EDITORIAL ETCHINGS .- Godey's Lady's Book, for June, which we have received, is as usual a charming and hightoned magazine. It is emphatically the ladies' guide in everything appertaining to fashion.——The sum of \$56 was realized for the benefit of the Papal Fund, by collection, from the members of the Catholic church in this place, on Sabbath before last.--Tom Buckley, the "Limerick Boy," is to perform his prodigious feat of and 3 teet wide, for one hundred consecutive hours, without rest or sleep, at Johnstown, during this week. He was to commence operations on Tuesday, and, will conclude on Saturday. He successfully performed the same feat a short time ago at Altoona. Court will commence ou next Monday week. From the number of cases down for trial, it would be safe to count on a throng session. ---- We learn from the Tribune, that the station-house on the Pennsylvania Railroad at Johnstown was to be removed to the new founlation erected for it on the other side of the canal, the weather permitting, on Sunday last-that being the only day on which it could be done so as to not interfere with the running of trains .- For | been taken. anything in the newspaper or periodical me, go to Evan E. Evans' depot. He is always in receipt of the latest and most stere-ting publications. - The Cresson Summer Resort is to be opened by Wm. S Campbell, Esq., the popular proprietor of the Philadelphia St. Lawrence Hotel, about the middle of June. Next to Ebensburg, we know of no place where we would sooner pass the dog-days than there.

-Three ice-cream saloons are already a full tide of successful operation in this lace, and we have cheering prospects of the ultimate establishment of two more. cople should certainly be able to keep sol this summer. - Maj. S. S. Jamison, of Indiana, has been awarded the contract for carrying the mails between Ebensburg and Indiana, via Clay Pike. According the schedule, only one mail per week, astead of two as heretofore, will be allow----We are pained to be under the ecessity of informing the Standard that he praise-worthy custom of newly-married ouples accompanying their wedding noices with a gold dollar, for the use and behoof of the printer, has not become general in this county, but is confined entirely to the southern portion thereof. We wouldn't object to having it introduced ap here-by no means-and as a mere

matter of justice, it should be:-"Six dollars to printer and priest No sensible man can refuse: Five dollars to render him blest, And one to publish the news."

but where's the lucky couple that wil make the first move in the matter? We shall see .- The heavy rains with which we have been favored for a couple of weeks just, have sadly interfered with corn and otato-planting operations. However, if we are to have any such frosts this spring as we had last year, the later will be found to be all the better.——"Surprise parties" have become very popular in this section country lately. A number have come off with much celat and great acceptance, ut as the secret generally leaks out bechand, the surprise part is often knocked the head. - A collection for the benof Father Chiniquy's colony, in Kankakee county, Illinois, which is represented to being in a suffering condition in consesence of the failure of the crops, &c., was ken up in the Presbyterian church on bath last, and the sum of \$36 realized. -Chapter XIII of the History of Cam-The county contains some very interesting usus statistics regarding our mountain one. It gives the population of the dif-Tent boroughs and townships, as shown the census returns of 1850, corrects ne glaring errors, and endeavors to set right generally on the record.——A ing girl named Hopkins, thirteen years age, while hunting a cow not long since Benshoof's hill, near Johnstown, behe bewildered and lost her way in the wel. She wandered about for twentyat hours before finding her way out.-We particularly desire to make the local

summent of our paper as full and inter-

esting as possible-to have all the latest home news in it-we would be thankful if some of our friends, in each and every town and township in the county, would send us accounts of anything of a noteworthy nature which may transpire in their respective neighborhoods-accidents, incidents, marriages, deaths, &c. It is not necessary to write a long-winded, spreadeagle letter, but jot down the particulars of what you may think would interest the public at large, and send them on promptly —don't wait until they become antiquated and musty .--- A large brass key for a store-door was lost on our streets on last Petitions Saturday night. The finder will become the recipient of many warm and sincere thanks by leaving it at this office .-A tremendous storm of wind and rain, accompanied by terriffic peals of thunder and vivid flashes of lightning, occurred on Monday night. Quite a number of fruit-

chard of James Myers, Esq., and transportation was for a short time rendered impossible from the number of trees that had walking a plank 45 feet long, 3 feet high fallen across the roads. -- Nothing has yet been seen or heard of Daniel T. Jones, the missing man. - The citizens of Johnstown have organized an agricultural association, to be called "The Allegheny the same according to the present division of time, Mountain Agricultural Society." We'll try and attend its first exhibition. --- We learn that it is the intention of Henry Ely, Esq., who received the second highest terferences. Assignments and Table of Fees. number of votes for the office of County Superintendent in this county, to contest the election of Maj. Thomas A. Maguire, on the ground that he is not a citizen of the State. Mr. Maguire, it will be recollected, removed from this place to Davenport, where he for some time was engaged as an editor of a paper, but subsequently returned and settled down again. The initiatory steps in the matter have already

In Luck .- The darkest hour is said to be just before dawn, and we find it true; for one day last week, when we had effectually succeeded in cleaning out our stockin-hand of segars, and consequently was in a state of extreme mental depression, Robert Davis, Esq., of the firm of Davis & Jones, nobly came to the rescue, and unburdened his liberal soul by presenting us with a cool hundred of the commodity in question. The are of the genuine "Imperial" brand,-mild in nature, superb in flavor, and unapproachable in the general characteristics of a good segar. If any of our friends, however, think they have an article of the kind that can in any degree compare with them, they are at liberty to bring them forward for the test; and we pledge ourselves to report fairly and im- you the best remedies for their cure. partially on their virtues.

OUR CANDIDATES .- The telegraphic re- remedies for their cure. ports state that when the nomination of tion, the very ground was shaken by the shouts and cheers of those in attendance. Immediately after the ballotings, a resolution should have been offered instructing the candidates for Presidency and Vice Presidency, and their several friends, to purchase in future all their boots and shoes, hats and caps, and ready-made clothing from the establishment of C. R. Jones, as he sells a better article at a lower price than can elsewhere be found.

A Curiosity.—The following notice of a "publick sail," which we publish verbatim, et literatim, et punctuatem, was actually pasted up in Jackson township. We hope it will show conclusively that

the schoolmaster is still around:-PUB LICK SAIL-Pub bilk sal wil be held at the house of ---, in JaCkson township Cambra on the wenesday seCkond day of may 1860 5 head of horses 4 milk Cows I yoke of oxen young Cattle hogs I thraCing me Chene win mill 2 wagens plows harrer 3 stoves and hors gers sleds and a ver riety of artiChle to numers to menChen sail to Cmens a 9 oClock

WHAT PRACTICAL TEACHERS SAY OF THE IRON CITY COLLEGE .- I do most unhesitatingly say that the Iron City College stands pre-eminently superior to any similar School in the country. It is unquestionably the business-man's "Alma Mater;" there is to be obtained the pure, keen kernel, without the husk or chaff .-I speak from experience .- W. P. Totten, Teacher of Book-keeping in the Rainsburg and free from drugs. Academy, Bedford Co., Pa., May 1, 1860.

GRAMMATICAL ENIGMA .- I am com-

posed of 4 letters: Erase my 2, and place my 3, 4, before my 1 and you have an adjective. Erase my 1, 4, and you have a preposition. Erase my 2, 3, and you have a pronoun. Erase my 4, and you have a verb

Erase my 2, and place my 4, between my 1 and 3, and you have a noun. Take me as I am, and you have an article in general use among fast young men in this
