

The American Boy.

Father, look up and see that flag, How gracefully it flies; Those pretty stripes—they seem to be A rainbow in the skies. It is your country's flag, my son, And proudly drinks the light, O'er ocean's wave—in foreign climes, A symbol of our might.

Father—what fearful noise is that, Like thundering of the clouds? Why do the people wave their hats, And rush along in crowds? It is the voice of cannonry, The glad shouts of the free, This is a day to memory dear— 'Tis Freedom's Jubilee.

I wish that I was now a man, I'd fire a cannon too, And cheer as loudly as the rest— But, father, why don't you? I'm getting old and weak—but still My heart is big with joy; I've witness'd many a day like this— Shout you aloud, my boy.

'Hurrah! for Freedom's Jubilee, God bless our native land; And may I live to hold the sword Of Freedom in my hand! Well done, my boy—grow up and love The land that gave you birth; A home where Freedom loves to dwell, Is Paradise on earth.

To Who! To Who! 'Twas on a cold autumnal night, A dismal one to view; Dark clouds obscured fair Venus' light, And not a star appeared in sight, As the thick fogs through, Muggins—as usual, "blue."—

Beating homeward, "tacking" left and right; When all at once he "brought up" right Against an old dead yew, At which he "rounded to," And "squaring off" as if for fight, Said with an oath, I shan't indite, "—internal scoundrel, you!

Light, and I'll lick you, black or white." Just then above him flew An owl, which on a branch did light, A few feet 'o'er the booby wight, And then commenced "Tu-whoo— Tu-whoo— Tu-whoo— Tu-whoo!"

DR. SWEETSER'S PANACEA.

THIS Medicine is warranted, on oath, not to contain a particle of Calomel, Corrosive Sublimate, Arsenic, Chloride of Gold, or any deleterious mineral. The principle upon which this Medicine acts, is by assisting and harmonizing with nature; it drives out all foul seruminous humors from the blood and body, and by assimilating with and strengthening the gastric juice of the stomach, it assists digestion; in short there is not a vein, artery, muscle or nerve in the human body, that is not strengthened by the PANACEA, and it also possesses the remarkable property of removing mercury from the bones and joints.

FOR ERUPTIONS OF THE SKIN.

Scruful, Scrofulic Affections, Tumors, Scrofula or Kings' Evil, White Swellings, Erysipelas, Ulcers, Cancer, Running Sores, Scabs and Blisters, etc. and a determined perseverance in Dr. SWEETSER'S PANACEA, will effect a cure.

FOR INDIGESTION.

Rejection of food, Nausea, Vomiting, Nervous affections, Bilious complaints, Head ache, Paleness, or Female Irregularities. Dr. SWEETSER'S PANACEA will soon effect a cure; but if obstinate, or attended with eripings, living pains, the dose should be increased, and the cure will soon be effected. Let not the patients frighten themselves with the idea that they are too weak to take much medicine; but bear in mind that this mildly operating medicine does not put to rest the frame, but most certainly draws weakness out, leaves strength in its place, and by giving compound sleep at night, and an appetite to relish any food, re-animates the whole frame with vigorous action, clearing the mind and improving the sight.

SCROFULA AND GLANDULAR AFFECTIONS.

Scrofula is said to be hereditary, the infant receiving from its parents the seeds of this disease, which increases with its years, if neglected and not submitted to frequent purification with Dr. SWEETSER'S PANACEA. The glands are placed in the corners of the body, and out of the way of direct communication; their real use is a subject on which much difference of opinion prevails; it suffices us to know that when in a diseased state, they are capable of being purified and cleaned by a long course of Dr. SWEETSER'S PANACEA, which restores them to sound and proper action. Scrofulous persons can never pay too much attention to their blood, its purification should be their first thought, for after a long course of perseverance, they will ever cure hereditary disease.

In cases of JAUNDICE, ASTHMA, LIVER COMPLAINTS, TIC DOLOREUX, RHEUMATISM OR RHEUMATIC GOUT, Dr. SWEETSER'S PANACEA cannot be too highly extolled; it searches out the very root of a disease, and by removing it from the Blood makes a cure certain and permanent.

For diseases of the Bladder and Kidneys, Stricture, Gravel, Stone, Piles, Fistula, Urinary Obstructions and Extremes Catarrhes, Dr. SWEETSER'S PANACEA is the best remedy ever tried; it removes all those acrimonious humors from the Blood which give rise to the above diseases, and by keeping the blood in a pure condition, insures health.

For DROPSY, FALLING OF THE BOWELS, Impurities of the Blood, Mercurial Taint, Weakness of the Spine, Flowing Blood to the Head, Giddiness, Singing and Buzzing Noise in the Head and Ears, Dr. SWEETSER'S PANACEA will give certain relief; in all severe and chronic cases, the patients cannot be too often reminded that larger doses and perseverance will effect a cure.

In Chills and Fevers, Bilious Fevers, Affections of the Eyes and Ears, Spongy and Bleeding Gums, Bronchitis and recent Coughs and Colds, Dr. SWEETSER'S PANACEA will be found perfectly sure and certain in its effects.

GRAVEL AND URINARY COMPLAINTS.

These complaints are generally attended with the most fatal consequences, and are seldom or never cured by the present mode of treatment; they usually accompany the patient to the grave, after suffering the most excruciating pain and torture. The cause of these complaints is the same as all others, the dose of the blood becomes encrusted on the finest narrow passages, whence arise morbid secretions and stoppages of urine. You will find the most powerful diuretics of no use, as they only increase the quantity of urine and do not purify and strengthen the parts. By purifying the blood with Dr. SWEETSER'S PANACEA, you remove the cause of the disease, consequently it cannot exist any longer, after sufficient perseverance in its use has deprived the blood and body of all acrimonious humors and impurities.

DISEASES OF THE LUNGS—CONSUMPTION.

This is a very prevalent and fatal disease; it results mostly from neglected coughs, colds and bronchitis, also from improper treatment in many other cases, such as measles, fevers, inflammations and small pox, and a host of other badly treated diseases; where the cause, instead of having been thoroughly removed from the blood and body, have only been palliated or removed from one part to break out in another. By driving your bodies of all foul humors, through the medium of Dr. SWEETSER'S PANACEA, the cure is at once rendered certain and permanent. Recollect, while there is acrimonious humors floating in the circulation, it is as yet not settled on the lungs as any other part of the body; this is the reason that consumption is so prevalent.

BILES, SORES AND ULCERS.

Which you see on the exterior, come from and have their source in, the interior, and might just as well have settled on your lungs, liver, or any other part; which we know they frequently do, and produce most violent inflammatory disorders. The humor which occasions these sores is of a highly acrimonious burning nature. We know it from the pain it gives in forming, and afterwards its rapidly ulcerating and corroding the flesh and skin of the part where it breaks out. This shows the necessity of frequently purifying the blood with Dr. SWEETSER'S PANACEA, and keeping such malignant humors in solution. Should you have a sore or ulcer, be thankful that nature has taken trouble to warn you of the danger your life and body is in, for it is a warning that the blood is foul. Had this same acrimony affected the lungs instead of the surface of your body for its seat, consumption of the lungs would have been the consequence. Delay not then, to purify and cleanse with Dr. Sweetser's Panacea.

SPINE DISEASE.

Spinal affections, enlargement of the bones and joints, white swellings, hip joint complaint, ruptures, falling of the bowels and womb disease, will find a speedy cure in Dr. SWEETSER'S PANACEA. Where the disease has been of long standing, the time required to make a cure will be longer; but the patient may rest assured that a determined perseverance will effect it.

BRONCHITIS, ASTHMA AND DISEASE OF THE WINDPIPE.

These diseases proceed from the serosity or corrupt humors of the blood, having settled itself on the throat and lungs, and stopped them up, so that they cannot draw sufficient air in for respiration. Dr. SWEETSER'S PANACEA will give immediate relief, and to make the cure perfect and cer-

tain, it should be continued some time after, to free the system of all bad humors.

RHEUMATISM, RHEUMATIC GOUT AND MERCURIAL DISEASES.

Find a safe and speedy cure in Dr. SWEETSER'S PANACEA. It cures by searching every blood vessel and artery, and driving out all impurities and foul humors accumulated therein, which is the cause of rheumatism, gout and swellings of the joints. The deleterious effects of calomel and other mineral poisons, readily yield to its sovereign influence; indeed, when its valuable properties become fully known, the use of all mineral poison will be abandoned to the tomb of all the Capulets; and only be thought of as a silly-gone custom of the darker ages. Dr. Sweetser's Panacea is for a sure cure for dyspepsia, piles, epistaxis, vertigo, headache, pain in the breast and liver complaint.

FEVER AND AGUE.

Fever is always caused by a disorderly movement of the blood, struggling to free itself of something that encumbers it; in fact, every kind of fever is nothing more than a struggle between the blood and corrupt humors, and as soon as the corrupt humors are expelled, you have no more fever. When a patient with fever submits to be bled, or has his blood poisoned with mercury, it weakens his frame to such a degree that if he survives the process, it always leaves him subject to distressing chills, when 9 times out of 10 he resorts to opium pills, powders, or tonic mixtures, this is going from bad to worse, as these vegetable pills, powders, &c. are nothing but mercury and quinine in disguise, which may for a time drive the disease a little into the body as not to be perceptible, but very soon it will break out again with fearful violence. To cure ague and fever, the cause of the disease must be removed out of the blood and body, which can be effectually done by using Dr. SWEETSER'S PANACEA, which purifies, cleanses and strengthens. It contains nothing that can possibly injure, and its use is always a safeguard against chills and fevers.

PILES.

In ALL CASES OF PILES, Dr. SWEETSER'S PANACEA will effect a very speedy cure. It removes from the blood, stomach and bowels, all those foul acrid burning humors, which are the cause of Piles and Costiveness; and by strengthening the digestive organs, improves every part of the entire body.

FLATULENCE AND WIND.

These diseases are caused by the stomach and bowels being choked up with viscid slimy matter, the air which enters them cannot escape until forced by some contraction of the stomach to expel it; hence the cause of pain. A few doses of Dr. SWEETSER'S PANACEA will convince the sufferer that relief is attained.

GREAT MEDICINE FOR CHILDREN.

Parents will find the PANACEA a valuable medicine for their children, keeping their bodies in a healthy condition, thereby assisting their growth; children or grown persons, after taking it, are not liable to be attacked with an epidemic as before, as it always leaves the blood in a pure condition, and the entire system in a strengthened state; it drives out all kinds of weakness from the body and leaves all heal by itself.

MARRIED LADIES.

Will find Dr. SWEETSER'S PANACEA a medicine purely adapted to their use. Most ladies during the period of pregnancy are afflicted with piles. Dr. Sweetser's Panacea, by regulating the bowels, will entirely obviate this, and its purifying properties on the blood and fluids, insures to them health off spring. No one who is a mother should be without it, as those who are nursing will find it of great benefit to the health of their infants.

NERVOUS DISEASES.

Under this head may be classed Palpitation of the Heart, Tic Doloroux or Faciæ, Neuralgia, Indigestion, Toothache, Melancholy, Hysterics, and in fact, every disease caused by the sharp, biting, acrimonious humors irritating the nerves; the nerves receive the morbid impression from the stomach, or rather from the blood through the agency of the stomach and digestive organs, and although other parts of the body are apparently the seat of the disease, still it is caused by the morbid impression conveyed from the blood by the nerves, to that part. A few doses of Dr. SWEETSER'S PANACEA will soon assure the patient that he has the cure in his possession.

ERYSIPELAS, OR ST. ANTHONY'S FIRE.

This is an inflammatory disorder, always attended with more or less pain. It proceeds from the foul, acrimonious humors lodged in the blood and fluids, settling on the limbs and face, causing extreme pain and fever; all applications to the surface are worse than useless, as they only tend to throw the disease in some other part, and perhaps cause death. Bleeding is likewise improper. To cure the disease you must get rid of the cause; only manage to get the foul humors out of your blood, and you will be well in a day. Dr. SWEETSER'S PANACEA, a thorough purifier of the blood, will search out every impurity in the more remote parts of the body and expel it through the medium of the bowels. There is not a vein, artery, muscle or organ of the entire framework of man, that Dr. Sweetser's Panacea does not improve. To take it when you are well is to keep well; and when sick to become well.

DR. SWEETSER'S PANACEA, being composed only of a vegetable matter, or medicinal herbs, and wanting no salt, or containing not a particle of mercurial, mineral, or chemical substances, is found to be perfectly harmless to the surface, or the weakest frame, under any stage of human suffering; the most pleasant and benign in its operation that was ever offered to the world; and at the same time the most certain in searching out the root of any complaint, however deep, and of performing a cure.

Price \$1 per bottle, or six bottles for \$5. For sale, wholesale and retail, at the corner of CHARLES and PRATT Streets, Baltimore, and also by GEORGE BRIGHT, Nov. 6 1847.—y Sunbury.

The Grand Purgative FOR THE CURE OF

Headache, Giddiness, Measles, Salt Rheum, Rheumatism, Piles, Heart Burn, Worms, Dyspepsia, Scruful, Cholera Morbus, Small Pox, Jaundice, Coughs, Quinsy, Pains in the Back, Whooping Cough, Inward Weakness, Consumption, Fits, Palpitation of the Heart, Liver Complaint, Rising in the Throat, Erysipelas, Deafness, Dropsy, Asthma, Itchings of the Skin, Fevers of all kinds, Colds, Gout, Gravel, Female Complaints, Nervous Complaints, AND A VARIETY OF OTHER DISEASES ARISING FROM IMPURITIES OF THE BLOOD, AND OBSTRUCTIONS IN THE ORGANS OF DIGESTION.

Experience has proved that nearly every Disease originates from Impurities of the Blood or derangement of the Digestive Organs; and to secure Health, we must remove these obstructions or restore the Blood to its natural state.

The aversion to taking medicine is most effectually removed by CLICKEN'S VEGETABLE Purgative Pills, being completely enveloped with a coating of pure white Sugar, (which is as distinct from the internal ingredients as a nut shell from the kernel) AND HAVE NO TASTE OF MEDICINE.

But are as readily swallowed as bits of candy. Moreover they neither nauseate or gripe in the slightest degree, but operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region. Thus, if the Liver be affected, one ingredient will operate on that particular organ, and, by cleaning it of an Excess of Bile restore it to its natural state. Another will operate on the Blood, and remove all impurities in its circulation; while a third will effectually expel whatever impurities may have been discharged into the stomach, and hence they STRIKE AT THE ROOT OF DISEASE, remove all Impure Humors from the body; open the pores externally and internally; separate all foreign and obnoxious particles from the chyle, so that the blood may be thoroughly pure—thus securing a free and healthy action to the Heart, Lungs and Liver; and thereby they RESTORE HEALTH, EVEN WHEN ALL OTHER MEANS HAVE FAILED.

The entire truth of the above can be ascertained by the trial of a single box; and their virtues are so positive and certain in restoring Health, that the proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction.

Retail Price, 25 cts. per Box.

SOMETHING NEW!

THE Subscribers have the exclusive right of vending J. M. THATCHER'S Hot Blast Hot Air Cooking Stoves.

in the counties of Northumberland, Columbia and Schuylkill; and from the encouragement met with already, they expect to do a large business. This stove is constructed on an entirely new principle, and on the only principle that can make both a good wood and coal stove. The inventor has overcome all the difficulties that so frequently belong to other stoves. He has by his arrangement, constructed a broiling Oven in front, where in broiling, roasting, frying or baking may be done, and all the small that arises therefrom must pass into the combustible chamber, and is not at all thrown out into the room. Besides this, there is an oven only two inches less than the whole size of the stove, wherein baking or roasting may be done as well as it can be in the common brick oven. This oven is always fit for use when the stove is heated, as the whole draught of hot air passes around it constantly.

Public attention is particularly called to this stove. It can be seen at our Store and Tin Establishment in North Danville, at the sign of the Columbia Tin Shop, and at the Foundry of Rohrbach & Clement in Sunbury, where its particular qualities will be fully shown and explained to any person wishing to examine it.

The subscribers continue to have on hand all kinds of parlor stoves, such as radiators, cylinders, fancy and plain, suitable for all who may favor us with a call; also common sheet and Russia Iron, which can be made in any desirable shape; together with a general assortment of tin and spinnable ware, wholesale and retail. Country merchants are invited to call and examine our stock, as our work cannot be surpassed, and prices moderate.

N. B. We can safely recommend the above mentioned stove to persons who wish to embark in a good business. The patentee will sell either county or state rights, to suit purchasers, and on reasonable terms. He or his agents may be found in Danville, Pa. J. & J. ARTER.

The undersigned, having seen in operation the hot blast hot air cooking stove, invented and patented by J. M. Thatcher, certify that we believe, from the manner of its construction and operation, that it is the best one ever offered to the public. The arrangement is so complete and the construction so judicious, that there is a saving of one half the fuel and time, in doing any given amount of service, over other celebrated stoves. In short we recommend it in preference to all others, for the simple reason that it embraces every branch of economy.
