☞ We have not yet seen the report of the subordinate officers in the late battles before Mexico, but understand that Col. Andrews makes honorable mention of Lieut. Martin, as being among the foremost in the fight at Chapultepec, and having killed three Mexicans with his own hand. The Lieutenant, in a letter to a friend in this place, speaking of the storming of the Castle of Chapultepec, says:

"Here our regiment made itself a name. Our flag was the first in the fort, and while I carried it, got eleven balls in the canvass and staff. I received a ball in my sword-scabbard, and one in my cap, through the top, which, had I not seen the chap aiming at me, would have gone through my forehead. I was just getting over the ditch, when this fellow, among others, took a chance at me within 3 or 4 yards. I popped down my head, and it went through the top of my cap, stunning me slightly. While in the ditch, they threw over, by hand, six pound shot, brick bats, &c."

Next week we shall publish a humorous letter from Weiser Zeigler, who accompanied Lieut. Martin to Mexico.

CONGRESSIONAL.

Thirtieth Congress.

WASHINGTON, Dec. 6, 1847.

SENATE. At 12 o'clock the Vice President called the Senate to order, when a fervent prayer, appropriate to the opening of the session, was delivered by the Rev. Mr. Slicer.

The number of Senators present who answered to their names was forty one. Messrs. Webster, Baldwin, Niles, Clayton, Pierce, Calhoun, Berrien, Colquit, Lewis, Bagby, Bell, Benton and Yulee were absent.

The new Senators present were introduced and sworn into office in the usual form. They were Messrs. Hale, Underwood, Downs, Clarke, Jefferson Davis, Douglas, Bradbury, Felch, Foote, Hunter and Sprvance.

On motion of Mr. Breese, the Secretary was directed to acquaint the house of Representatives that a quorum of the Senate had assembled, and had organized and were ready to proceed to business.

On motion of Mr. Fairchild, the daily hour of meeting was fixed at 12 o'clock.

On motion of Mr. Cameron, it was resolved that each Senator be provided with four daily papers.

The Senate then adjourned over till to-morrow.

HOUSE OF REPRESENTATIVES. At 12 o'clock the members were called to order, and the roll was called by Mr. French, the clerk of the last House. The number of members answering to their names were 219.

Mr. Adams moved that the House go into an election for Speaker, and that the vote be taken viva voce, which was unanimously agreed to.

Mr. French requested Daniel P King, James A. Black and Richard W. Thompson, to act as tellers.

The vote on the first ballot stood R. C. Winthrop, 108; Linn Boyd, 61; R McClelland, 23; J. S. McClernand, 23; James J McKay, 5; scattering, 12. Messrs Geddings and Tuck voted for Mr. Wilson; John W. Jones for Mr Gaines; Mr. Palfrey for Mr. Hudson, and Mr Linn for Joseph R. Ingersoll. There being no choice a second ballot was ordered.

On the second ballot the vote stood: R. C. Winthrop, 109; Linn Boyd, 83; R. McClelland, 13; scattering, 15.

The third ballot was then ordered, when the vote stood: R C. Winthrop, 110; Linn Boyd, 64; R. McClelland, 14; scattering, 14. Messrs. Thompkins and Holmes did not vote. John W. Jones and Lewis C. Levin voted for Mr. Winthrop, Messrs. Palfrey, Giddings, and Tuck voted for different persons.

Mr. Winthrop having received a majority of the votes cast, was declared to be duly elected, and being conducted to the chair by Messrs Vinton and McKay, returned thanks in an able, eloquent and patriotic address.

The oath of office was then administered to the Speaker elect by Mr. Adams.

The members were then sworn in by States.

Mr. C J. Ingersoll presented a resolution for the appointment of a committee to revise the rules of the House, which was discussed, but not passed.

A resolution was then adopted for the appointment of a joint Committee of both Houses to wait on the President of the United States, and inform him that Congress had organized.

On motion of Mr. Niles, the rules of the last House were adopted for the present.

Mr. Levin offered a resolution adopting Mr. French as the Clerk of the House for the present Congress, but pending this motion the House adjourned.

[As the organization of both branches is considered to be complete, the President's Message will be delivered to-day, though it may be delayed until after the usual hour by attempts to elect the other officers of the House.]

ANOTHER CANDIDIDATE.—Com. Stockton, the "big gun" of the Navy, is spoken of for the Presidency.

TO THOSE WHOSE OCCUPATIONS TEND TO PRODUCE OR AGGRAVATE DISEASES.—This class of individuals is very numerous. They are those who work in an unhealthy atmosphere. Printers, work men in feather stores, stone cutters, bakers, white lead manufacturers, are all more or less subject to disease according to their strength of constitution. The only method to prevent, is the occasional use of a medicine which abstracts from the circulation all deleterious humors, and expel them by the bowels. Tonics in any form are injurious, as they only put off the evil day to make it more fatal. The use of Brandreth's Pills will insure health, because they take all impure matters out of the blood, and the body is not weakened but strengthened by their operation, for these valuable Pills do not force, but they assist nature, and are not opposed, but harmonize with her.

DR. SWAYNE IN THE SOUTH.

THE following letter just come to hand, and will be read with interest. The patient suffered intolerably, and could find no relief until he used Dr. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY. It is certainly the most wonderful cure on record!—Read it.

Wilmington, N C., Jan. 12th, 1847.

DR. SWAYNE—Dear Sir: Having been almost miraculously cured by your valuable medicine, I think it not more than common gratitude in me to make one addition to the long list of certificates which you have received of remarkable cures by your medicine. During the two years preceding last August, I was very much distressed by a very bad cold and racking cough, and during the latter part of the time it continued to grow worse, and indeed, in July my friends gave me over, having tried all kinds of medicine, said to be good for such diseases, without the least good effect. I was reduced almost to a perfect corpse, and had scarcely any flesh upon my body, and for a long time never thought to rise from my bed again. A friend one day asked me if I had tried Dr. SWAYNE'S Compound Syrup of WILD CHERRY, and advised me to do so at once, as he heard that it had worked a great many wonderful cures. I took his advice, and after using up several bottles of it, I grew so much better that I was enabled to leave my bed, and afterwards to walk about the house, and so out into the street. I was encouraged by this, and continued the use of your medicine, and now, by means of its wonderful curative powers, I am perfectly well, and enjoy the use of all my faculties, just as much as if I had never been afflicted in the way I described to you. I have written this not thinking that it will at all interest you, but humbly hoping that it will have its mite of influence in causing your valuable medicine to be spread among mankind, and in assisting to raise you to that station which you richly deserve, for your persevering efforts for the public good.

Respectfully your friend and admirer,
JAMES R. MAISLAND.

Comment on such evidence as the above is unnecessary. A single trial will place Dr. SWAYNE'S Compound Syrup of WILD CHERRY beyond the reach of competition in the estimation of every patient.—But its healing virtue will be its best recommendation.

Beware of Imposition—Attempts have often been made by unprincipled individuals to impose upon the community a spurious article. Stealing nearly the whole of the name of my preparation. To fully guard against such base and palpable imposition, the public should shun all preparations purporting to contain Wild Cherry, except that bearing the signature of Dr. H. SWAYNE on each bottle. The name of Dr. SWAYNE, in connection with the Compound Syrup of Wild Cherry, has never yet been counterfeited. So if persons would bear in mind the name of Dr. SWAYNE, they may be sure of obtaining the original and genuine article.

Beware of the worthless 'Balsams,' 'Bitters,' 'Syrups,' &c., as they contain none of the virtues of the original preparation.

The (original and only) genuine article is prepared by DR. SWAYNE, corner of Eighth and Race streets, Philadelphia, and for sale by agents in all parts of the United States, and some parts of Europe.

Only Agents in Sunbury, are

VENI, VIDI, VICI—Dr. ALLEN'S VEGETABLE COMPOUND, for the cure of DYSPEPSIA, LIVER COMPLAINT, NERVOUS DEBILITY, BILIOUS AFFECTIONS &c. This Medicine is offered to the public under the assurance that there is no article in existence having stronger claims to their consideration. Being compounded by a regular Graduate of Jefferson College, Philadelphia, and a practising physician of twenty years' standing in Philadelphia, his long experience has confirmed him in the opinion that a compound medicine was required to prevent and remedy the debilitation produced by residing in low, miasmatic climates, and to counteract the protrating influences of many nervous disorders with which the human family are afflicted.

DR. ALLEN is a well known physician, and has used the above medicine in his practice for 8 years with the most astonishing effect, having tested its qualities in above

FIVE THOUSAND CASES.

No medicine ever received more flattering recommendations from physicians of eminent standing than has been bestowed on this.

DYSPEPSIA OR INDIGESTION AND ITS CONSEQUENCES.—An eminent Professor says:—"It chiefly arises in persons who lead either a very sedentary or irregular life. Although not regarded as a fatal disease; yet if neglected or improperly treated, may bring on incurable Melancholy, Jaundice, Madness, or Vertigo, Palsy and Apoplexy. A great singularity attendant on it is, that it may and often does continue a great length of time without any remission of the symptoms.

CAUSES.—Grief and uneasiness of mind, intense study, profuse evacuations, excess in venery, excessive use of spirituous liquors, tea, tobacco, opium and other narcotics, immoderate repletion, over distention of the stomach, a deficiency of the secretion of the bile or gastric juice, exposure to cold and damp air, are the chief causes of this disease.

SYMPTOMS.—Loss of appetite, nausea, heartburn, acidity, and feetid eructations, gnawing of the stomach when empty, uneasiness in the throat, pain in the side, costiveness, chilliness, languor, lowness of spirits, palpitations, and disturbed sleep."

TREATMENT.—*DR. ALLEN'S VEGETABLE COMPOUND* has never failed in affording immediate relief, and a radical cure for this disease.

☞ This Medicine can be had of H. B Masser, Sunbury; J. C. Martin, Pottsville, Medlar & Bickel, Orwigsburg; and of Druggists generally.

DR. CULLEN'S Indian Vegetable Panacea.

STILL ANOTHER CURE.

MESSRS. ROWAND & WALTON.—Gentlemen,—It is with pleasure that I give you the following history of my case, which from its severity and long continuance under the best medical attendance I could procure, affords a striking illustration of the wonderful superiority of your Dr CULLEN'S INDIAN VEGETABLE PANACEA over all the popular remedies of the day.

It was my misfortune to inherit Scrofula, which made its appearance (as my mother informed me) when I was but a few months old, but was not very troublesome until my 25th year, when it attacked my right elbow, and stiffened the joint. About eight years after this, it made its appearance on my arm again, almost covering it with ulcers. At the same time it attacked my throat also, filling it with ulcers. My tongue became frightfully swollen, and almost as hard as a piece of wood.

I applied to one of the most skilful physicians in Norristown, Pa., where I resided at the time, but the disease seemed beyond his each. He advised me to come to Philadelphia and consult the late Dr. Parrish. I did so, and was under his care for a short time, when he advised me to return home, as my physician could do as much for me as he could. This was certainly not very encouraging. I returned, and was for four or five years most of the time under treatment, when the Doctor informed me that his resources were exhausted, and I was at liberty to try any thing I thought would do me good.

I then took Oakley's Sarsaparilla, which at first seemed to do me good, but soon lost its power, and was discontinued. I have taken Swaim's Panacea, Marshall's, Houck's, Lesly's and other preparations of Sarsaparilla, without effect. My throat was still ulcerated, my palate entirely carried away, my face and nose much swollen, and exceedingly painful.

This matter stood in January last, when I commenced with Dr. CULLEN'S INDIAN VEGETABLE PANACEA, and I frankly confess, if your medicine had required FAITH to ensure a cure, it would have failed in my case; for I had tried so much trash that my confidence in medicine was gone; and it was only as a drowning man will grasp a straw, that I commenced with the Panacea.

But strange as it may appear, the inflammation and soreness were almost entirely removed in 36 hours, satisfying me that I had got hold of a medicine which I had not used before, and which would cure me. My anticipations have to all appearance been realized, for I am healthier than I have been for seventeen years. My skin has assumed a healthy appearance. My head, which had troubled me for so many years, is now free from all disagreeable sensations; my throat is sound; and so far as I can judge, the disease is completely eradicated from my system.

I shall be happy to give any further information to any who choose to call upon me at my residence in Poplar street, first house east of Eighth street, north side. JOSEPH BARBOUR.

MEDICAL HOUSE,

Established 15 years ago, by Dr. KINKELIN.

The oldest, surest and best hand to cure all forms of secret diseases, diseases of the skin and solitary habits of youth, is

DR. KINKELIN,

N. W. corner of 3d and Union sts., between Spruce and Pine, 13 squares from the Exchange.

YOUNG MEN! if you value your life or your health, remember, the delay of a month, nay, even a week, may prove your ruin, both of body and mind. Hence let no false modesty deter you from making your case known to one who, from education and respectability, can alone be friend you. He who places himself under Dr. KINKELIN'S treatment, may religiously confide in his honor as a gentleman, and in whose bosom will be forever locked the secret of the patient.

Too many think they will hug the secret to their own hearts, and cure themselves. Alas! how often is this a fatal delusion, and how many a promising young man, who might have been an ornament to society, has failed from the earth.

COUNTRY INVALIDS,

finding it inconvenient to make personal application, can, by stating their case explicitly, have her with all their symptoms, (per letter post paid,) have forwarded to them a chest containing Dr. K's medicines appropriated accordingly.

Packages of Medicines forwarded to any part of the United States at a moment's notice.

☞ POST PAID LETTERS, addressed to Dr. KINKELIN, Philadelphia, will be promptly attended to.

SILENCE

THAT

DREADFUL

COUGH! THE

LUNGS ARE IN DAN-

GER, THE WORK OF THE

DESTROYER HAS BEEN BEGUN,

THE COUGH OF CONSUMPTION HATH

IN IT A SOUND OF DEATH.

ARE YOU A MOTHER! Your darling child, your idol and earthly joy, is now perhaps confined to her chamber by a dangerous cold—her pale cheeks, her thin shrunken fingers, tell the hold disease has already gained upon her—the sound of her sepulchral cough pierces your soul.

YOUNG MAN, when just about to enter life, disease sheds a heart crushing blight over the fair prospects of the future—your hectic cough and feeble limbs tell of your loss and hope, but you need not despair. There is a balm which will heal the wounded lungs, it is

SHERMAN'S ALL-HEALING BALSAM.

Mrs. ATTREE, the wife of Wm. H Attree, Esq. was given up by Dr. Sewall of Washington, Drs. Roe and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.

Mrs. GARRABRANTZ, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. HENRY JONES, 108 Eighth avenue, was cured of cough and catarrhal affections of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancy street, gave it to a sister-in-law who was labering under consumption, and to another sorely afflicted with the Asthma. In both cases, its effects were immediate, soon restoring them to comfortable health.

Mrs. LUCRETIA WELLS, 95 Christie street, suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consumption.

Price 25 cents and $1 per bottle.

Dr. Sherman's Cough and Worm Lozenges, and Poor Man's Plaster sold as above.

Dr. Sherman's office is at 106 Nassau st N. Y.
