CONNETICUT.-The State election comes off in Connecticut on Monday, the 2d of April. The Abolition majority last year was 11,035. A heavy Democratic gain is confidently looked for, and it is possible the State may be carried.

THERE was an exciting political fight in the United States Senate on the 23rd inst., caused by an attempt to expel Senator Stockton, of New Jersey. Mr. Stockton is an unflinching Democrat, hence the attempt to deprive him of his seat, to which, he is duly entitled. In this we secure another advocate of American liberty in the United States Senate for the next six years.
