

We will thank our readers for all local occurrences in their immediate localities. If they do not desire to send a communication for the public eye, let them send a brief statement of everything of interest in their respective communities. A list of marriages, deaths, accidents, fires, removals, business changes, &c. We will put them in form. The more facts of this kind we can get the better it will suit us and our readers. Who will do it?

All who have not paid us for the present volume of the DEMOCRAT AND STAR, which ends on the 23d of February next, are requested to do so. At the end of the present year we will be obliged to strike from our books many who have not paid. This is a thing we are loath to do, but in many instances we fear it will have to be done.

Scholarship.—We have a full Scholarship in the Quaker City Commercial College, of Philadelphia, which we will sell at a bargain.

The Dead Duck seems to think that the Supreme Court needs re-construction as badly as South Carolina; neither of which are half as much dilapidated as the defunct water fowl.

The members of the M. E. Church, in Buck Horn, on the 15th inst., surprised their Pastor, the Rev. B. P. King, with valuable to the amount of sixty dollars, and the ladies, Mrs. King with a purse of \$21.00.

The Black Republicans compliment the Democratic party by selecting nearly all their candidates for high positions, from deserters from our ranks. Andrew Johnson for instance, Governor Geary, Simon Cameron, &c. No wonder they get cheated so often.

THANKS.—Hon. C. R. Buckalew, of the United States Senate, Hon. Geo. D. Jackson, of the State Senate, Hon. Thomas Chaffant and Hon. James F. Kline, of the House of Representatives, will please accept our thanks for Legislative and other documents.

On Monday afternoon last, Ed. Devyans, a brakeman on the Lackawanna and Bloomsburg Railroad, met with a serious accident by getting one of his legs cut off by the cars, near the Catawissa Station. Drs. Harrison and Robbins, of this County, amputated the leg below the knee. Many stories have been told to the cause of the accident, but we have as yet heard nothing very reliable.

On Tuesday a week, January 8th, 1867, says the *Berwick Gazette*, the Stockholders of the Berwick National Bank held an election for officers to serve for the ensuing year, with the following result: President—M. W. Jackson. Cashier—B. R. Davis. Directors—M. E. Jackson, Jesse Bowman, W. H. Woodin, S. B. Rowman, A. Miller, Francis Evans, and G. H. Fowler.

We invite the attention of the readers of the DEMOCRAT AND STAR to the advertisement of BROWN & PERKINS, merchants in Catawissa. They are energetic young men, thoroughly acquainted with their business, and will do all in their power to meet the demands of their customers, by selling them a good and cheap article at all times. They have purchased their goods at figures that will warrant them in selling goods lower than have heretofore been offered in that market.

General Grant has ordered the removal of all troops stationed at Richmond. *Edginge*. Don't do it, General! Some tight-skinned yankee from "way down in Maine" might need them to protect some wooden nutmegs from confiscation by the indignant citizens. Or, perhaps, some kettle-bottomed nigger may want to run away with some white girl, and then the "Bureau" may need your soldiers to help him along with his dirty work. Don't do it, General!

TO DEALERS.—A wise enactment was passed by the last Legislature, which may not be generally known. It provides that any person "who shall receive or buy from minors or unknown or irresponsible parties, any scrap, brass, lead or metal, shall be sentenced to pay a fine not exceeding five hundred dollars, and undergo an imprisonment of not more than one year, or both, or either." This makes it criminal to buy or receive from such parties, irrespective of whether it was stolen or not, and removes from children the temptation to pilfer.

Upon invitation by the School Directors of Montour School District, County Superintendent C. G. Barkley delivered an educational address to the citizens of Montour, at Lazarus' school house, on Monday evening of last week. The meeting was well attended, and appreciated by the audience. The School Directors and citizens of Montour Township are stirring up great interest in common school education. This is a commendable spirit and we hope the people of the county will give a more general attention to educational affairs than has been given during the continuance of the late war.

THE DEMOCRAT AND STAR FOR NOTHING. Desiring to enlist the services of our friends everywhere in the circulation of the DEMOCRAT AND STAR, and not wishing any one to work without compensation we make the following offer: We will send a copy of the DEMOCRAT AND STAR for one year, free of charge to any person who sends us the names of five new subscribers, and ten dollars. The subscribers need not all be at one post office. This arrangement will enable any active person to secure a copy of the DEMOCRAT AND STAR, free of cost, by a little exertion. There is not a neighborhood where five or more subscribers could not be got in a few hours, by any one who would undertake to do so.

Justice Fawcett is holding court this week at Tonkhamock, Wyoming County.

Our paper is a little late coming out this week on account of an unusual amount of job work.

Those of our friends in the county who have or are still sending us the names of new subscribers, have our best wishes until better paid. The most awful event of this century is the great famine in India. In Orissa, it is reported that two millions five hundred thousand people have perished within the last five months with starvation. Before this terrible calamity even our awful war seems insignificant.

A prize fight came off on the 15th instant at a place called Goldsboro, in York County, between two noted pugilists, named COLLIER and McGLADE, the former from Baltimore and the latter from New York City, for a purse of \$8,000. They fought forty-seven rounds, McGLADE receiving the worst of the battle, and at this stage the "sponge" was thrown up in favor of COLLIER. The Sheriff of York County was on the ground with a posse of men but he was unable to prevent the fight from going on, there being over fifteen hundred "roughs" and "sports" present.

SEASONABLE SUGGESTIONS. Winter, in this climate, is a trying season, its steady temperature greatly aggravates dyspepsia, and every individual who is now suffering from the liver, the alteration of food and the keeping the pores of the body continually opening and contracting, and the result is a condition of the system favorable to the action of the atmospheric virus which produces intermittent fevers. Hence a rational course is to be pursued, and a course of BROWN'S BRONCHIAL TROCHES is especially needed in the winter months. The effect of this great Constitutional Tonic, in rendering even the feeblest frame impervious to all malarious influences, is a grand fact demonstrated by the uniform experience of a quarter of a century. As a stimulant, an anti-bilious medicine, and a preventive and cure of Fever and Ague, it is the one true remedy, which none who value the preservation of health can afford to do without.
