

BLOOMSBURG
Wednesday, May 16, 1866.

ANSWERS TO CORRESPONDENTS.

V. K. 109.—The paper and machinery was amount of paper is manufactured from beets of domestic growth. Of the present crop it is supposed that 100,000,000 pounds will be exported from France to the United States. The best sugar is being manufactured in some of our Western States.

12th.—Light is the transparency of the air caused by the rays of the sun and heat is the sensation caused by the approach of touch or of a hot body.

14th.—Coal is a substance consisting of dried plants, brought principally from Mexico.

15th.—It is as should be. If you would spend more of your leisure moments in your wife's company, you would have no cause for jealousy. If you were here and to get acquainted by society, you would not complain that some one does.

16th.—We desire that all subscriptions to the STAR of the NORTH be immediately settled.

17th.—John Savage, of Fishing Creek, has taken the "Walnut Hotel," in Light Street, Columbia county. Mr. S. is a clever man and ought to do a good business.

18th.—The high wind preceding the storm on Sunday last blew down the steeple on the South Ward Lutheran Church of Danville, and part of the roof of the North Ward Lutheran Church of the same place.

19th.—Those persons to whom tavern licenses have been granted at our late Quarter Sessions, will bear in mind that they must be taken up within FIFTEEN DAYS after having been passed upon by the Court, otherwise they will be of no effect.

20th.—Mr. Geo. Reichert has again made arrangements with the citizens and business men, on Main Street, for the sprinkling of said street from the 14th day of May till the 14th of September next.

21st.—We are just entering into an important political campaign. Let our Democratic friends throughout the county take immediate steps to give further and more extended circulation to the DEMOCRAT AND STAR, and thereby strengthen the cause of Democracy and the Union. See our terms elsewhere.

22nd.—Sheriff Snyder, of this county, with one assistant, started yesterday morning, with two prisoners, for Philadelphia. Nathan Perry, a boy about 17 years of age, goes to the House of Refuge, and Isaac Bird, a young man about 20 years of age, goes to the Penitentiary for two years.

23rd.—CONFIRMATIONS.—The Senate, on Thursday last, confirmed the appointment of Gen. Joseph F. Knipe, as Post Master of Harrisburg; Geo. Berger, editor of the Telegraph; removed. The appointment of Mr. Shyne as Collector of the Port of New York was also confirmed on the same day.

24th.—FOUND.—In the Court House at this place, a handsomely executed photograph of a pretty little child. The owner can get the same by calling at this office. The picture represents the child being between three and four years old.

25th.—Read our new advertisements. The business men of this county, know that in order to reach the great majority of the people of Columbia county, they must advertise in the DEMOCRAT AND STAR. And on the other hand, our readers know that the men who advertise are clever, whole-souled fellows and know how to put themselves on the right track to do a successful business.

26th.—The attention of our readers is directed to the Mercantile Appraisement List in another column. Should any establishment, liable to this tax, be neglected in the report, or any unjustly included, it will be the interest of such to have the proper correction made between this or on the 15th day of June, as directed in the notice elsewhere.

27th.—The Abolitionists advocated the right of secession up to 1861, and said that the Southern States were not fit to be in the Union. Now they claim that they have got them out and that they shall be kept out and therefore their doctrine of 1860 has been brought into effect. Can anything be more plain than the record of these distinctions?

28th.—REV. J. GUYER, P. R., told his congregation last Sunday evening, in the M. E. Church, that "the Rev. A. Hartman, of our town, was appointed here by the Bishop at the last Conference, as a Supernumerary Preacher; that he had not been expelled nor located, but to preach wherever desired by Rev. Wilson, if able to do so." This is due Mr. H. and his friends.

29th.—DAN RAY'S "GIRLS" is coming! Boys, get your change ready. This Company comprises some of the best performers in the country; and Dan's reputation as a showman stands far above all others. In connection with this Circus, is a variety of beasts never heretofore exhibited in this country. Dan and Stiekney, as clowns, are unequalled in this or any other country. Go and see the show. Read advertisement in another column.

30th.—Our friends from different parts of the county have informed us, that the Berce and terrible wind storm of last Sabbath afternoon did considerable damage, such as blowing down fences, fruit and ornamental trees, sheds, &c., and in some places shaking houses to their very foundation. We are also informed the roof was blown from two spans of the Railroad Bridge near Catawissa, and a piece of roof off the Catawissa road Bridge.

31st.—To those of our Democratic friends, who kindly called upon us last week, and paid up their subscriptions to the DEMOCRAT AND STAR, we tender our very special thanks. We are pleased to have you in our ranks, and assuredly highly pleased with you in extending their circulation and generally. Our list is rapidly increasing.

32nd.—In the United States there are about 4,000 newspapers, whilst in the whole United Kingdom there was only about 1,257. Of these London has 226.

SEE notice to Farmers, in our advertising columns of Concentrated Fertilizer, for sale by A. S. Kester, of this place.

ROARING CREEK, May 2nd, 1866.
Messrs. Editors Democrat & Star—
This is an age of improvement, and the appearance of the DEMOCRAT AND STAR, since the consolidation, has convinced the people of this neighborhood, that you fully realize the times in which you live. Your paper advocates the true Democratic doctrine, is free from personalities and unbecoming language, and surely no man can doubt, for a moment, that it is the faithful exponent of the principles of the great party of which it claims to be a humble representative. Its new dress, with the mechanical attention it receives, makes it present a beautiful appearance, and with its original and searching contents, in reference to the Disunionists, the Democracy of this vicinity are altogether satisfied.

Of course, the additional time and improvements expended on the paper, with a reduction of your subscription price, have put you to an increased expense, and I hope the Democracy of Columbia county will sustain you liberally in the efforts you are making to publish a first class Democratic newspaper. Let the Democracy of this county rejoice that their efforts in opposition to the enemy and in behalf of Democratic principles, are thus, much more combined and effectual, with one paper in Bloomsburg, than they were heretofore with two or three. I believe, and that the support you will receive from the Democracy in future, will prove the consolidation to have been as wise, as it was considered necessary. I send you a number of names, with the address, which you may add to your subscription list, and will close by saying, that it cheers us all, in every part of the county for the achievement of our principles and the successful candidates to labor faithfully and in the same direction, with unflinching vigilance.

Yours, Democratically,
O. E. S.
