## MISCELLANY.

THE RIGHT COURSE.—It is rumored that a committee of capitalists from New York and the East have gone on to Washington to offer the Government an amount of money sufficient to carry the war at once to the heart of secession, in the cotton States, and end it in the speediest manner. This is the true course to be pursued, and our Government will eventually be forced to assume this position at last. The secessionists do not mean to yield except by force, and force sufficient to make them do so should be called into service. Five hundred thousand men, if necessary, should be employed to break up this insolent and wicked rebellion.—The sooner the Government begins to prepare for this kind of operations, the sooner the war will be over, and over successfully for the Union, and with security for the Government.—*Philada. Ledger.*

AN INDIAN REGIMENT.—Mr. S. W. Gager, who returned to this city last evening, from a visit to the Chattaraugus Reservation, states that the Indians of that tract held a council on Thursday of last week, and unanimously voted to organize an "Indian Regiment," one thousand strong, to serve in defence of the United States Government. The meeting was very enthusiastic, and from a conversation with Jamison, the chief, our informant is confident that the proposed regiment will prove a very efficient body.—*Buffalo Cour.*

THAT FLAG.—The *white flag*, reported to have been borne by the Massachusetts Regiment when it fought its way through Baltimore, was the regular Massachusetts standard. It is a flag of white silk, with the arms of the Union on one side, and those of the State on the reverse. Masschusetts troops ask no truce with a mob of traitors.—*Boston Journal.*

A GEM.—It is really refreshing to come across such a gem as the following:

The first bird of Spring attempted to sing,
But ere he had rounded a note,
He fell from the limb—a dead bird was him—
The music had friz in his throat!

☞ Vanity Fair says: This time of year is just the one for raw recruits to go to war in. All green things begin to shoot in the Spring!

Everybody should take to segars now, because "the piping times of peace" are past.

☞ Agents wanted to sell the Erie Sewing Machine. We will give a commission or pay wages at from $25 to $60 per month, and expenses paid. The Eria is a new machine and very simple in its construction. A diploma was awarded our Machine by the Industrial Association of Farmers and Mechanics, held at Chambersburg, Pa., at its exhibition in 1860, over the Grover & Baker, and Boadoir Machines. It is equal to any machine in use, and the price is but fifteen dollars. Address R. JAMES, General Agent E. S. M. Co., Mt. Ian, Ohio [mar. 1.4]

Would respectfully call the attention of the public to one of the greatest improvements ever made in Cooking stoves—the burning of the *Gas* and *smoke* arising from the coal—by which means is saved FIFTY PER CENT. of Fuel. The improvements claimed are—

1st—a great saving of Fuel.
2d—a much quicker and hotter oven from the same fire.
2d—The preservation of the top plates, as they are all made double.
4th—Cleanliness, as there is not one half the soot and dirt found in other stoves.

He has also on hands a large assortment of HARDWARE, CHAIN PUMPS, HOOP IRON, NAILS, GLASS of all size, TABLE and POCKET CUTLERY, EDGE TOOLS, HARVESTING TOOLS, etc., etc.

ALSO—he still manufactures and keeps on hand a large assortment of Tin, Copper and Sheet Iron, all of which he will sell at extremely low prices in exchange for Cash or Country produce.

FOR SALE.—One good new light double sett of WAGON HARNESS by Aug.25,1859.tf G. HUNTLEY.

**D. MOTT'S CHALYBEATE RESTORATIVE PILLS OF IRON.**

AN APERIENT and stomachic preparation of *Iron* purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest medical authorities, both in Europe and the United States, and prescribed in their practice. The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions, indicate its necessity in almost every conceivable case. Innoxious in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:

*In Debility, Nervous Affections, Emaciation Dyspepsia, Constipation, Diarrhœa, Dysentery, Incipient Consumption, Scrofulous Tuberculosis, Salt Rheum, Menstruation, Whites, Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Pimples on the Face, etc.*

In cases of GENERAL DEBILITY, whether the result of acute diseases, or of the continued diminution of nervous and muscular energy from chronic complaints, on trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bedridden as to have become forgotten in their own neighborhoods, have suddenly reappeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the physician has no name.

In *Nervous Affections* of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overheating; and gently, regularly aperient, even in the most obstinate cases of costiveness, without ever being a gastric purgative, or inflicting a disagreable sensation.

It is this latter property, among others, which makes it so remarkably effectual and permanent a remedy for *Piles*, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In *Dyspepsia*, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendant costiveness.

In unchecked *Diarrhœa*, even when advanced to *Dysentery*, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating cough and remittent hectic which generally indicate *Incipient Consumption*, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances.

In *Scrofulous Tuberculosis* this medicated Iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known liabilities.

The attention of females cannot be too confidently invited to this *remedy* and *restorative*, in the cases peculiarly affecting them.

In *Rheumatism*, both chronic and inflamatory—in the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In *Intermittent Fevers* it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high renown and usefulness. No remedy has ever been discovered in the whole history of medicine which exerts such prompt, happy and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise immediately follow its use.

☞ Put up in neat flat metal boxes, containing 50 pills. Price 50 cents per box; for sale by druggists and dealers. Will be sent free to any address on the receipt of the price. All letters, orders, etc., should be addressed to R. B. LOCKE & CO., General Agents, 20 Cedar street, N. Y.

**THE NEW YORK TRIBUNE!!**

We trust that those who do not now receive THE TRIBUNE will subscribe for it without delay. The club price of THE WEEKLY TRIBUNE and THE SEMI-WEEKLY TRIBUNE is so low that there are but few in any community unable to take it. Henceforth, THE TRIBUNE, as the principal paper supporting the new Administration, will be peculiarly interesting, while outside of politics its reliable Foreign and Domestic News, its Commercial and Agricultural Intelligence, and its Literary Department, give to it interest and value which no other paper on this Continent can boast of. How ably and successfully THE TRIBUNE has conducted the campaign now so gloriously ended, the result in New York fully attests, and to the untiring exertions, signal capacity and foresight of HORACE GREELEY is due much of the glory of the victory over which a nation of Freemen are now rejoicing. It is, therefore, the duty of every true Republican to aid in giving THE TRIBUNE a still larger circulation. As evidence of its popularity and reliability, we may state that last week over *Six Hundred Thousand* copies were sold—a circumstance unprecedented in the annals of journalism.—*Guardian and Gazette,* Phœnixville, Pa.

**USEFUL INVENTION.**

I AM manufacturing and selling, at the low rate of six dollars, O. C. GREEN'S PATENT FEED CUTTER, acknowledged, by all who have tried it, the simplest, most durable and easiest operated machine ever gotten up. It will cut Corn Fodder, long Straw, Oats, tangled Straw, or Hay. I have shops of Cambria, Indiana, Armstrong, Clarion, Forest, Elk and Jefferson counties. I will dispose of the right in three or four of the last named counties on fair terms.

I have also the right for HAYDEN'S PATENT CARRIAGE WHEELS, in Cambria and Blair counties. This Wheel has stood the test of over four years in many of the Eastern and South-western States, and proves to be much stronger and more durable, although one-third lighter, than the ordinary Wheel. I do not desire to sell any of my territory on this, but will furnish Carriages, Buggies, Sulkies, &c. I propose to accommodate Carriage-makers with Wheels (ordered and made on reasonable terms. These Wheels are fast superseding all others.

Call at my shop, near the Ebensburg Foundry, and examine for yourselves.
