesitate to sell poison, regardless of all consequences. No "SUGAR COATED PILLS" can be relied upon, unless Dr. Smith's signature is on the box, and ☞ all others are either imitation or counterfeit, and of course dangerous to use.

☞ CAUTION.—As a miserable imitation has been made, by the name of "Sugar Coated Pills," it is necessary to be sure that DR. G BENJ. SMITH'S signature is on every box. Price 25 cents.

AND A VARIETY OF OTHER DISEASES ARISING FROM IMPURITIES OF THE BLOOD, AND OBSTRUCTIONS IN THE ORGANS OF DIGESTION.

Experience has proved that nearly every Disease originates from Impurities of the Blood or derangements of the Digestive Organs; and to secure Health, we must remove those obstructions or restore the Blood to its natural state.

The aversion to taking medicine is most effectually removed by CLICKENER'S VEGETABLE PURGATIVE PILLS, *being completely enveloped with a coating of pure white Sugar*, (which is as distinct from the internal ingredients as a nut shell from the kernel) AND HAVE NO TASTE OF MEDICINE.

But are as easily swallowed as bits of candy. Moreover they *neither nauseate or gripe* in the slightest degree, but operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region. Thus, if the Liver be affected, one ingredient will operate on that particular organ, and, by cleansing it of an Excess of Bile restore it to its natural state. Another will operate on the Blood, and remove all impurities in its circulation; while a third will effectually expel whatever impurities may have been discharged into the stomach, and hence they STRIKE AT THE ROOT OF DISEASE, remove all Impure Humors from the body; open the pores externally and internally; separate all foreign and obnoxious particles from the chyle, so that the blood may be thoroughly pure—thus, securing a free and healthy action to the Heart, Lungs and Liver; and thereby they RESTORE HEALTH EVEN WHEN ALL OTHER MEANS HAVE FAILED.

The entire truth of the above can be ascertained by the trial of a single box; and their virtues are so positive and certain in reforming Health, that the proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction.

SILENCE

THAT DREADFUL COUGH! THE LUNGS ARE IN DANGER, THE WORK OF THE DESTROYER HAS BEEN BEGUN, THE COUGH OF CONSUMPTION HATH IN IT A SOUND OF DEATH.

ARE YOU A MOTHER! Your darling child, your idol and earthly joy, is now perhaps confined to her chamber by a dangerous cold—her pale cheeks, her thin shrunken fingers, tell the hold disease has already gained upon her—the sound of her sepulchral cough pierces your soul.

YOUNG MAN, when just about to enter life, disease sheds a heart crushing blight over the fair prospects of the future—your hectic cough and feeble limbs tell of your loss and hope, but you need not despair. There is a balm which will heal the wounded lungs, it is

SHERMAN'S ALL-HEALING BALSAM.

Mrs. ATTREE, the wife of Wm. H. Attree, Esq. was given up by Dr. Sewall of Washington, Drs. Roe and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.

Mrs. GARRABRANTZ, of Hull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. HENRY JONES, 108 Eighth avenue, was cured of cough and catarrhal affections of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancy street, gave it to a sister-in-law who was laboring under consumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restoring them to comfortable health.

Mrs. LUCRETIA WELLS, 95 Christie street, suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consumption.

Price 25 cents and $1 per bottle.

Dr. Sherman's Cough and Worm Lozenges, and Poor Man's Plaster sold as above.

DR. LE ROY'S Vegetable Universal Pills,

The only known Medicine that at the same time purges purifies and strengthens the system.

LONDON, July 7, 1846.

DR LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus these pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no re-action. Dr. Le Roy's pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus make impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines, which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations. ☞ Price 25 cents per BOX.

WILL BE PUBLISHED IN WASHINGTON, D. C.,

ON THE SEVENTH OF DEC. NEXT, NO ONE OF THE

UNITED STATES REPORTER,

A Daily Journal of Government, Legislative and General News.

THE SUBSCRIBER IS NOW ENABLED to announce the completion of his arrangements for the establishment of a well-organised and independent Journal of News at the Seat of the General Government.

The leading features of the United States Reporter will be the following:

I. Early intelligence of the Movements of the various Departments, in reference to domestic affairs and to the foreign relations of the country, will be given with scrupulous fidelity. Possessing peculiar facilities for obtaining information, the "Reporter" will be enabled frequently to communicate, exclusively, intelligence of the most important character.

II. The verbatim Reports of the Proceedings and Debates of the United States Senate, which the proprietor is bound to furnish daily to that body, in accordance with the terms of the contract made at the close of last session of Congress. The arrangements now made will at once fully secure to the Senate of the United States an authentic and complete record of its debates; and to the people, in a greatly enlarged degree, the benefit of the experience, sagacity, and statesmanship of that body to which they have ever looked with solicitous and respectful regard.

III. The Proceedings and Debates in the House of Representatives will also be given with fullness, impartiality and the utmost promptitude. Each day's record will be completely made up, and appear in the "Reporter" next morning.

IV. A Synoptical View of the Proceedings and Debates of all the State Legislatures will be regularly given. Members of Congress, and all classes of readers, will thus be kept fully and systematically informed of domestic legislation in all sections of the United States.

V. Early Intelligence of all important movements in the Legislatures of Great Britain and France will be communicated by every steamer from Europe, through reporters in London and Paris, who possess peculiar facilities for obtaining information.

VI. The General News of the Day will be given in a condensed form, with industry and attention.

VII. Reports of Arguments before the Supreme Court of the U. S. This department will be so conducted as to make the "Reporter" indispensable to every lawyer in the country.

Such is a brief view of what the "United States Reporter" is designed to be. All the plans and arrangements have been well matured, and the hope is confidently cherished, that the "United States Reporter" will prove itself an energetic, industrious, dignified and perfectly independent journal. It will have no party views—no political bias. The proprietor, by the terms of his contract with the Senate of the U. S., is bound to the condition that "the paper shall contain no political discussions except the debates." It will be the vehicle of news—not the organ of any set of opinions. The grand aim of the subscriber is to establish at the seat of Government a faithful and prompt reporter of all sorts of intelligence—a responsible agent, on whom the politician, the business man, the manufacturer, the mechanic, and every one interested in the affairs of Congress and the Government, may rely at all times with implicit confidence.

It is believed that the establishment of such a reliable journal of intelligence on terms which place it within the reach of the great masses of the people, at the commencement of what promises to be a most interesting and eventful period in the history of Congressional proceedings, will be regarded with favor by all classes of the community; and having thus stated his objects, the subscriber respectfully solicits a liberal and generous support from the enlightened public of the United States.

JAMES A. HOUSTON,
Stenographer to the Senate of the U. S.

The "United States Reporter" will be printed on a large and handsome sheet, and issued every morning, except Sundays, at the rate of six dollars per annum; single copies, two cents.

In connection with the daily paper, there will be issued from the same establishment,

THE MIRROR OF CONGRESS.

The publication will contain exclusively the reports of the proceedings and debates of the Congress of the United States. It will be issued semi-weekly, in an elegant quarto form, throughout the session of Congress, and will be furnished to subscribers at the rate of two dollars for the long session and one dollar for the short session. It is believed that this great national work will be deemed indispensible in the library of every public institution, politician and professional man throughout the country; and that it will be regarded by the great mass of the people as the very best political text book for their own instruction and that of their children.

IMPORTANT ANNOUNCEMENT.

Throughout the sessions of Congress, Extras will be issued from the office of the "United States Reporter," containing the reports of such debates as may possess particularly exciting interest.

All subscriptions and communications to be post paid, addressed "J. A. HOUSTON,
United States Reporter, Washington, D. C."

SIX YEARS AGO

THE children began to cry for Sherman's Lozenges. The noise was not so loud at that time, but it has kept increasing ever since, and now has become so great that the mouths of the little ones can scarce be stopped. Dr. Sherman sympathises with the little sufferers, and very much regrets that any of them should be disappointed. Knowing the vast benefit which has been conferred upon the community by the introduction of his infallible

WORM LOZENGES,

he has entered into arrangements for enlarging his Manufactory, by means of which he thinks he will be able to supply the demand. And the same pains and care will be taken, that these celebrated Lozenges be made as they have always been, in order that those who depend upon them, may not be disappointed in their hopes. He knew when he commenced the manufacture of the *Worm Lozenges*, that they would supersede the use of every other vermifuge, as the Lozenge is *very pleasant* to the taste, *speedy* in its effects, as well as *certain*, and the quantity required to effect a *perfect cure*, is very small. These properties in connexion with the fact that they are sold for 25 cents per box, thus placing them in the reach of the poorest man in the land, has not only caused them to take the place of every other vermifuge ever offered, but also rendered them popular to the community.

Dr. Sherman's

COUGH LOZENGES,

continue to cure Coughs, Colds, Consumption, Asthma, shortness and difficulty of Breathing, and other diseases of the Lungs, with the same facility they did on their first introduction, and the people have now become persuaded by actual experience, that on the accession of a slight cold, they have only to step to either the Dr's. office, or one of the Agents, and obtain a box of his Cough Lozenges, which are very convenient to carry in the pocket, and to take a few through the day. By pursuing this course a cure is often effected in 24 hours, and the patient about his business. So great is the celebrity of the Lozenges, that thousands of persons who have used them, and become acquainted with their effects, will never be without them.

SHERMAN'S

POOR MAN'S PLASTER

has cured more cases of Rheumatism, Pain in the Back, Side and Chest, Lumbago and Weakness, than any application that has ever been made. As the celebrity of the Plaster has increased, hundreds of unprincipled rascals have attempted to counterfeit it, and palm it off upon the community as the genuine. ☞ Beware of Deception. ☜ Remember that the true and genuine Plaster is spread upon reddish paper made expressly for the purpose, and in every case the signature of Dr. Sherman is printed upon the back of the Plaster, and the whole secured by Copy Right. None others are genuine. Therefore when you want a real good Sherman's Poor Man's Plaster, call at the office, 106 Nassau street, and you will not be disappointed.

Remember the number, 106 Nassau st., where all Dr. Sherman's Lozenges are sold. His Agents are Mrs. Hays, 139 Fulton street, Brooklyn; Hinemon, Williamsburg; and Redding & Co., Boston, and JOHN YOUNG, Sunbury.

DR. CULLEN'S Indian Vegetable Panacea.

SCROFULA.

MESSRS. ROWAND & WALTON.—Gents,—Feeling deeply grateful for the extraordinary cure performed upon me by your Dr. Cullen's Indian Vegetable Panacea, I cheerfully furnish you with a short history of my case.

About seven years ago, (when only eleven years old,) I was attacked with Scrofula, which increased in its ravages till my throat was filled with ulcers! the bones of my neck laid bare! my palate destroyed, and a large piece of one of the nasal bones carried away. My head was also so much diseased that in drinking, the tea or coffee would frequently *pass out of my ear!* A mass of something which the Doctors called a tumor came from my nose.

I was under the care of physicians of the highest distinction in this city, and at one time pronounced cured, and by request attended a medical lecture, where my case, together with the method of cure, was explained to the students. The lecturer said,—"You are now well, but if the disease should return, you cannot live long, as it would soon destroy your windpipe."

I did not believe myself cured at the time, as I had much dizziness in my head, and other disagreeable feelings, and after a time the ulcers re-opened.

In January, 1845, my mother called with me upon Dr. Mutter for advice. He said I was a very sick girl, and it was doubtful whether ever I would get well; if ever, it would be a long while. The disease grew so much worse, that the physician who then attended me, said he could see my windpipe! My face also was swollen, highly inflamed, and very painful, and the Dr. said ulceration was inevitable!!

I was in this condition in January last, when I commenced taking your "Dr. CULLEN'S INDIAN VEGETABLE PANACEA." The inflamation was soon removed, and the dreadful ulceration in the face prevented! I am now well! I have no ulcers! no pain, or any disagreeable sensation in my head, and NOW feel that I AM cured. I shall be happy to give any further information to the afflicted who will take the trouble to call upon me at my father's house, West Spruce, between Beach and Willow streets, opposite Spackman's factory.
