THE EBENSBURG POST-OFFICE IS REMOVED TO THE BUILDING ONE DOOR EAST OF THOMPSON'S "MOUNTAIN HOUSE."

THE WAR NEWS IN EBENSBURG .-The news of the attack on Fort Sumter created the most intense excitement in this place. Although the tidings had been momentarily expected for months past, still they were hardly credited when that the Traitors would have the hardihood to systematically attack our Starry Ensign. But the sequel proved that the report was only too true. Then did every one know that the long-dreaded Crisis in the history of our beloved country had arrived; then was it felt that War in all its hideous deformity had burst upon us. And every true patriot determined to meet and roll back the advancing tide of Treason.

On Wednesday evening, a public meeting of the citizens of Ebensburg and vicinity, irrespective of party, was held in the Court House, and the sentiment of the "Frosty Sons of Thunder" put on record. See particulars elsewhere.

On Friday evening, an informal meeting was held at the Court House, to take into consideration the propriety of organizing a military company to be tendered to the Government for the suppression of Treason. Thirty-three names were immediately enrolled, and the meeting was adjourned over until Monday evening. On Monday evening the largest and most patriotic mass of citizens that ever assembled in this borough, perhaps, met at the Court House. The ladies turned out en masse and graced the occasion with their presence. Patriotic speeches were delivered by Messrs. R. L. Johnston, P. S. Noon, John Williams, Andrew Lewis, C. Fagan, Daniel Jones, William Leavy, R. M. Jones, and others. An excellent band of music was present, and the "Star Spangled Banner" was sung in fine style by Messrs. J. L. P. M'Alister, Hugh H. Hughes and A. A. Barker. The complement of the company was soon filled. It is composed of some of our best citizens, who go not through enthusiasm, but because they consider it to be a solemn duty to fight, and if needs be to die, in the cause of Union and Liberty. God bless

The company tendered their services to the Governor on Tuesday, are accepted, and notified to be in readiness to murch at an hour's warning.

The company is called the "Cambria Guards." An election for officers was held on Tuesday evening, and the following result was had:

Captain, ROBERT LITZINGER. 1st Lieutenant, ANDREW LEWIS. R. A. McCOY. JNO. SCANLAN.

We will publish the entire muster roll

All honor to our citizen soldiery! R. L. Johnston, Esq., on behalf of John Williams, Esq., and others, stated that arrangements would be perfected by which the families of those volunteering would e secured from want. This is the noble

hat no military company has had an organization in this place for a number of years. This company is entirely newlyormed, and gotten up expressly in obedience to the demand of the President.]

JOHNSTOWN .- Last week was a busy week in Johnstown. The news of th commencement of hostilities between the dovernment and the Traitors created the most intense excitement, and business was suspended for the time being. On Tuesby morning the requisition for the military companies (three in number) was eccived. Recruiting immediately was begun, and in a short time the companies and received their several complements. On Wednesday the Johnstown Infantry and the Zouave Cadets left for Harrisburg, and on Thursday the Citizen's buards took up their line of march for the same point. The Johnstown Infantry numbers 81 men : Captain, Thomas H Lapsley; First Lieutenant, Jacob M. Campbell; First Sergeant, Robert P. Rob Son; Second Sergeant, John J. Mills; hird Sergeant, James Moore. The first Sergeant, John Downey; Second fenders. ergeant, D. N. Jones; Third Sergeant,

Captain, John P. Linton; First Lieut., Hugh Bradley; Second Lieut., James C. Noon; Third Lieut., John Cox.

Besides these, three or four other companies are rapidly being organized. One of them, commanded by Judge Easly, we understand, left for Harrisburg on Tues-

The Johnstown troops, after being duly armed and equipped at Harrisburg, took the cars for Washington city on Sunday morning, where they arrived safely and are now on duty. They passed through Baltimore without any trouble.

HEMLOCK.-The Washington Rifles. numbering 60 men and commanded by Capt. Dick White, took the cars for Harthey did arrive-it was scarcely believed risburg on Saturday morning, where they arrived the same day. They are quartered at "Camp Curtin," This is said to be an excellent company, and will doubtless do good service.

WILMORE .- A military company is being organized in Wilmore, and we understand that the ranks are rapidly filling up SUMMIT.—Capt. Humphreys is speed

ily organizing a company at this place. GALLITZIN .- A company is being formed at this place.

THE UNION-IT MUST AND SHALL BE PRESERVED

According to the new schedule, the mail from the East for Ebensburg arrives at Wilmore at 9.08 A. M., and the Western mail at 7.30 P. M. It seems to us that the necessities of the case require that we should receive these mails when they are due-one in the morning, and one in the evening; but according to the present postal arrangements, we receive both mails at one and the same time-at 12 c'elock, noon. By this disposition, the Western mail is obliged to lie over all night at Wilmore, and until the Eastern mail arrives in the morning. This is eminently unjust and baneful to the interests of our community. Besides, both mails leave here at one time, (at 4 o'clock, P. M.,) and mail matter going Eastward is consequently obliged to lie over at Wil. fantry; and by the time his parents were selves and to their country. indeed a pretty state of affairs! In plain words, the mail arrangement as at present conducted is a humbug and a nuisance, and we hope our citizens will take measures to have it rectified forthwith.

SINGULAR CIRCUMSTANCE. - On Monday, a man who gave his name as John Weston Hall was discovered in the woods in Jackson tp., this county, in an almost famished condition. He had eaten nothing for several days, and was almost wholly destitute of clothing. Besides, his wrists were encircled by a pair of broken handcuffs. He states that he is a miner from Coalmont; that he had been arrested somewhere for passing counterfeit money; and that he had escaped from the custody of the officers. He had a hearing before Esquire Kinkead, who committed him to jail.

-A gentleman informs us that on Saturday morning an officer of the law telegraphed from Gallitzin to Wilmore that a prisoner had escaped from his custody in the ears at about the latter point. This is probably the identical individual

THE POST OFFICE. - So it appears that we were all wrong with regard to the Postmastership of this borough. It was currently reported and generally believed until within a week past that Maj. John Thompson was to be our Postmaster-[We may state, by way of parenthesis, indeed, it was stated that he had received official notification to that effect; but on Saturday M. S. Harr, Esq., received a netification that he was to be the man. We understand that Mr. H. has filled out and returned the requisite bonds to the P. O. Department, and it is probable that his commission will shortly arrive.

OUR JOHNSTOWN LETTER.

Johnstown, April 22, 1861. To the Editor of The Alleghanian:

The past week has been one of intense excitement in our midst. Business is nearly suspended, and anxiety rests upon every countenance. Three companies have already left us, and some three or four more are rapidly recruiting. The stars and stripes are proudly waving and drums are beating in all directions.

The companies that have left us are the Zouave Cadets, the Johnstown Infantry, and the Citizens' Guards. Each company, before leaving, was presented by the patriotic ladies of Johnstown with a beautiful stand of colors. The presentation speeches were made by D. J. Morrell, and the reception speeches by Col. Jacob M. Campbell on behalf of the Zouaves, and John P. Linton, Esq., on behalf of the Citizens' Guards. Not less than fifteen hundred people witnessed these intensely interesting ceremonies, and cheers and shouts of applause for the Star Spangled Banner made the everlasting hills around us echo back the rejoicings of a free people over a flag that has ever been an emblem of Liberty. Our brave citizen soldiery departed with a fixed determination that they would

"Forever float that standard sheet, Where breathes the foe, but fall before us With Freedom's soil beneath our feet, And Freedom's Flag awaving o'er us."

I learn that our companies form part of the Third Regiment Penna. Volunteers, the officers of which are as follows: -Minier, Colonel; J. M. Power, Lieutenant-Colonel; Mayberry Irwin, Major; J. M. Campbell, Adjutant. This regiment and ten others left Harrisburg on Saturday evening for Washington city.

As an instance of the enthusiasm prevalent here, take the following: A young man from Richland township was sent to town by his parents on Wednesday to sell a basket of eggs; he arrived here; disposed of his eggs; enlisted in the Inmore until the next morning. This is expecting him home, he was on his way to Harrisburg!

The intense patriotic feeling of our citizens will not permit Treason to show its hydra head among us. A man was stoned, knocked down, and otherwise roughly dealt with, for his supposed secession proclivities. Another was very quietly but earnestly admonished to leave town for the same cause; and it is needless to say that he complied with the request.

Isaac E. Chandler, Esq., has been officially notified of his appointment as Post Master at this place. Mr. Boggs made a capable and attentive public officer, and he retires with the good wishes of the entire community.

The rolling mill continues in operation, and it is the intention of Mr. Morrell, the patriotic manager here, to run it while a dollar of money is to be obtained for that purpose.

Steps are being taken to provide for the families of those who have gone forth in the service of our common country .-To this end District Committees have been formed, and the following General Trustees are appointed: D. J. Morrell, S. H. Smith, Lewis Plitt.

The meeting was called to order by the election of that venerable pioneer of our county, Richard Asheratt, as President, who, in a few opening remarks, during the time of which the tears rolled down his cheeks and his tottering limbs seemed scarce able to bear him up, said, that in youth that flag had taught him all he knew of love for his country, and even now were he able he would be only too happy to end a long life in avenging the insult to his revered county. Patriotic addresses were also delivered by several other gentlemen. Mr. Charles Fagan delivered a stirring appeal to his friends to join with him in putting down Rebellion in our beloved country. The meeting then adjourned by giving three cheers for the "Red, White and Blue."

ALPHA AND OMEGA.

HEMLOCK, April 22, 1860. To the Editor of The Alleghanian :

Old Washington is strongly for the Union! As soon as the news reached here that the President had issued his Proclamation, calling on the militia, the Washington Rifles, numbering some sixty men, offered their services to defend their country in the hour of need, and were accepted. They left here on Friday morning for Wilmore to recruit, where they were joined by some of the Frosty Sons of that Borough and vicinity, who were desirous also of doing battle for their country in time of need.

The officers are Capt. R. White; Lieutenant, Jno. W. Short, and Orderly Sergeant, Jno. Wilkins, these being the only old officers that were here to go.

Their friends have the consolation of knowing that they will do honor to them-The company left Wilmore on Saturday at 3 o clock, A. M

WITMER'S BEIDGE. Lancaster Tp. July 30, 1869. MESSES. EVANS AND WATSON: GENTLEMEN-

The small size No. 1 Salamander safe which I purchased from your agent, Mr. Adam R. Bar, in Lancaster City, on July 20th, 1858, has been subjected to a very severe test, which it withstood in a most satisfactory manner. This Safe, containing all my books, together with valuable papers belonging to myself and some to my neighbors and friends, and represeting a value of over Twenty Thousand Dollars, (\$20,000) was in my Mill which was destroyed on the night of the 27th of July, 1860, and passed through the fiery ordeal unscathed. The Safe was on the second floor and fell to the basement of the Mill, and was subjected for six hours to an intense heat among the ruins, which was greatly increased by the combustion of a large quantity of grain confined within the brick walls. After the fire the safe was opened and the books and papers taken out in a state of perfect preservation, the paper not even being discolored. This fact was, however, to many bystanders a better recommendation of your Safes than could be expressed in any other words from Yours Respectfully,

SAMUEL RANCK. A large assortment of the above quality of Fire and Thief Proof Safes always on hand and for sale at as low rates as any other EVANS & WATSON'S. No. 304 Chestnut st., Philadelphia.
